**SUBJECT: RESOLUTION IN SUPPORT OF HIGH QUALITY, EQUITABLE HEALTH CARE SERVICES AT UCSF CHILDREN'S HOSPITAL OAKLAND**

**DATE:** *January 18, 2022*

---

Colleagues on the City Council and Members of the Public,

Children's Hospital Oakland is a critically important medical care institution that has served Oakland and East Bay children and families for over 100 years. Several years ago, Children's Hospital Oakland affiliated with UCSF to form UCSF Benioff Children's Hospital Oakland. This affiliation has presented both challenges and opportunities for the continuation of high-quality medical care at this institution.

We are filing the attached Resolution supporting the importance of and need for providing high-quality health care services at UCSF Children's Hospital Oakland for Oakland and East Bay families.

Thank you for your consideration.

Respectfully submitted,

---

Councilmember Dan Kalb
