Greetings,

I am writing to apply for membership with the City of Oakland's Committee on Aging.

I've resided in Oakland since 1982, and feel a strong connection to the city. Over the years, besides operating my own small business, I've also been involved in much community-building and volunteer work. This year I'll complete my second term as President of the Oakland chapter of the Lions' Club, which provides support to the Oakland Blind Centre, and coordinates an eyeglass donation program. In 2005 I sat on the board of the Lend-A-Hand foundation.

I've worked with people who have Hepatitis-C, and for six years I ran a support group which met at Kaiser Permanente Hospital.

As a woman in her sixties, I'm interested in the many issues surrounding aging. I've seen the results of elder abuse both within my own family and those close to me. On the positive side, I know how much seniors have to offer in terms of knowledge and experience.

I feel I have much to contribute to the Commission and will bring to the table my positive attitude, enthusiasm, curiosity and compassion.

I look forward to learning more about the activities and goals of the Committee on Aging, and I look forward to the opportunity to become an active member.

Sincerely,

A handwritten signature in cursive script that reads "Eileen Abrams".
