RESOLVED: that the Council of the City of Oakland does find and state its
intention as follows:

1. The Fiscal Year 2016-2017 Annual Assessment Report for the Rockridge Business Improvement District is hereby approved, and pursuant to Streets and Highways Code Section 36534, the City Council declares its intention to levy and collect the assessments for FY 2016-2017 as provided for in the said Annual Assessment Report and pursuant to the assessment formula as provided for in the Plan, if the requested assessments are approved by the City Council after the Public Hearing scheduled by this Resolution of Intention.
2. The location and boundaries of the District shall remain the same as specified in the Plan on file with the City Clerk and there are no changes to the boundaries or benefit zones.
3. The types of the improvements and activities proposed to be funded by the levy of FY 2016-2017 assessments on businesses in the area are those described in the Plan and the Annual Assessment Report on file with the City Clerk. No substantial changes in the improvements or activities for the District are proposed to be made.
4. The proposed method and basis of calculating the assessments to be levied against each business in the District are those specified in the Plan and Annual Assessment Report on file with the City Clerk. For the fiscal year 2016-2017 assessment, a sub-classification of businesses that earn annual gross receipts of \$25,000 or less is proposed to be created with a reduced fee for that assessment year of \$60 (instead of the \$120 fee). Such sub-classification is proposed to be temporarily created to reduce the number and expense of processing hardship partial fee waiver requests, and the reduced fee amount would not apply to future assessment years unless renewed in the annual assessment resolution for such future years.
5. **A Public Hearing is set for January 5, 2016 at 6:00 p.m. in Oakland City Hall,** to hear all public comments, protests, and to take final action as to the levying of the proposed assessments for the District for the fiscal year 2016-2017.
6. The City Clerk is directed to give notice of the Public Hearing by causing the Resolution of Intention to be published once in a newspaper of general circulation in the City of Oakland not less than seven days before the Public Hearing.
7. At the Public Hearing the testimony of all interested persons for or against the proposed assessments will be heard and written and oral protests may be made. The form and manner of protests shall comply with Sections 36524 and 36525 of the Streets and Highways Code.

8. A protest may be made orally or in writing by any interested person. Any protest pertaining to the regularity or sufficiency of the proceedings shall be in writing and shall clearly set forth the irregularity or defect to which the objection is made.
9. Every written protest shall be filed with the clerk at or before the time fixed for the public hearing. A written protest may be withdrawn in writing at any time before the conclusion of the public hearing.
10. Each written protest shall contain a description of the business in which the person subscribing the protest is interested sufficient to identify the business and, if a person subscribing is not shown on the official records of the City as the owner of the business, the protest shall contain or be accompanied by written evidence that the person subscribing is the owner of the business.
11. A written protest which does not comply with the requirements stated above shall not be counted in determining a majority protest.
12. If written protests are received by the owners of businesses in the proposed area which will pay 50 percent or more of the assessments proposed to be levied and protests are not withdrawn so as to reduce the protests to less than that 50 percent, the proposed assessment shall not be levied.

Exhibit A

(To the Resolution of Intention to Levy the FY 2016-2017 Rockridge BID Assessment)

Rockridge Business Improvement District Annual Report To The City Of Oakland Relating to the Fiscal Year 2016-2017

Pursuant to California Streets and Highways Code Part 6
Parking and Business Improvement Area Law of 1989
Chapter 3, Section 36533

I. Proposed changes in the boundaries of the parking and business improvement area or in any benefit zone within the area.
There are no proposed changes to the boundaries of the Rockridge Business Improvement District

II. Improvements and activities to be provided for fiscal year 2016-2017

Please see the attached budget, which will outline the improvements and activities to be funded and provided in the upcoming fiscal year through Feb 28, 2016

III. Estimate of the cost of providing the improvements and activities for fiscal year 2016-2017

See attached budget.

The RDA has expenses that do not recur on an annual basis. Examples are Tree Trimming, Surveillance Cameras, Banners, Signage. Currently we have bids for 30K for trees, 20K for cameras and 15K for Banner additions and replacements. These items will recur every 3-5 years and funds for these and similar expenditures will be reserved/accumulated in a Capital Projects line item under the existing Streetscape and Security program category.

IV. Method and basis of levying the assessment.

The fee structure for assessments will remain as previously approved, including the change in classifications of businesses by temporarily creating a sub-classification for businesses that earn annual gross receipts of \$25,000 or less. Businesses which fall into this sub-classification would pay an annual assessment fee of \$60.00. This is not a property based district, therefore property owners are not assessed.

V. The amount of any surplus or deficit revenues to be carried over from the previous fiscal year.

Our fiscal year ends on 2/28. The first disbursement of assessments occurs on 4/30. Funds have been kept to cover recurring expenses for March and April.

Additionally, in 2011 we were concerned with the declining economy and unsure of the amount of assessment that would be coming in. In 2013 we discovered that many of our businesses were not receiving assessment bills - over 50 businesses, many for the past 4 years. With improved economy and improved tracking of assessed businesses we have found ourselves with additional funds. These are the reasons for the projected \$50K carryforward which will be spent on Tree Trimming/Surveillance Cameras/ Signage/Banners and the like. We anticipate similar carryforwards in future years to cover the types of Capital Project expenditures described above that do not occur annually but which require accumulation of funds over a period of 3-5 years.

VI. The amount of any contributions to be made from sources other than assessments levied.

The Rockridge Business Improvement District will seek sponsorship funds for our promotional and beautification efforts.

VII. Annual Renewal Notice.

In 2014, City Council approved an amendment to this requirement. Starting in 2014 the notice has to be sent every 5 years. The notice will be sent again in 2018 as the last notice was sent in 2013. Section 12 of the amended Ordinance 12301 C.M.S. now states:

The Governing Council (Advisory Board) of the Rockrdige BID shall annually 45 days before the anniversary of the establishment of Rockridge Business Improvement District Ordinance give the assessees of the District written notice of their rights to seek disestablishment of the district and the process therefore. Commencing with the year 2014, said notice shall no longer be required annually, but shall be given once every five years, with the next notice to be sent 45 days before the District's formation anniversary in the year 2018. In their annual report to Council, the Advisory Board shall report that they have provided this notice.

Please contact Henry C. Levy, Treasurer of the Rockridge Business Improvement District, should you have any questions regarding this report.
