SUBJECT: Amendments to Oakland Municipal
Code Chapter 2.29

DATE: June 23, 2014

City Administrator

COUNCIL DISTRICT: CITY-WIDE

RECOMMENDATION

Staff Recommends that City Council adopt an ordinance amending Chapter 2.29 of the Oakland Municipal Code entitled "City Agencies, Departments and Offices" to revised the titles of bureaus and divisions in the Police Department and the titles of divisions in the Planning & Building Department and the Economic & Workforce Development Department (*Attachment A*).

SUMMARY

On March 18, 2014 City Council adopted an amendment to Chapter 2.29 of the Oakland Municipal Code (OMC). The City Administrator has since approved refinements to the internal structures of the Police Department, Fire Department, Planning & Building Department, and the Economic & Workforce Development Department. The changes to the names of divisions are reflected in the proposed ordinance amending OMC Chapter 2.29 to create consistency in the City's official record.

BACKGROUND/LEGISLATIVE HISTORY

City Council amended the OMC Chapter 2.29 through Ordinance No. 13219 CMS on March 18, 2014 (*Attachment B*). The Ordinance brought the structure of the City into alignment with the FY 2011-12 Adopted Policy Budget as amended in Resolution No. 83693 C.M.S on January 31, 2012 as well as further refinements adopted in the FY2013-2015 Adopted Policy Budget passed by Resolution No. 84466 CMS on June 27, 2013.

Item: _____
Finance & Management Committee
July 8, 2014

The amendments now being proposed for the Police Department have arisen out of changes in department leadership which provided the opportunity to realign assignments with the Chief of Police overseeing more divisions directly, and the Assistant Chief assuming more of the oversight of departmental operations. The Field Operations Bureau is broken out into two Bureaus for appropriate span of control (Field Operations East and Field Operations West) and the Risk Management function is subsumed in other divisions under the Chief's line of command. Other changes and additions to the names of divisions are recommended to more clearly define the roles and structure of those functions.

Changing the Fire Prevention and Support Services Bureau to the Fire Prevention Bureau in the Fire Department aligns the responsibilities more clearly within the bureau and moves the Training and Support Services function to a division under the Chief. For the Planning & Building Department and the Economic & Workforce Development Department, the changes being proposed are in name only and are requested to more closely describe the work performed within the divisions.

ANALYSIS

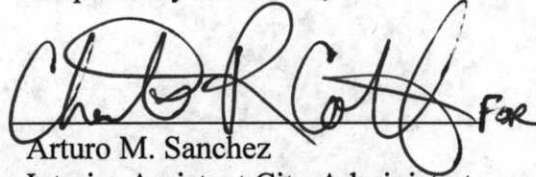

The above changes being proposed have been implemented operationally and the recommended ordinance serves to formalize the recommended reorganization of the City's administrative structure. The revisions do not represent any significant structural changes – there are no changes to employee assignments or direct reporting relationships as they are currently performed.

COST SUMMARY/IMPLICATIONS

If adopted as presented, there is no fiscal impact. The proposed modifications will formalize and implement approved organizational changes so that staff may continue to conduct the business of the City.
