BACKGROUND / LEGISLATIVE HISTORY

The City of Oakland FY 2016-18 UASI grant proposal was approved by the Bay Area Urban Area Security Initiative (UASI) Approval Authority and the City of Oakland has been awarded a grant allocation of up to one million sixty three thousand and six hundred twenty nine dollars (\$1,063,629.00), for FY 2016-18 as part of an investment for the regional planning, training, exercises, equipment, interoperable communications projects and initiatives (**Attachment A**). The allowable scope of activities includes an all-hazards approach to catastrophic events, such as major earthquakes, provided that these activities also build capabilities that relate to terrorism.

On January 20, 2004, the City Council approved Resolution No. 78295 C.M.S. authorizing the Interim City Administrator to accept, appropriate and expend the initial UASI Grant funds.

On January 3, 2006, the Department of Homeland Security announced that the separate UASI entities, which included the cities of Oakland, San Francisco and San Jose, would be consolidated into one urban area for purposes of awarding UASI funding. The Bay Area UASI now encompasses eight (8) counties, three (3) major cities, over one hundred (100) municipalities and involves an area of eight thousand eight hundred (8,800) square miles with significant critical infrastructure including three (3) international airports, two (2) major ports, and international icons and centers of commerce and technology that are critical not only to the Bay Area economy, but also to the national and global economies. The Bay Area UASI Metropolitan Statistical Area footprint contains over seven million (7,000,000) residents.

The purpose of the FY 2016-18 United States Department of Homeland Security, UASI Programs, is to provide financial assistance to the San Francisco Bay Area Region to address the unique equipment, training, planning, and exercise needs of large urban areas, and to assist them in building an enhanced and sustainable capacity to prevent, respond and recover from threats or acts of terrorism.

ANALYSIS AND POLICY ALTERNATIVES

The following program/project initiatives have been authorized and approved by the United States Department of Homeland Security, the California Office of Homeland Security and the Bay Area UASI Approval Authority:

(A) Information Analysis and Sharing:

- Project for the City of Oakland Emergency Management Services Division to strengthen planning, critical infrastructure planning, and enhance recovery capabilities. The project supports up to four and a half (4.5) full time equivalent (FTE) emergency management and planning staff who conduct planning, preparedness, mitigation, prevention, response and recovery including cyber-security planning activities with a direct nexus to anti-terrorism through integration into regional efforts.

- Project for sustainment of critical communications services including satellite phone services and emergency management resource coordination software and network support.
- Project to acquire a vehicle capable of storing and transporting tactical gear for Oakland Police Department's (OPD) entire Tactical Team. The gear will be stored in a manner that allows for an efficient and effective deployment of the team to an incident. Proper storage of the equipment will ensure its operability when utilized as well as protect it from theft or sabotage.

(B) Interoperable Communications:

- Project to upgrade and enhance the existing Emergency Operations Center (EOC) Virtual Desktop Infrastructure (VDI) capabilities that will include hardware update, licensing and maintenance.
- Project for the acquisition of equipment compatible with the Oakland Police Department's new radio system being implemented to allow the department to join the East Bay Regional Communications System Authority (EBRCSA). The integrated speaker/microphone enhances the capability of all team members to communicate effectively while engaged in tactical operations.
- Project to establish a dedicated very high frequency (VHF) radio cache for use with the Oakland Fire Department's (OFD) 2006 UASI funded Communications Vehicle (COM 1) used to support OFD assets deployed as overhead or as an equipment resource throughout California in the response and mitigation of man-made (terrorism) and/or natural disasters; includes seventeen (17) VHF portable radios and required accessories compliant with Association of Public-Safety Communications Officials (APCO) Project 25 (P25) specifications to ensure uninterrupted interoperability between fire agencies, and different groups.

