RESOLVED: That Resolution No. 2009-0032 C.M.S. is hereby amended to increase the amount of the Agency loan by \$1,200,000 for a total loan of \$2,400,000 to Resources for Community Development or to an affiliated entity approved by the Agency Administrator or his or her designee, to be used for rehabilitation of the Project; and be it

FURTHER RESOLVED: That the loan is contingent upon the transfer of ownership of the Property to Developer or to an affiliated entity approved by the Agency Administrator or his or her designee; and be it

FURTHER RESOLVED: That \$1,200,000 shall be allocated from the Low Mod Operations Fund (9580), Housing Development Organization (88929), Housing Development Program project (P209310) for this loan; and be it

FURTHER RESOLVED: That the combined total of the City and Agency loans for the Project shall not exceed \$2,400,000; and be it

FURTHER RESOLVED: That the loan shall be contingent on the availability of sufficient funds in the Agency's Low and Moderate Income Housing Fund to cover the Agency loan of \$2,400,000; and be it

FURTHER RESOLVED: That the loan shall be for a maximum term of 55 years, with an interest rate to be determined by the Agency Administrator in his or her discretion, with repayment to the Agency from surplus cash flow from the Project and other available funds during the term of the loan with the balance due at the end of the term, or on such other repayment terms and schedule as the Agency Administrator or his or her designee determines are in the best interests of the Agency and the Project; and be it

FURTHER RESOLVED: That the Agency has independently reviewed and considered this environmental determination, and the Agency finds and determines, based on the information provided in the staff report accompanying this Resolution, that this action complies with CEQA because the Project is exempt from CEQA pursuant to Section 15301 (Existing Facilities) and 15183 (Projects Consistent with Zoning and General Plan) of the CEQA Guidelines; and be it

FURTHER RESOLVED: That the making of the new loan shall be contingent on and subject to such other appropriate terms and conditions as the Agency Administrator or his or her designee may establish; and be it

FURTHER RESOLVED: That the Agency Administrator is authorized to extend the term of any existing Agency loans on the Property up to 55 years, consolidate the existing loans with the new loan authorized by this Resolution, modify other terms and conditions of the existing Agency loans to be consistent with the terms and conditions of any new funding for the Project, and negotiate and execute loan documents with respect to existing Agency loans; and be it

FURTHER RESOLVED: That the Agency hereby authorizes the Agency Administrator or his or her designee in his or her discretion to subordinate the priority of any of the Agency's recorded interests in the Project property to a lien or encumbrance of another private or governmental entity providing financial assistance to the Project, if the Agency Administrator or his or her designee determines that (1) an economically feasible alternative method of financing the Project on substantially comparable terms and conditions but without subordination is not reasonably available, (2) the Agency's investment in the Project in the event of default is reasonably protected, and (3) subordination is in the best interests of the Agency; and be it

FURTHER RESOLVED: That the Agency hereby appoints the Agency Administrator and his or her designee as agent of the Agency to conduct negotiations, execute documents, administer the loan, extend or modify the repayment terms, and take any other action with respect to the loan and the Project consistent with this Resolution and its basic purpose; and be it
