## OAKLAND CITY COUNCIL

RESOLUTION No. 85669 C.M.S.

Introduced by Councilmember \_\_\_\_\_

---

**A RESOLUTION, AS RECOMMENDED BY THE CITY PLANNING COMMISSION, ADOPTING APPROPRIATE CEQA FINDINGS AND NEW PRIORITY CONSERVATION AREA AND PRIORITY DEVELOPMENT AREA DESIGNATIONS WITHIN THE CITY OF OAKLAND**

**WHEREAS**, in August of 2014, the Association of Bay Area Governments (ABAG) requested nominations from local governments and special districts for Priority Conservation Areas (PCAs) and Priority Conservation Areas (PCAs) pursuant to the Plan Bay Area, a multi-agency regional planning initiative; and

**WHEREAS**, the Metropolitan Transportation Commission (MTC) will make federal funds available for areas with a PCA and/or a PDA designation for local jurisdictions and community organizations; and

**WHEREAS**, PCAs are mapped to regionally significant open spaces, recreation trails, and agricultural areas where there has been broad consensus for protection from development pressure and in urban areas to benefit community health, recreation, and climate and resilience; and

**WHEREAS**, ABAG defines four categories of PCAs: Urban Greening, Natural Landscapes, Regional Recreation, and Agricultural Lands; and

**WHEREAS**, the most appropriate locations for PCAs in these categories were determined based on criteria provided by ABAG, data sets provided from various sources, and input from multiple community workshops; and

**WHEREAS**, PDAs are areas where new development will support the day-to-day needs of residents and workers in a pedestrian-friendly environment served by transit; and

**WHEREAS**, the designation of PDAs informs regional agencies where financial incentives and assistance are needed to support local efforts in creating new development and complete communities; and

**WHEREAS**, the current PDA designations require updating because the City has adopted several specific and redevelopment plans since the last PDA adoption on February 9, 2010; and

**WHEREAS**, the specific and redevelopment plans define areas where the City desires new development; and

**WHEREAS**, none of the PCA or PDA designations will have regulatory authority, or affect in any way the existing regulatory or policy structure for land use contained in the City's General Plan, Specific Plans, Planning Code, or similar land use development policies or procedures; and

**WHEREAS**, the proposal relies on previously certified Final Environmental Impact Reports (EIRs) prepared for planning-level policy documents (such as the General Plan, the West Oakland, Lake Merritt Station Area, Broadway-Valdez, and Central Estuary Specific Plans, and various redevelopment plans) and, on a separate and independent basis, is also exempt from CEQA as described in the June 9, 2015 Community and Economic Development Committee Agenda Report; and

**WHEREAS**, at a duly noticed public hearing on April 15, 2015, the Planning Commission unanimously voted to recommend adoption of PCA and PDA designations, as revised by Planning Staff, on April 15, 2015; and

**WHEREAS**, at a duly noticed public meeting on June 9, 2015, the Community and Economic Development Committee voted to recommend adoption of PCA and PDA designations;

**WHEREAS**, on June 16, 2015, the City Council conducted a duly noticed public meeting on the matter, took public testimony and considered the matter; now, therefore be it

**RESOLVED**, that the City Council hereby adopts the PCA and PDA designations, as mapped in Exhibits A through E, as listed below, and hereby incorporated by reference.

Exhibit A: Adopted Priority Development Areas (PDAs)

Exhibit B: Adopted Natural Landscapes PCAs

Exhibit C: Adopted Urban Greening PCAs

Exhibit D: Adopted Regional Recreation PCAs

Exhibit E: Adopted Creek-Related PCAs; and be it

**FURTHER RESOLVED**, that the City Administrator will establish a community advisory committee, without returning to the City Council, to prioritize grants from regional agencies in Urban Greening PCAs and that the committee will make use of the equity checklist shown in Attachment J of the June 9, 2015 City Council Agenda Report and other factors that would make the City competitive for regional grants; and be it

**FURTHER RESOLVED**, that the Environmental Review Officer, or designee, is directed to cause to be filed a Notice of Determination/Exemption with the appropriate agencies; and be it

**FURTHER RESOLVED**, that the custodians and locations of the documents or other materials which constitute the record of proceedings upon which the City Council's decision is based, are respectively: (a) Planning and Building Department – Bureau of Planning, 250 Frank H. **FURTHER RESOLVED**, that the recitals contained in this resolution are true and correct and are an integral part of the City Council's decision.
