# AGENDA REPORT

**TO:** Sabrina B. Landreth  
City Administrator

**FROM:** Ryan Russo  
Director, DOT

**SUBJECT:** Major Encroachment Permit at  
350 4<sup>th</sup> Street and 410 Webster Street

**DATE:** March 8, 2018

City Administrator Approval

Date:

3/29/18

## RECOMMENDATION

**Staff Recommends That The City Council Adopt A Resolution Granting A Conditional And Revocable Major Encroachment Permit To 350 Fourth Street LLC, To Allow Bay Windows and Awnings for Existing Building at 350 4<sup>th</sup> Street and Balconies for New Building at 410 Webster Street To Encroach Into The Public Right-Of-Way Along 4<sup>th</sup> Street and Webster Street, Major Encroachment Permit ENMJ17069.**

## EXECUTIVE SUMMARY

Approval of this resolution will authorize the Director of the Department of Transportation to issue a Major Encroachment Permit to document and regulate encroachments in the right-of-way at 350 4<sup>th</sup> Street and 410 Webster Street. The encroachment permit requires the property owner to comply with the conditions of approval by the Planning and Building Department.

The encroachments do not impact the use of the sidewalk fronting the property nor do they obstruct the path of travel for pedestrians or persons with disabilities.

The encroachments meet City standard and are described in more detail in the **Exhibit** to the Resolution.

## BACKGROUND / LEGISLATIVE HISTORY

Oakland Municipal Code (OMC) Chapter 12.08 requires a major encroachment permit for building elements encroaching into the public right-of-way as stated in the OMC Chapter 15.04.679 for revisions to the California Building Code (CBC) Section 3201.5.

Planning Department approved the construction of a 7 unit condominium at 410 Webster Street (permit number PLN16070) and an additional unit to the existing building at 350 4<sup>th</sup> Street (permit number PLN15206). The proposed encroachment permit (permit number ENMJ17069) to be issued to 350 Fourth Street LLC allows for the new building at 410 Webster Street to encroach into the public right-of-way and the existing building encroachment at 350 4<sup>th</sup> Street to remain.

Item: \_\_\_\_\_  
Public Works Committee

## **ANALYSIS AND POLICY ALTERNATIVES**

Approval of the Major Encroachment permit will allow the City to execute an indenture agreement with the property owners. The agreement holds the property owners liable and responsible for private improvements constructed in the public right-of-way and allows for construction and maintenance of the encroachments. The Major Encroachment permit allows the City to revoke the Permit and require the property owners to remove the encroachments and restore the public right-of-way if necessary.

Approximately a total of 180 square feet of living space is created by encroachments into the right of way above ground.

The proposed encroachments will not interfere with public use of the right-of-way or buried utilities and will not endanger the public welfare and convenience.

## **FISCAL IMPACT**

There is no fiscal impact to the City associated with this Major Encroachment permit. Staff costs for processing the proposed encroachment permit are covered by fees set by the Master Fee Schedule and have been paid by the Applicant.

## **PUBLIC OUTREACH / INTEREST**

This item did not require public outreach other than the required posting on City's website.

## **COORDINATION**

The permit application was coordinated with Planning and Building Department, Budget Bureau, and the Office of the City Attorney.

## **SUSTAINABLE OPPORTUNITIES**

***Economic*** – This Major Encroachment Permit will allow the property owner to meet the Planning Department's approval for the associated development.

***Environmental*** – No significant impact on the environment is identified.

***Social Equity*** – No significant impact on social equity is identified.

**CEQA**

The California Environmental Quality Act ("CEQA") and the CEQA Guidelines exempt specific types of projects from environmental review. The following CEQA exemptions apply to this project, each of which provide a separate and independent basis for CEQA clearance: CEQA Guidelines sections 15301 (existing facilities), 15183 (projects consistent with a Community Plan, General Plan, or Zoning), and 15061(b)(3) (no significant effect on the environment).

**ACTION REQUESTED OF THE CITY COUNCIL**

Adopt a Resolution Granting A Conditional And Revocable Major Encroachment Permit To 350 Fourth Street LLC, To Allow Bay Windows and Awnings for Existing Building at 350 4th Street and Balconies for New Building at 410 Webster Street To Encroach Into The Public Right-Of-Way Along 4th Street and Webster Street, Major Encroachment Permit ENMJ17069.