(C) Infrastructure Protection:

- Project for the acquisition of a solar powered one thousand five hundred (1,500) gallon aviation fuel trailer. The pumping system's batteries can be charged through a normal outlet or attached solar panels. This allows it to be used during power outages or transported to the area of an event where power is unavailable. The trailer provides enough fuel for approximately fifty (50) hours of flight time and is usable by rotary or fixed wing aircraft.
- Project for upgrading the sponson system on Marine 1, the Oakland Fire Department's twenty-nine (29) foot Safe Boat. This will provide greater capabilities in responding to terrorism events on the water. The sponson provides an integral part of the boat that not only allows the boat to maintain buoyancy while at sea, but also allows for the safe and rapid rescue of victims from the water.

FISCAL IMPACT

Approval of this resolution will authorize the acceptance and appropriation of UASI funds. The only impact to the General Purpose Fund is a contribution for any CSO charges associated with the FY 2016-18 UASI Grant in the estimated amounts of estimated amounts of nineteen thousand, five hundred eighteen dollars (\$19,518.00) for FY 2016-17 and forty-five thousand, five hundred forty-two dollars (\$45,542.00) for FY 2017-18. This contribution is necessary because the Department of Homeland Security has informed staff that CSO charges are not payable by this grant; therefore a GPF contribution is requested to cover these charges.

PUBLIC OUTREACH / INTEREST

The general public, all cities, special districts, non-governmental agencies and counties within the Bay Area UASI footprint are invited to participate in the UASI Grant planning and proposals processes. Panel members are organized in each area of the region to represent the East, West, North and South Bay Hubs to review all submitted grant proposals. The panel recommendations are forwarded to the UASI Advisory Group who review and vet each proposal. Final recommendations for funding are then sent to the UASI Approval Authority for final approvals. UASI Approval Authority Meeting dates are posted on the Bay Area UASI website; <http://www.bayareauasi.org/events-calendar>.

COORDINATION

The FY 2016-18 UASI grant application processes involved numerous meetings with hundreds of participants from throughout the Region in which the City of Oakland Police Department, Fire Department, Emergency Management Services Division and Department of Information Technology staff regularly attend. As part of the allocation and grant process, the urban areas' various workgroups are required to engage in an additional process to prioritize the grant proposal funding and projects based on their allocations. This fully integrated coordination process ensures that the projects funded are fully integrated throughout the Bay Area UASI Region providing for optimal response and capabilities for the safety and security of all Bay Area residents.

The City Attorney and the Controller's Offices were contacted to review and provide comments on this report and the Council Resolution. Their recommendations have been incorporated and are reflected in the aforementioned documents.

SUSTAINABLE OPPORTUNITIES

Economic: Emergency preparedness and planning activities enhance the City of Oakland's efforts to provide a climate in which economic development and economic resiliency can flourish.

Environmental: All planning, preparedness, mitigation, prevention, response and recovery activities provide for the preservation of environmentally significant and/or historic properties to the highest extent possible.

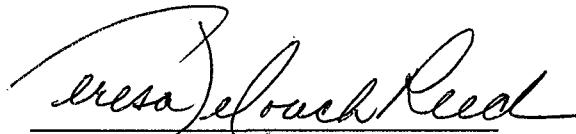

Social Equity: The UASI regional collaboration and planning projects explicitly incorporate consideration for limited and non-English speaking residents, persons with access and functional needs and economically disadvantaged residents. The specific UASI regional projects are: Medical Surge, Mass Care, and Community Resiliency. The FY 2016 UASI grant projects will also help to ensure social equity during catastrophic incidents.

ACTION REQUESTED OF THE CITY COUNCIL

Staff recommends City Council approve a resolution authorizing the City Administrator or her designee, to: 1. enter into the Urban Area Security Initiative (UASI) Grant administration agreement with the City and County of San Francisco; 2. accept, appropriate, and administer up to one million sixty three thousand and six hundred twenty nine dollars (\$1,063,629.00) UASI grant funds for federal fiscal year (FY) 2016-18; 3. approve the FY 2016-18 UASI recommended spending plan and authorize a contribution from the General Purpose Fund in an amount equivalent to the Department's Central Services Overhead (CSO) charges affiliated with said grant estimated at nineteen thousand, five hundred eighteen dollars (\$19,518.00) for FY 2016-17 and forty-five thousand five hundred and forty-two dollars (\$45,542.00) for FY 2017-18; and 4. expend funds in accordance with said recommended spending plan without further Council approval provided the city's hiring and contract services requirements and programs/policies are followed.

