RECOMMENDATION

Staff Recommends That The City Council Adopt An Ordinance Amending Section 10.52.060 Of The Oakland Municipal Code To Add 56th Street And 58th Street Between Shattuck Avenue And Telegraph Avenue To The List Of City Streets Where Commercial Vehicles Exceeding Four And One-Half Tons Are Prohibited.

REASON FOR SUPPLEMENTAL REPORT

This supplemental report provides clarification on how the California Environmental Quality Act (CEQA) applies to the proposed Ordinance amending the Oakland Municipal Code.

CALIFORNIA ENVIRONMENTAL QUALITY ACT

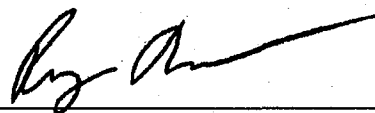

This action is exempt from the California Environmental Quality Act (CEQA) as specified under CEQA Guidelines Section 15301 because the action involves a minor alteration to existing public facilities relating to regulatory traffic controls on two City-maintained right-of-ways, resulting in no expansion of use beyond that existing at the time of the City Council's action.
