## PUBLIC OUTREACH/INTEREST

The Department continues to actively recruit candidates for the position of police officer trainee and lateral/post academy graduate police officer. We currently have 52 Police Officer Trainees in the 166<sup>th</sup> Academy. Special emphasis has been placed on attracting and hiring Oakland residents and selective language candidates throughout the testing and selection process and by utilizing the community leaders and local schools and colleges to increase awareness in the community.

### **COORDINATION**

The Department will work with the Department of Human Resource Management to complete the necessary steps associated to complete an academy.

In March 2013 and September 2013, staffing is expected to increase by 40 police officers. The 40 officers in March 2013 reflect the officers who started the academy in September 2012. They will complete the academy coursework around March 2013, and will be in field training. While they are in field training, they hold the classification of police officer. The additional increase of 40 police officers in 2013 reflects officers who will begin the academy on or about March 2013 and will begin field training in September 2013.