Programmatic monitoring may include the Regional Federal Preparedness Coordinators, or other federal or state personnel, when appropriate. Monitoring may involve a combination of desk-based reviews and on-site monitoring visits, inspection of records, and verifications of grant activities. These reviews will involve a review and analysis of the financial, programmatic, performance and administrative issues relative to each program and will identify areas where technical assistance and other support may be needed. The reviews may include, but are not limited to:

1. Evaluating eligibility of expenditures;
2. Comparing actual grant activities to those approved by the Approval Authority and specified in the Grant Plan;
3. Ensuring that any advances have been deposited in an interest bearing account and disbursed in accordance with applicable guidelines; and
4. Confirming compliance with: Grant Assurances; information provided on performance reports and payment requests; and needs and threat assessments and strategies.

(b) OAKLAND is responsible for monitoring and auditing the grant activities of any subgrantee, contractor or other entity receiving Grant Funds through or from OAKLAND. This requirement includes but is not limited to mandatory on-site verification visits.

(c) If after any monitoring review, the DHS or Cal OES makes findings that require a Corrective Action Plan by OAKLAND, the City shall place a hold on all Reimbursement Requests from OAKLAND until the findings are resolved.

3.10 **Disbursement Procedures.** San Francisco shall disburse Grant Funds to OAKLAND as follows:

(a) OAKLAND shall submit to the UASI Management Team, in the manner specified for notices pursuant to Article 9, a document ("Reimbursement Request") substantially in the form attached as Appendix C, attached hereto and incorporated by reference as though fully set forth herein. The UASI Management Team shall serve as the primary contact for OAKLAND regarding any Reimbursement Request.

(b) The UASI Management Team will review all Reimbursement Requests for compliance with this Agreement and all applicable guidelines and requirements. The UASI Management Team will

return to OAKLAND any Reimbursement Request that is submitted and not approved by the UASI Management Team, with a brief statement of the reason for the rejection of the Reimbursement Request.

(c) The UASI Management Team will submit any Reimbursement Request that is approved by the UASI Management Team to DEM. City through DEM shall review the Reimbursement Request for compliance with this Agreement and all applicable guidelines and requirements. City shall return to the UASI Management Team any Reimbursement Request that is not approved by City, with a brief explanation of the reason for the rejection of the Reimbursement Request.

(d) If a rejection relates only to a portion of the expenditures itemized in any Reimbursement Request, City shall have no obligation to disburse any Grant Funds for any other expenditures itemized in such Reimbursement Request unless and until OAKLAND submits a Reimbursement Request that is in all respects acceptable to the UASI Management Team and to City.

(e) If OAKLAND is not in compliance with any provision of this Agreement, City may withhold disbursement of Grant Funds until OAKLAND has taken corrective action and currently complies with all terms and conditions of the Agreement.

3.11 **Disallowance.** OAKLAND agrees that if it claims or receives reimbursement from City for an expenditure that is later disallowed by the State of California or the federal government, OAKLAND shall promptly refund the disallowed amount to City upon City's written request. At its option, City may offset all or any portion of the disallowed amount against any other payment due to OAKLAND hereunder or under any other Agreement with OAKLAND. Any such offset with respect to a portion of the disallowed amount shall not release OAKLAND from OAKLAND's obligation hereunder to refund the remainder of the disallowed amount.

3.12 **Sustainability.** Grant Funded programs that contain continuing personnel and operating expenses, over and above planning and implementation costs, must be sustained once the Grant Funding ends. If Equipment is purchased with grant funds the equipment must be sustained through the useful life of equipment. By executing this Agreement, OAKLAND acknowledges its responsibility and agrees to sustain continuing programs beyond the Grant Funding period. OAKLAND acknowledges and agrees that this sustainability requirement is a material term of the Agreement.

