Re: A Report and Proposed Resolution Authorizing the City Administrator, on Behalf of the City of Oakland, to Accept and Appropriate Grant Funds in An Amount Not to Exceed Eighty-Two Thousand Seven Hundred and Forty-One Dollars (\$82,741) from the State of California, Office of Traffic Safety, for the Police Department's Participation in the 2007 Implementation of the Twenty-One Day California Seat Belt Compliance Campaign

SUMMARY

A resolution has been prepared authorizing the City Administrator, on behalf of the City of Oakland, to accept and appropriate grant funds in the amount of \$82,741 from the State of California, Office of Traffic Safety. The funds will be used to offset Department overtime and reporting costs for participation in a California Seat Belt Compliance Campaign (CSBCC) for seat belt enforcement during a twenty-one (21) day period in May and June 2007 in support of the "Click it or Ticket" national mobilization.

FISCAL IMPACT

Authorizing this resolution will allow the City to accept and appropriate grant funds in an amount not to exceed \$82,741 from the State of California, Office of Traffic Safety to the Police Department for the California Seat Belt Compliance Campaign program. The proposed program period is 21 days in May and June 2007. Revenues and appropriations shall be allocated in the State of California Grant Fund: 2999; Traffic Administration Division Org.: 101380; Traffic Program: PS14, in a Project to be determined. The Traffic Operations Section Commander will manage the program and ensure that the terms set forth in the grant agreement are met. There is no match requirement.

Expense allocations are as follows:

Use of Funds	Amount
O/T for Sworn Personnel (Sergeant) (\$72.52/hr x 96/hrs x 1 Officer)	\$6,962
O/T for Police Officers (non-Supervisory) (\$62.85/hr x 11/Officers x 96/hrs/ea)	\$66,370

Item: _____

O/T for Community Service Personnel (Traffic) (\$35.91/hr x 96/hrs)	\$3,447
O/T for Dispatcher - (\$44.25/hr x 96/hrs)	\$4,248
O/T for Accountant - (\$42.84/hr x 40/hrs)	\$1,714
TOTAL	\$82,741

Central Services Overhead (CSO) charges associated with the \$82,741 for staff salaries is \$14,703 (based on a calculation rate of 17.77%). According to the granting agency, indirect costs are disallowed. Therefore, the Department requests a waiver of CSO charges.

BACKGROUND

The goal of the 2007 CSBCC program is to increase seatbelt use statewide to 94 percent through the combined efforts of the California Highway Patrol, Office of Traffic Safety, and local law enforcement. The CSBCC strategy focuses on public information and enforcement on persons who fail to use seatbelts during the May 2007 Buckle Up America/Operation Alcohol Beverage Control National Mobilization period.

KEY ISSUES AND IMPACTS

Since October 2000, the Police Department has taken numerous steps to improve enforcement of traffic codes, inclusive of seat belt compliance statutes. Traffic officers and supervisors have received extensive training in the establishment and operation of checkpoints and the Traffic Section has computerized reporting and record-keeping procedures related to seat belt compliance, DUI, blood alcohol test results and collision information. Research conducted by the National Highway Traffic Safety Administration has shown seat belts to be the single most effective safety device in the prevention of serious injury and reducing fatalities in motor vehicle crashes. Lap and shoulder restraints, when used properly, reduce the risk of fatal injury to front-seat passenger occupants by 45 percent and the risk of moderate-to-critical injury by 50 percent. For light truck occupants, seat belts reduce the risk of fatal injury by 60 percent and moderate-to-critical injury by 65 percent.

Ejection from a vehicle is one of the most injurious events that can happen to a person in a vehicle crash. In fatal crashes, 75 percent of passenger car occupants who were totally ejected were killed. Seat belts are effective in preventing total ejection. Only 1 percent of the occupants reported to have been using restraints were totally ejected, compared to 22 percent of those unrestrained.

SUSTAINABLE OPPORTUNITIES

Economic

There are no direct economic opportunities associated with this initiative. Indirect opportunities may include a reduction in accident/injury claims, thereby reducing insurance premiums.

Environmental

There are no environmental issues associated with this initiative.

Social Equity

The services provided by the Police Department's participation in the California Seat Belt Compliance Campaign will assist the community through improved police services and enhanced police-community relations.

DISABILITY AND SENIOR CITIZEN ACCESS

There are no ADA or senior citizen access issues contained in this report.

RECOMMENDATION

The Oakland Police Department recommends that the City Council approve the resolution authorizing the City Administrator to accept a grant in an amount not to exceed \$82,741 from the State of California, Office of Traffic Safety for the 2007 implementation of the California Seat Belt Compliance Campaign and appropriate said funds to the Police Department.
