Area 1 Homicides – All Investigated Incidents

01 January to 30 June

Police Area 1- Captain Clay Burch

- Homicides, shootings, robberies, and burglaries remain priorities of focus.
 - Measurable gang and group violence in West Oakland decreased from Q1 into Q2 in collaboration with preventative patrols and intelligence-led patrol strategies, Ceasefire, Department of Violence Prevention (DVP), and OPD's Violent Crime Operations Center (VCOC). Those strategies continue.
 - Robbery in Police Beat 3 has declined in correlation with continued preventative patrols, collaborative community efforts, and focused enforcement and investigations. Those strategies continue.
- Problem solving projects continue in Q3 to address public safety issues and crimes committed in proximity to OUSD schools for which OPD response or extra patrols have been requested. These projects emphasize prevention and conflict resolution through community partnerships.