3.13 **EHP Requirements.**

(a) Grant Funded projects must comply with the federal Environmental and Historic Preservation ("EHP") program. OAKLAND shall not initiate any project with the potential to impact environmental or historic properties or resources until Cal OES and FEMA have completed EHP reviews and approved the project. Examples of projects that may impact EHP resources include: communications towers, physical security enhancements, new construction, and modifications to buildings, structures and objects that are 50 years old or greater. OAKLAND shall notify the UASI Management Team of any project that may require an EHP review. OAKLAND agrees to provide detailed project information to FEMA, Cal OES and/or the UASI Management Team, to cooperate fully in the review, and to prepare any documents requested for the review. OAKLAND shall comply with all conditions placed on the project as the result of the EHP review, and implement any treatment or mitigation measures deemed necessary to address potential adverse impacts. With prior approval of the UASI Management Team, OAKLAND may use Grant Funds toward the costs of preparing documents and/or implementing treatment or mitigation measures. Any change to the approved project scope of work will require re-evaluation for compliance with EHP requirements. If ground disturbing activities occur during project implementation, OAKLAND shall notify the UASI Management Team and ensure monitoring of ground disturbance. If any potential archeological resources are discovered, OAKLAND shall immediately cease

construction in that area and notify the UASI Management Team, which will notify the appropriate State Historic Preservation Office. If OAKLAND is using Grant Funds for a communication tower project, OAKLAND shall complete its Federal Communication Commission (“FCC”) EHP process before preparing its Cal OES/FEMA EHP materials, and shall include the FCC EHP materials in the Cal OES/FEMA submission.

(b) Any construction or other project that OAKLAND initiates without the necessary EHP review and approval will not be eligible for reimbursement. Failure of OAKLAND to meet federal, State, and local EHP requirements, obtain applicable permits, or comply with any conditions that may be placed on the project as the result of FEMA’s and/or Cal OES’s EHP review will result in the denial of Reimbursement Requests.

3.14 **National Energy Conservation Policy and Energy Policy Acts.** OAKLAND shall comply with the following requirements:

(a) Grant Funds may not be used in contravention of the Federal buildings performance and reporting requirements of Executive Order 13123, part 3 of Title V of the National Energy Conservation Policy Act (42 USC §8251 et seq.), or Subtitle A of Title I of the Energy Policy Act of 2005; and

(b) Grant Funds may not be used in contravention of Section 303 of the Energy Policy Act of 1992 (42 USC §13212).

3.15 **Royalty-Free License.** OAKLAND understands and agrees that FEMA reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use, and authorize others to use, for federal government purposes: (a) the copyright in any work developed using Grant Funds; and (b) any rights of copyright that OAKLAND purchases or acquires using Grant Funds. OAKLAND shall consult with the UASI Management Team and FEMA regarding the allocation of any patent rights that arise from, or are purchased with, Grant Funds.

3.16 **Publication Statements.** OAKLAND shall ensure that all publications created or developed under this Agreement prominently contain the following statement: “This document was prepared under a grant from the Federal Emergency Management Agencies Grant Programs Directorate (FEMA/GPD) within the US Department of Homeland Security. Points of view or opinions expressed in this document are those of the authors and do not necessarily represent the official position or policies of FEMA/GPD or the US Department of Homeland Security.”

ARTICLE 4 REPORTING REQUIREMENTS; AUDITS

4.1 **Regular Reports.** OAKLAND shall provide, in a prompt and timely manner, financial, operational and other reports, as requested by the UASI Management Team or by City, in form and substance satisfactory to the UASI Management Team or City. Such reports, including any copies, shall be submitted on recycled paper and printed on double-sided pages, to the maximum extent possible.

