EXECUTIVE SUMMARY

Adoption of this resolution will allow the City Administrator to apply for and accept the Child and Adult Care Food Program (CACFP) Grant from the California Department of Education (CDE) in order to be eligible for reimbursement from the U.S. Department of Agriculture (USDA) and the CDE. If approved, the Human Services Department (HSD) will be able to continue to offer nutritious meals to children enrolled in the Oakland Head Start and Early Head Start Program beginning July 1, 2019 through June 30, 2020.

BACKGROUND / LEGISLATIVE HISTORY

The CACFP began in 1968 and is a State and Federally funded program that provides financial aid to licensed child care centers and day care homes. The objectives of the program are to improve the diet of children younger than 13 years of age by providing them with nutritious, well-balanced meals, and to develop good eating habits in children that will last through later years. The program provides services to infants, preschool children, enrollees of any age who are disabled, and children enrolled in after-school or extended care centers.

ANALYSIS AND POLICY ALTERNATIVES

The USDA/CACFP Grant from the California Department of Education is an important partner of Head Start programs. Mandated by legislation, Head Start programs collaborate with the USDA/CACFP, to provide well-balanced, nutritious meals to Head Start and Early Head Start children. Oakland Head Start will continue to offer nutritious meals to children at City-operated Head Start and Early Head Start sites located throughout the Oakland community. Comprehensive nutrition services will be provided to approximately 226 Head Start and Early Head Start children, who have the most economic need, with 10 percent of the enrollment consisting of children with special needs.

FISCAL IMPACT

Approval of the proposed resolution will authorize the application and acceptance of the CACFP grant for Program Year 2019-2020, in the estimated amount of \$249,723, included in the Fiscal Year (FY) 2019-2020 Proposed Budget. Funding is appropriated in the Department of Agriculture Fund (2102), HS Classroom and Seasonal Org (78231), Head Start FY 2019-2020 CCFP Project (1004469), Strengthening Children, Youth & Families Program (YS13) for reimbursement of services provided under the CDE/CACFP and for the purpose of operating the Head Start child care food program.

SUSTAINABLE OPPORTUNITIES

Economic: There are economic benefits to the City from the participation in the Child and Adult Care Food Program. The Oakland Head Start program employs several full-time food service workers and one supervisor who prepare meals for the children enrolled in the Head Start program. Head Start drivers are required to deliver the meals to Head Start centers each day.

Environmental: Oakland Head Start provides snacks and meals that meet CACFP nutritional requirements. The Head Start program's central kitchen recycles all cooking oil and purchases environmentally safe paper cups and paper plates that are used in all Head Start classrooms.

Social Equity: The Head Start program delivers comprehensive, high quality services to children and families in the City of Oakland. Child health and wellness are promoted by providing nutrition services that supplement and complement those of the home and community. Head Start's child nutrition services assist families in meeting each child's nutrition needs and establish good eating habits that nurture healthy development and promote life-long well-being.
