Staff Recommends That The City Council Amend Resolution No. 86490 C.M.S. Which Authorized The City Administrator, Or Her Designee, Among Other Things, To Enter Into An Agreement To Accept, Appropriate And Administer FY 2016 Urban Search And Rescue (US&R) Grant Funds, To Accept, Appropriate And Administer Supplemental Fiscal Year (FY) 2016 US&R Grant Funds In An Amount Not To Exceed One Hundred Sixteen Thousand Nine Hundred And Eleven Dollars (\$116,911) For A Cumulative FY 2016 US&R Grant Award Allocation In An Amount Not To Exceed One Million Three Hundred And Eighty-Six Thousand Four Hundred And Ninety-Three Dollars (\$1,386,493) And Appropriate Said Funds To The US&R Task Force.

EXECUTIVE SUMMARY

On November 29, 2016, City Council adopted Resolution No. 86490 C.M.S. authorizing the City Administrator, on behalf of the City of Oakland, to accept up to one million two hundred sixty-nine thousand five hundred eighty-two dollars (\$1,269,582) in Fiscal Year (FY) 2016 US&R grant funds (**Attachment A**).

In September 2017, the US&R Task Force received notice they would be receiving an amendment of supplemental funding in the amount of \$46,901 to the initial award and an additional 2nd amendment providing an amount of \$70,010, totaling one hundred sixteen thousand nine hundred and eleven dollars (\$116,911) to be used for the purchase of specific communications equipment (**Attachment B**). Adoption of the amended resolution will enable the City to accept, appropriate and administer the supplemental funding.

BACKGROUND / LEGISLATIVE HISTORY

The City of Oakland is the Sponsoring Agency for a FEMA Urban Search and Rescue Task Force, California Task Force 4 (CA-TF4). Federal funds are provided to the elite US&R task forces to have a response system that provides for the coordination, development, and maintenance of effort to locate, extricate, and provide immediate medical treatment to victims trapped in collapsed structures, and to conduct other lifesaving operations. Federal funding of

the US&R Cooperative Agreement has increased from prior years to provide the FEMA Task Forces with improved capabilities in water operations and in rescues conducted in an area contaminated with hazardous waste and materials.

On November 29, 2016, City Council adopted Resolution No. 86490 C.M.S. authorizing the City Administrator, on behalf of the City of Oakland, to accept up to one million two hundred sixty-nine thousand five hundred eighty-two dollars (\$1,269,582) in FY 2016 US&R grant funds for the September 1, 2016 to August 31, 2019 grant period. Staff recommends that the City Council amend Resolution No. 86490 C.M.S. to accept FY 2016 US&R supplemental grant funding in an amount not to exceed one hundred sixteen thousand nine hundred and eleven dollars (\$116,911), which will make the cumulative FY 2016 US&R grant award allocation one million three hundred and eighty-six thousand four hundred and ninety-three dollars (\$1,386,493).

ANALYSIS AND POLICY ALTERNATIVES

This grant will continue to have a positive impact for the City of Oakland. The members of the Task Force are members of the Oakland Fire Department and other participating fire agencies, and they receive training for response to man-made and natural disasters. The training provides knowledge, skills, and abilities to a network of local first responders so they can perform search and rescue operations, victim extrication, and patient treatment to reduce loss of life as the result of emergency incidents in the City and region. In addition, the fire service has learned that the sharing of services and resources is the most economical path, and participating in the US&R system is but one example of this in action.

FISCAL IMPACT

Approval of this resolution will authorize the acceptance and appropriation of supplemental FY 2016 US&R funds, bringing the total grant award to one million three hundred and eighty-six thousand four hundred and ninety-three dollars (\$1,386,493).

The Office of the City Attorney and the Budget Bureau were consulted in the preparation of this report and resolution.

Environmental: There are no environmental opportunities associated with this report.

Social Equity: The FEMA US&R Cooperative Agreement provides the City of Oakland Fire Department with access to training and equipment needed for Technical Rescues, Structural Collapse, and Disaster Response, which represents a significant enhancement of the local capabilities in the event of a local incident, such as an earthquake, and benefits all the people of Oakland.

ACTION REQUESTED OF THE CITY COUNCIL

Staff recommends that the City Council amend Resolution No. 86490 CM.S. which authorized the City Administrator, or her designee, among other things, to enter into an agreement to accept, appropriate and administer FY 2016 Urban Search and Rescue (US&R) grant funds, to accept, appropriate and administer supplemental FY 2016 US&R grant funds in an amount not to exceed one hundred sixteen thousand nine hundred and eleven dollars (\$116,911) for a cumulative FY 2016 US&R grant award allocation in an amount not to exceed one million three hundred and eighty-six thousand four hundred and ninety-three dollars (\$1,386,493) and appropriate said funds to the US&R Task Force.