4.2 **Notification of Defaults or Changes in Circumstances.** OAKLAND shall notify the UASI Management Team and City immediately of (a) any Event of Default or event that, with the passage of time, would constitute an Event of Default; (b) any change of circumstances that would cause any of the representations or warranties contained in Article 5 to be false or misleading at any time during the term of this Agreement; and (c) any change of circumstances or events that would cause OAKLAND to be out of compliance with the Grant Assurances in Appendix B.

4.3 **Books and Records.** OAKLAND shall establish and maintain accurate files and records of all aspects of the Grant Plan and the matters funded in whole or in part with Grant Funds. Without limiting the scope of the foregoing, OAKLAND shall establish and maintain accurate financial books and accounting records relating to Authorized Expenditures and to Grant Funds received and expended under this Agreement, together with all invoices, documents, payrolls, time records and other data related to the matters covered by this Agreement, whether funded in whole or in part with Grant Funds. OAKLAND shall maintain all of the files, records, books, invoices, documents, payrolls and other data required to be maintained under this Section in a readily accessible location and condition for a period of not less than three (3) years after expiration of this Agreement or until any final audit by Cal OES has been fully completed, whichever is later.

4.4 **Inspection and Audit.** OAKLAND shall make available to the UASI Management Team and to City, and to UASI Management Team and City employees and authorized representatives, during regular business hours, all of the files, records, books, invoices, documents, payrolls and other data required to be established and maintained by OAKLAND under Section 4.3, and allow access and the right to examine those items. OAKLAND shall permit the UASI Management Team and City, and UASI Management Team and City employees and authorized representatives, to inspect, audit, examine and make excerpts and transcripts from any of the foregoing. The rights of the UASI Management Team and City pursuant to this Section shall remain in effect so long as OAKLAND has the obligation to maintain such files, records, books, invoices, documents, payrolls and other data under this Article 4. The DHS, the Comptroller General of the United States or designee, and Cal OES shall have the same inspection and audit rights as the City and UASI Management Team. OAKLAND shall cooperate with any federal or state audit.

4.5 **Audit Report.** If the amount specified in Section 3.2 of this agreement is \$750,000 or more, OAKLAND shall submit an organization-wide financial and compliance audit report. The audit must be performed in accordance with GAO's *Government Auditing Standards*, and 2 CFR Part 200 Subpart F - *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. OAKLAND shall submit its audit report to the UASI Management Team no later than six months after the end of OAKLAND's fiscal year.

ARTICLE 5 REPRESENTATIONS AND WARRANTIES

OAKLAND represents and warrants each of the following as of the date of this Agreement and at all times throughout the term of this Agreement:

5.1 **No Misstatements.** No document furnished or to be furnished by OAKLAND to the UASI Management Team or to City in connection with this Agreement, any Reimbursement Request or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.

5.2 **Eligibility to Receive Federal Funds.** By executing this Agreement, OAKLAND certifies that it is eligible to receive federal funds, and specifically certifies as follows:

(a) OAKLAND is not suspended, debarred or otherwise excluded from participation in federal assistance programs, as required by Executive Order 12549 and 12689, "Debarment and Suspension" and implemented at 2 CFR Part 3000.

(b) OAKLAND complies with 31 U.S.C. §1352, *Limitation on use of appropriated funds to influence federal contracting and financial transactions*, as implemented at 44 CFR Part 18 and 6 CFR Part 9.

(c) OAKLAND complies with the Drug-Free Workplace Act of 1988, as amended, 41 U.S.C. §701 et seq., as implemented in 2 CFR Part 3001, and will continue to provide a drug-free workplace as required under that Act and implementing regulations.

(d) OAKLAND is not delinquent in the repayment of any federal debt. See OMB Circular A-129.

OAKLAND acknowledges that these certifications of eligibility to receive federal funds are material terms of the Agreement.

5.3 **NIMS Compliance.** To be eligible to receive Grant Funds, OAKLAND must meet National Incident Management System ("NIMS") compliance requirements, and report full NIMS compliance via the National Incident Management System Capability Assessment Support Tool ("NIMSCAST"). By executing this Agreement, OAKLAND certifies that it is in full NIMS compliance, and that it has reported that compliance via the NIMSCAST. OAKLAND shall provide documentation of its NIMS compliance to the UASI Management Team. OAKLAND acknowledges that this certification is a material term of the Agreement.

