RE: Item 16 – Repeal of Charter Section 1300 On Kids First – Ballot Measure

Dear Colleagues –

We support option A as presented in today's report with the following amendments to resolution 16-A:

1. Addition to section 9 (e):

Funding recommendations will be presented to the City Council no later than April 15th of each year.

2. Addition to section 9 (f):

An independent evaluation shall be done each year for the contracts for the period from July 1st to June 30th of the preceding year. The evaluation will be available to the Children's Fund Planning and Oversight Committee for review in October and presented to the City Council prior to the Committee's funding recommendations. Additionally, fund recipients that receive poor evaluations for two consecutive years will not be eligible for funding in the next year's funding cycle.
