Letter of Nomination

To: Jane Brunner, President Oakland City Council
CC: Latonda Simmons, Office of the City Clerk
From: Ignacio De La Fuente, Councilmember District 5
Date: February 19, 2009

Re: APPOINTMENT TO THE MEASURE Y -VIOLENCE PREVENTION
AND PUBLIC SAFETY OVERSIGHT COMMITTEE

I would like to appoint Pete Barnett as the District 5 representative to the Measure Y -
Violence Prevention and Public Safety Oversight Committee to serve the term beginning
March 16, 2009 and ending March 16, 2010.

Thank you for your attention to this matter.

Sincerely,

Ignacio De La Fuente
Councilmember, District 5

CURRICULUM VITA

Peter D. Barnett

EMPLOYMENT:

PARTNER, Forensic Science Associates, 1978 - present

CONSULTING CRIMINALIST, 1971 - present

CRIMINALIST, Paul L. Kirk & Associates, Berkeley, California, July 1969 - January 1971

CRIMINALIST, San Diego Police Department, San Diego, California, July 1968 - July 1969

EDUCATION:

Graduate work in Criminalistics, University of California, Berkeley, 1969-1970

Bachelor of Science in Criminalistics, University of California, 1968

Attended San Francisco State University, September, 1965 - June, 1966, Major: Chemistry

Attended University of California, Berkeley,
September 1962 - January 1964, Major: Chemical Engineering

Attended University of Redlands, Redlands, California,
September 1960 - June 1962. Major: Engineering

EXPERIENCE:

Experienced in the examination and analysis of physical evidence including field and laboratory examination of all types of physical evidence and investigation of a variety of types of crime and accident scenes. With the San Diego Police Department, responsibilities included crime scene investigation, laboratory examination of evidence such as narcotics, blood samples (for alcohol and drugs), firearms, physiological fluid samples, trace evidence

comparison (fibers, paint, hair, etc.), supervision of laboratory technicians, training of police officers, etc.

Consulting assignments beginning in 1969 with Paul L. Kirk and Associates have included a wide variety of incidents and many different types of physical evidence. Typical field assignments involve inspection of incident scenes, documentation and collection of physical evidence from those scenes, and the reconstruction of the incident. Typical laboratory assignments include examination of clothing for relevant physical evidence, examination of firearms and related forensic ballistic problems, trace evidence examination (hair, fibers, glass), document examination (handwriting, typewriting, ink comparison, altered or obliterated documents, FAX or photocopied documents, anonymous documents), and fingerprint examinations. Types of cases included death investigation (homicide, suicide, or accidental), assaults, automobile or other types of accidents, slip/trip and fall, industrial accidents, and personnel matters.

Consultation can be provided in preparing for the cross examination of expert witnesses, location of experts in specialized fields, and overall review of the physical evidence and technical aspects of pending litigation.

Clients include Private attorneys, public defenders, district attorneys, law enforcement agencies, corporations, insurance companies, unions, independent insurance adjusters, and private individuals.

Qualified as an expert witness in Superior Court in numerous counties of the State of California as well as in Nevada, Texas, Alaska, Washington, Oregon, Arizona, Colorado, Oklahoma, Hawaii, and Federal and Military Courts as well as Administrative hearings (DMV, NLRB). Have presented expert testimony regarding questioned documents examination, auto accidents, product liability, firearms and ballistics, physiological fluids, trace evidence, reconstruction of accident and crime scenes, and examination of various other types of physical evidence.

PROFESSIONAL AFFILIATIONS:

Fellow, American Academy of Forensic Sciences (Criminalistics Section)

Member, California Association of Criminalists

Member, American Society for Testing and Materials

Forensic Science Society, Great Britain (Affiliate)

CERTIFICATION:

Diplomate, American Board of Criminalistics