ARTICLE 6 INDEMNIFICATION AND GENERAL LIABILITY

6.1 **Indemnification.** OAKLAND shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by OAKLAND's performance of this Agreement, including, but not limited to, the following: (a) a material breach of this Agreement by OAKLAND; (b) a material breach of any representation or warranty of OAKLAND contained in this Agreement; (c) any personal injury or death caused, directly or indirectly, by any act or omission of OAKLAND or its employees, subgrantees or agents; (d) any loss of or damage to property caused, directly or indirectly, by any act or omission of OAKLAND or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by OAKLAND, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to OAKLAND by an Indemnified Party; (f) any tax, fee, assessment or other charge for which OAKLAND is responsible under Section 10.4; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished by OAKLAND or its employees, subgrantees or agents to such Indemnified Party in connection with this Agreement. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and San Francisco's costs of investigating any claims against San Francisco.

6.2 **Duty to Defend; Notice of Loss.** OAKLAND acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 6.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 6.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to OAKLAND by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give OAKLAND prompt notice of any Loss under Section 6.1 and OAKLAND shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of OAKLAND if representation of such Indemnified Party by the counsel retained by OAKLAND would be inappropriate due to conflicts of interest between such Indemnified

Party and OAKLAND. An Indemnified Party's failure to notify OAKLAND promptly of any Loss shall not relieve OAKLAND of any liability to such Indemnified Party pursuant to Section 6.1, unless such failure materially impairs OAKLAND's ability to defend such Loss. OAKLAND shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if OAKLAND contends that such Indemnified Party shares in liability with respect thereto.

6.3 **Incidental and Consequential Damages.** Losses covered under this Article 6 shall include any and all incidental and consequential damages resulting in whole or in part from OAKLAND's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.

6.4 **LIMITATION ON LIABILITY OF SAN FRANCISCO.** CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, THE GRANT FUNDS, THE GRANT PLAN OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

ARTICLE 7

EVENTS OF DEFAULT AND REMEDIES; TERMINATION FOR CONVENIENCE

7.1 **Events of Default.** The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Agreement:

(a) **False Statement.** Any statement, representation, certification or warranty contained in this Agreement, in any Reimbursement Request, or in any other document submitted to the UASI Management Team or to City under this Agreement is found by the UASI Management Team or by City to be false or misleading.

(b) **Failure to Perform Other Covenants.** OAKLAND fails to perform or breaches any provision or covenant of this Agreement to be performed or observed by OAKLAND as and when performance or observance is due and such failure or breach continues for a period of ten (10) days after the date on which such performance or observance is due.

(c) **Failure to Comply with Applicable Laws.** OAKLAND fails to perform or breaches any of the terms or provisions of Article 12.

(d) **Voluntary Insolvency.** OAKLAND(i) is generally not paying its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of OAKLAND or of any substantial part of OAKLAND's property or (v) takes action for the purpose of any of the foregoing.

(e) **Involuntary Insolvency.** Without consent by OAKLAND, a court or government authority enters an order, and such order is not vacated within ten (10) days, (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to OAKLAND or with respect to any substantial part of OAKLAND's property, (ii) constituting an order for relief or approving a petition for

relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction or (iii) ordering the dissolution, winding-up or liquidation of OAKLAND.

7.2 **Remedies upon Event of Default.** Upon and during the continuance of an Event of Default, City may do any of the following, individually or in combination with any other remedy:

(a) **Termination.** City may terminate this Agreement by giving a written termination notice to OAKLAND and, on the date specified in such notice, this Agreement shall terminate and all rights of OAKLAND hereunder shall be extinguished. In the event of such termination, City will pay OAKLAND for Authorized Expenditures in any Reimbursement Request that was submitted and approved by the UASI Management Team and by City prior to the date of termination specified in such notice.

