EMPLOYMENT

MIG, Inc., Berkeley CA • March 2007-May 2011

Deputy Project Manager (2010-2011), Project Associate (2007-2010)

Expertise

- **Community Engagement**
Designed and implemented community visioning and strategic planning efforts and documentation in communities throughout California. Outreach activities included designing and implementing all facets of public workshops held on weekends and evenings for up to 100 people. Workshop materials included agenda materials and display boards with related project content, including maps of project areas and graphic depictions of study or planning processes.
- **Multi-Agency Facilitation and Stakeholder Communications**
Convened focus groups, technical advisory groups, stakeholder interviews and multi-agency negotiations to secure input on technical planning processes and policy developments.
- **Report Writing and Presentation**
Complete analysis and documentation to support all project progress reports and presentations and final project reports and presentations.
- **Graphics and Map Production**
Created local and regional-scale, user friendly maps with GIS and Illustrator for use in reports and presentations.
- **Facilitation and Graphic Recording**
Facilitated nearly 50 small group discussions about a variety of land use issues and synthesized key points of large group discussions in an easy to read format on butcher paper for group review and summarizing event proceedings.
- **Marketing and Business Development**
Developed all aspects of project proposals and cultivated project opportunities, including identifying potential leads and opportunities with friends and clients, responding to RFPs and participating in interviews.

Topic Areas

- **Parks and Recreation Planning**
Performed all phases of strategic and master plan development for Parks and Recreation Departments in California including: Santa Rosa, Redwood City, Rohnert Park, Sunnyvale, Stockton, Napa and Emeryville. Updated design and maintenance standards for park system components, including trails such as the Santa Rosa Creek Trail, Joe Rodota Trail, SFPUC trail (Redwood City), SF Bay Trail, Stevens Creek Trail and Emeryville Greenway.
- **Transportation and Land Use**
Authored reports, created graphics and facilitated outreach for regional transportation and land use planning projects, corridor studies, Complete Streets and community visioning projects for the Metropolitan Transportation Commission, Alameda County Transportation Commission and Caltrans while ensuring Title VI compliance. Coordinated Marin County participation in the development of the US-101 North Corridor System Management Plan. Facilitated small group discussions to support the Plan Bay Area process and promote awareness of SB 375. Identified strong community interest in a variety of pedestrian and trail related improvements during the needs assessment phase of the Alameda Countywide Transportation Plan.
- **Water Policy**
Managed communications and client-interface for water policy projects for Los Angeles County, San Joaquin County and the City of San Jose. Produced governance study report for San Joaquin Area Flood Control Agency that identified potential future governance options.
