OAKLAND CITY COUNCIL

RESOLUTION No. 81051 C.M.S.

RESOLUTION APPROVING THE SALE OF APPROXIMATELY 6.3 ACRES OF REAL PROPERTY LOCATED WITHIN THE FORMER OAKLAND ARMY BASE FOR THE APPRAISED FAIR MARKET VALUE (\$7,180,000) TO ARGONAUT HOLDINGS, INC. FOR ITS DEVELOPMENT OF A GENERAL MOTORS DEALERSHIP

WHEREAS, the Oakland Army Base ("OARB") was identified for closure in 1995 by the Defense Base Closure and Realignment Commission ("Commission") and approved for closure by the President of the United States pursuant to the Defense Authorization Amendments and Base Closure and Realignment Act of 1988 (Public Law 150-526) and the Defense Base Closure and Realignment Act of 1990 (Public Law 101-510) ("Acts") as amended; and

WHEREAS, on July 31, 2002 the Oakland City Planning Commission certified the Oakland Army Base Redevelopment plan EIR and the Oakland City Council, Oakland Base Reuse Authority ("OBRA") and Oakland Redevelopment Agency ("Agency") adopted all appropriate California Environmental Quality Act ("CEQA") findings; and

WHEREAS, the OBRA Governing Body at its meeting of July 31, 2002, passed Resolution No. 2002-17 adopting the Final Reuse Plan for the Oakland Army Base ("Reuse Plan") and thereby endorsing a conceptual reuse scenario entitled "Flexible Alternative," which included a mix of land uses for the area, including: waterfront, light industrial, maritime support, research and development, "flex-office," selected retail and possibly a hotel; and

WHEREAS, the OBRA Governing Body at its meeting of June 26, 2006, passed Resolution No. 2006-09 authorizing its Executive Director to take all actions necessary to transfer all of the rights and obligations of OBRA to the Agency, effective August 7, 2006; and

WHEREAS, on December 5, 2006 the Oakland City Council certified the Supplemental Environmental Impact Report for the Oakland Army Base Auto Mall Project which analyzed the environmental impacts associated with the development of an auto mall and relocation of ancillary maritime support services, and adopted all appropriate CEQA findings; and

WHEREAS, the Final Reuse Plan was amended by the Agency on December 5, 2006 by Resolution No. 2006-0084 C.M.S. to include an auto mall concept as

an additional conceptual strategy for the North Gateway area of the OARB, and to relocate ancillary maritime support uses, which is a category that includes truck parking, logistics center, or other similar port-related uses, to the East Gateway and/or Central Gateway; and

WHEREAS, the proposed project has been analyzed in a First Addendum to the Supplemental Environmental Impact Report for the Oakland Army Base Auto Mall Project ("Addenda 1"); and

WHEREAS, the Final Reuse Plan was amended by the Agency on December 18, 2007 by Resolution No. 2007-0086, and by the City Council by Resolution No. 81004 C.M.S., in order to refine the proposed traffic circulation patterns for the auto mall project, relying on Addenda 1: and

WHEREAS, the California Community Redevelopment Law, Health and Safety Code Section 33430, authorizes a redevelopment agency within a survey (project) area or for purposes of redevelopment to sell real property; and

WHEREAS, the California Community Redevelopment Law, Health and Safety Code Section 33433, requires that before any property of a redevelopment agency that is acquired in whole or in part with tax increment moneys is sold for development pursuant to a redevelopment plan, the sale must first be approved by the legislative body, i.e., the City Council, by resolution after a public hearing; and

WHEREAS, the Agency owns approximately 6.3 acres of unimproved and vacant real property located in the former Oakland Army Base Area (OARB) and within the North Gateway Development subarea, a triangular site bounded by the East Bay Municipal Utility District Wastewater Plant on the north, West Grand Avenue to the south and I-880 to the east, of the OARB Redevelopment Area, which property is more particularly described as Lot 6 in Exhibit "A" attached hereto and made a part hereof ("Property"); and

WHEREAS, Argonaut Holdings, Inc., a Delaware corporation ("Argonaut"), desires to purchase the Property from the Agency for development of a General Motors dealership and service facility (the "Project"); and

WHEREAS, staff has negotiated and proposes entering into a Disposition and Development Agreement ("DDA") with Argonaut which sets forth the terms and conditions of the sale of the Property to Argonaut and governs the development of the Project and the use of the Property by Argonaut through recorded covenants running with the land; and

WHEREAS, the DDA requires that Argonaut construct and operate the Project consistent with the Redevelopment Plan; and