(b) **Withholding of Grant Funds.** City may withhold all or any portion of Grant Funds not yet disbursed hereunder, regardless of whether OAKLAND has previously submitted a Reimbursement Request or whether the UASI Management Team and/or City has approved the disbursement of the Grant Funds requested in any Reimbursement Request. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to OAKLAND after cure of applicable Events of Default shall be disbursed without interest.

(c) **Return of Grant Funds.** City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by OAKLAND in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.

7.3 **Termination for Convenience.**

(a) City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving OAKLAND written notice of termination. The notice shall specify the date on which termination shall become effective.

(b) Upon receipt of the notice, OAKLAND shall commence and perform, with diligence, all actions necessary on the part of OAKLAND to effect the termination of this Agreement on the date specified by City and to minimize the liability of OAKLAND and City to third parties as a result of termination. All such actions shall be subject to the prior approval of the UASI Management Team.

(c) Within 30 days after the specified termination date, OAKLAND shall submit to the UASI Management Team an invoice for all Authorized Expenses incurred through the termination date. For Authorized Expenses incurred after receipt of the notice of termination, City will only reimburse OAKLAND if the Authorized Expenses received prior approval from the UASI Management Team as specified in subparagraph (b).

(d) In no event shall City be liable for costs incurred by OAKLAND or any of its contractors or subgrantees after the termination date specified by City.

(e) City's payment obligation under this Section shall survive termination of this Agreement.

7.4 **Remedies Nonexclusive.** Each of the remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The remedies contained herein are in addition to all other remedies available to City at

law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

**ARTICLE 8
ASSIGNMENTS**

8.1 **No Assignment by OAKLAND.** OAKLAND shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of OAKLAND hereunder without the prior written consent of the UASI Management Team; provided, however, that any contractor or subgrantee specifically referenced in Appendix A shall not require the consent of Management Team. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of OAKLAND involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of OAKLAND or a sale or transfer of substantially all of the assets of OAKLAND shall be deemed an assignment for purposes of this Agreement.

8.2 **Agreement Made in Violation of this Article.** Any agreement made in violation of Section 8.1 shall confer no rights on any person or entity and shall automatically be null and void.

8.3 **OAKLAND Retains Responsibility.** OAKLAND shall in all events remain liable for the performance by any subgrantee contractor, or assignee of all of the covenants, terms and conditions in this Agreement.

MISCELLANEOUS**

10.1 **No Waiver.** No waiver by San Francisco of any default or breach of this Agreement shall be implied from any failure by the UASI Management Team or San Francisco to take action on account of such default if such default persists or is repeated. No express waiver by San Francisco shall affect any default other than the default specified in the waiver and shall be operative only for the time and to the extent therein stated. Waivers by San Francisco of any covenant, term or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. The consent or approval by the UASI Management Team or San Francisco of any action requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act.

10.2 **Modification.** This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement; provided, however, that the General Manager or designee may establish alternate procedures for modification of the Appendix A and the Grant Plan.

10.3 **Governing Law; Venue.** The formation, interpretation and performance of this Agreement shall be governed by the laws of the State of California, without regard to its conflict of laws principles. Venue for all litigation relative to the formation, interpretation and performance of this Agreement shall be in San Francisco.

10.4 **OAKLAND to Pay All Taxes.** OAKLAND shall pay to the appropriate governmental authority, as and when due, any and all taxes, fees, assessments or other governmental charges, including possessory interest taxes and California sales and use taxes, levied upon or in connection with this Agreement, the Grant Plan, the Grant Funds or any of the activities contemplated by this Agreement.

10.5 **Headings.** All article and section headings and captions contained in this Agreement are for reference only and shall not be considered in construing this Agreement.

10.7 **Certified Resolution of Signatory Authority.** Upon request of San Francisco, OAKLAND shall deliver to San Francisco a copy of the corporate resolution(s) authorizing the execution, delivery and performance of this Agreement, certified as true, accurate and complete by the appropriate authorized representative of OAKLAND.

