Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

I've been a resident of Oakland for over a decade. Within that time, I have been an advocate in various issues, including Housing, Healthcare for all, and Early Care and Education. I love this city and want to continue to be involved and support in areas most needed. In addition, I have over a decade of experience in local, state, and federal government, including external partnerships with local and state leaders. I would be honored to join this dynamic group of Oakland volunteers.