WHEREAS, the DDA and the grant deed that will convey the Property to Argonaut adequately condition the sale of the Property on the redevelopment and use of the Property in conformity with the Oakland Army Base Redevelopment Plan, and such documents prohibit discrimination in any aspect of the Project as required under the Oakland Army Base Redevelopment Plan and the California Community Redevelopment Law; and

WHEREAS, the Project uses are in conformity with the Oakland Army Base Redevelopment Plan, the Project will assist in the elimination of blight in the Central District and the Project will help meet the objectives of the Oakland Army Base Redevelopment Plan; and

WHEREAS, a joint public hearing between the Agency and the City Council was held to hear public comments on the sale of the Property for the Project; and

WHEREAS, notice of the sale of the Property and the public hearing was given by publication at least once a week for not less than two weeks prior to the public hearing in a newspaper of general circulation in Alameda County; now, therefore, be it

RESOLVED: That the City Council hereby finds and determines that the sale of the Property by the Agency to Argonaut for the Project furthers the purposes of the California Community Redevelopment Law, contributes to the elimination of blight in the OARB Redevelopment Project Area, conforms to the OARB Redevelopment Plan, including its Implementation Plan, and furthers the goals and objectives of said Redevelopment Plan in that; and be it

FURTHER RESOLVED: That the City Council, acting as the Lead Agency, has independently reviewed, analyzed, and considered the 2002 Army Base EIR, the 2006 Supplemental EIR and Addenda #1 prior to acting on the approvals. Based upon such independent review, analysis, and consideration, and exercising its independent judgment, the City Council confirms that the 2002 Army Base EIR and 2006 Supplemental EIR can be applied to this set of proposed actions and approves Addenda #1 to the Supplemental EIR because the criteria of CEQA Guidelines Section 15162 requiring additional environmental review have not been met. Specifically, and without limitation, the City Council finds and determines that the project would not result in any new or more severe significant impacts, there is no new information of substantial importance that would result in any new or more severe significant impacts, there are no substantial changes in circumstances that would result in any new or more severe significant impacts, and there is no feasible mitigation measure or alternative that is considerably different from others previously analyzed that has not been adopted, based upon the accompanying December 18, 2007 City Council Agenda Report, Addenda #1 and elsewhere in the record for this project and be it

FURTHER RESOLVED: That the City Council reaffirms the statement of overriding considerations adopted for the 2006 Supplemental Automall EIR in Resolution No. 2006-0084 C.M.S. on December 5, 2006; reaffirms the rejection of alternatives adopted for the 2006 Supplemental Automall EIR in Resolution No. 2006-0084 C.M.S. and also adopts the reasons for rejection of alternative access to EBMUD as detailed in Addenda #1, all of which are incorporated herein by Reference; and be it

FURTHER RESOLVED: That the City Council adopts the Conditions of Approval as set forth in Exhibit B attached hereto and incorporated herein by reference, to *further reduce less than significant* wastewater impacts, and the Mitigation Monitoring and

Reporting Program (MMRP), as set forth in Exhibit C attached hereto and incorporated by herein by reference. The monitoring and reporting of CEQA mitigation measures in connection with the project will be conducted in accordance with the MMRP. Adoption of this program will constitute fulfillment of the CEQA monitoring and/or reporting requirement set forth in Section 261081.6 of CEQA. All proposed conditions of approval and mitigation measures are capable of being fully implemented, and shall be implemented by the efforts of the City Council or other identified public agencies or entities of responsibility as set forth in the conditions of approval and the MMRP; and be it

FURTHER RESOLVED: That the City Council hereby approves the sale of the Property to Argonaut by the Agency, subject to the terms and conditions of the DDA; and be it

FURTHER RESOLVED: That the City Council finds and determines that the consideration for the sale of the Property is not less than its fair reuse value at the use and with the covenants and conditions and development costs authorized under the DDA, for the reasons set forth in the report prepared in accordance with Health and Safety Code Section 33433; and be it

FURTHER RESOLVED: That the custodians and locations of the documents or other materials which constitute the record of proceedings upon which the Agency's decision is based are respectively: (a) the Community and Economic Development Agency, Redevelopment Division, 250 Frank H. Ogawa Plaza, 5th Floor, Oakland; (b) the Community and Economic Development Agency, Planning Division, 250 Frank H. Ogawa Plaza, 3rd Floor, Oakland; and (c) the Office of the City Clerk, 1 Frank H. Ogawa Plaza, 1st Floor, Oakland; and be it

FURTHER RESOLVED: That the City Council hereby appoints the City Administrator or his or her designee to take any other action with respect to the Property or the Project, consistent with this Resolution and its basic purpose.