10.8 **Severability.** Should the application of any provision of this Agreement to any particular facts or circumstances be found by a court of competent jurisdiction to be invalid or unenforceable, then (a) the validity of other provisions of this Agreement shall not be affected or impaired thereby, and (b) such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable.

10.9 **Successors; No Third-Party Beneficiaries.** Subject to the terms of Article 8, the terms of this Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their successors and assigns. Nothing in this Agreement, whether express or implied, shall be construed to give any person or entity (other than the parties hereto and their respective successors and assigns and, in the case of Article 6, the Indemnified Parties) any legal or equitable right, remedy or claim under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

10.10 **Survival of Terms.** The obligations of OAKLAND and the terms of the following provisions of this Agreement shall survive and continue following expiration or termination of this Agreement: Sections 4.3 and 4.4, Article 6, this Article 10, and the Grant Assurances of Appendix B.

10.11 **Further Assurances.** From and after the date of this Agreement, OAKLAND agrees to do such things, perform such acts, and make, execute, acknowledge and deliver such documents as may be reasonably necessary or proper and usual to complete the transactions contemplated by this Agreement and to carry out the purpose of this Agreement in accordance with this Agreement.

10.12 **Disclosure of Subawards and Executive Compensation.** Pursuant to the Federal Funding Accountability and Transparency Act (FFATA) (P.L. 109-282) as amended by Section 6202(a) of the Government Funding Transparency Act of 2008 (P.L. 110-252), full disclosure to the public of entities or organizations receiving federal funds is now required. As defined by the Office of Management and Budget (OMB), all new Federal awards of \$25,000 or more as of October 1, 2010, are subject to FFATA reporting requirements. (b) To the extent permitted by law, OAKLAND agrees to share with the Approval Authority informational work products (such as plans, reports, data, etc.) created or acquired using Grant Funds.

**ARTICLE 11
INSURANCE**

11.1 **Types and Amounts of Coverage.** Without limiting OAKLAND's liability pursuant to Article 6 of this Agreement, OAKLAND shall maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

(a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness; and

(b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; and

(c) Commercial Automobile Liability Insurance with limits not less than \$1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.

11.2 **Additional Requirements for General and Automobile Coverage.** Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to provide:

(a) Name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.

(b) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

11.3 **Additional Requirements Regarding Workers' Compensation.** Regarding Workers' Compensation, OAKLAND hereby agrees to waive subrogation which any insurer of OAKLAND may acquire from OAKLAND by virtue of the payment of any loss. OAKLAND agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the OAKLAND, its employees, agents and subcontractors.

11.4 **Additional Requirements for All Policies.** All policies shall provide thirty days' advance written notice to the City of reduction or nonrenewal of coverages or cancellation of coverages for any reason. Notices shall be sent to the City address in Article 9, Notices and Other Communications.

11.5 **Required Post-Expiration Coverage.** Should any of the required insurance be provided under a claims-made form, OAKLAND shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the Agreement term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

11.6 **General Annual Aggregate Limit/Inclusion of Claims Investigation or Legal Defense Costs.** Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

11.7 **Lapse in Insurance.** Should any required insurance lapse during the term of this Agreement, requests for reimbursement originating after such lapse may not be processed, in the City's sole discretion, until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

11.8 **Evidence of Insurance.** Before commencing any operations or expending any Grant Funds under this Agreement, OAKLAND shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.

11.9 **Effect of Approval.** Approval of the insurance by City shall not relieve or decrease the liability of OAKLAND hereunder.

11.10 **Insurance for Subcontractors and Evidence of this Insurance.** If a subcontractor or subgrantee will be used to complete any portion of this Agreement, OAKLAND shall ensure that the subcontractor or subgrantee shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents and employees and the OAKLAND as additional insureds.

11.11 **Authority to Self-Insure.** Nothing in this Agreement shall preclude OAKLAND from self-insuring all or part of the insurance requirement in this Article.
