RE: Resolution Awarding A Construction Contract To Mosto Construction, the Lowest Responsive and Responsible Bidder, For The Rehabilitation of Sanitary Sewers in the Easement Between Sayre Drive and Paso Robles Drive and the Easement Between Chambers Drive and Saroni Drive (Project No. C329123) In Accord With Plans and Specifications For The Project and Contractor's Bid In The Amount Of One Hundred Sixty-Five Thousand One Hundred Ninety-Eight Dollars (\$165,198.00)

SUMMARY

A resolution has been prepared awarding a construction contract in the amount of \$165,198.00 to Mosto Construction, the Lowest Responsive and Responsible Bidder, for the Rehabilitation of Sanitary Sewers in the Easement Between Sayre Drive and Paso Robles Drive, Easement Between Chambers Drive and Saroni Drive (Project No. C329123). The work to be completed under this project is part of the City's annual Sanitary Sewer Rehabilitation program. The work is located in Council District 4 as shown in *Attachment A*.

FISCAL IMPACT

Approval of this resolution will authorize the City Administrator to award a construction contract to Mosto Construction in the amount of \$165,198.00. Funding for this project is available in:

- Sewer Service Fund (3100); Capital Project – Sanitary Sewer Design Organization (92244); Sewers Account (57417); Project C329123; \$165,198.00.

This project will rehabilitate existing sewer pipes, reducing rain-related sewer overflows and minimizing the demand for sanitary sewer maintenance.

BACKGROUND

On June 16, 2011, the City Clerk received three bids for this project in the amounts of \$165,198.00, \$207,382.00 and \$215,157.00. A summary is shown in *Attachment B*. Mosto Construction is deemed the lowest responsive and responsible bidder, and therefore is recommended for the award. The Engineer's estimate for the work is \$191,900.00.

Item: _____
Public Works Committee
September 27, 2011

Under the proposed contract with Mosto Construction, the Local Business Enterprise and Small Local Business Enterprise (LBE/SLBE) participation will be 100%, which exceeds the City's 20% LBE/SLBE requirement. The contractor also shows a participation of 100% for trucking, which exceeds the 20% Local Trucking requirement. The contractor is required to have 50% of the work hours performed by Oakland residents and 50% of all new hires are to be Oakland residents. The LBE/SLBE information has been verified by the Social Equity Division of the Department of Contracting and Purchasing and is shown in *Attachment C*. Staff has reviewed the submitted bid for this work and has determined that the bid is reasonable for the current construction climate.

KEY ISSUES AND IMPACTS

The Environmental Protection Agency (EPA) mandates the reduction of sanitary sewer overflows. This project is part of the Citywide program to eliminate wastewater overflows. Construction is scheduled to begin in November, 2011 and should be completed by January, 2012. The contract specifies \$1,000.00 in liquidated damages per calendar day if the contract is not completed within 60 working days. The project schedule is shown in *Attachment B*.

PROJECT DESCRIPTION

In general, the proposed work consists of replacing 1,211 linear feet of sewer mains by pipe expanding, rehabilitating house connection sewers, reconnecting house connection sewers, and other ancillary work as indicated on the plans and specifications.

EVALUATION OF PAST PERFORMANCE

The Contractor Performance Evaluation for Mosto Construction from a previously completed project is included as *Attachment D*.

SUSTAINABLE OPPORTUNITIES

Economic: The contractor will have 50% of the work hours performed by Oakland residents and 50% of all new hires are to be Oakland residents, which will result in local dollars being spent locally.

Environmental: The replacement of the sanitary sewers will minimize sewer leakage and overflows, thus preventing potential harm to property, groundwater resources and the Bay. Best Management Practices for the protection of storm water runoff during construction will be required.

Social Equity: This project is part of the Citywide program to eliminate wastewater overflows, thereby benefiting all Oakland residents.

DISABILITY AND SENIOR CITIZEN ACCESS

There is no direct impact or benefit to seniors or people with disabilities. During construction, the contractor will be required to provide safe and accessible travel through the construction area.

RECOMMENDATION AND RATIONALE

It is recommended that the construction contract be awarded to Mosto Construction, the lowest responsive and responsible bidder, in the amount of \$165,198.00 for the Rehabilitation of Sanitary Sewers in the Easement Between Sayre Drive and Paso Robles Drive and the Easement Between Chambers Drive and Saroni Drive (Project No. C329123). Mosto Construction has met the LBE/SLBE requirements, and there are sufficient funds in the project account.

ACTION REQUESTED OF THE CITY COUNCIL

Staff recommends that the City Council approve the resolution.

Contractor: Mosto Construction

Date of Notice to Proceed: 11/29/2009

Date of Notice of Completion: 5/4/2010

Date of Notice of Final Completion: 5/4/2010

Contract Amount: \$261,434.00

Evaluator Name and Title: David No, Resident Engineer

The City's Resident Engineer, most familiar with the Contractor's performance must complete this evaluation and submit it to Manager, CEDA Project Delivery Division, within 30 calendar days of the issuance of the Final Payment.

Whenever the Resident Engineer finds the Contractor is performing below Satisfactory for any category of the Evaluation, the Resident Engineer shall discuss the perceived performance shortfall at the periodic site meetings with the Contractor. An Interim Evaluation will be performed if at any time the Resident Engineer finds that the overall performance of a Contractor is Marginal or Unsatisfactory. An Interim Evaluation is required prior to issuance of a Final Evaluation Rating of Unsatisfactory. The Final Evaluation upon Final Completion of the project will supersede Interim ratings.

The following list provides a basic set of evaluation criteria that will be applicable to all construction projects awarded by the City of Oakland that are greater than \$50,000. Narrative responses are required to support any evaluation criteria that are rated as Marginal or Unsatisfactory, and must be attached to this evaluation. If a narrative response is required, indicate before each narrative the number of the question for which the response is being provided. Any available supporting documentation to justify any Marginal or Unsatisfactory ratings must also be attached.

If a criterion is rated Marginal or Unsatisfactory and the rating is caused by the performance of a subcontractor, the narrative will note this. The narrative will also note the General Contractor's effort to improve the subcontractor's performance.

ASSESSMENT GUIDELINES:

Outstanding (3 points)	Performance among the best level of achievement the City has experienced.
Satisfactory (2 points)	Performance met contractual requirements.
Marginal (1 point)	Performance barely met the lower range of the contractual requirements or performance only met contractual requirements after extensive corrective action was taken.
Unsatisfactory (0 points)	Performance did not meet contractual requirements. The contractual performance being assessed reflected serious problems for which corrective actions were ineffective.

PROCEDURE:

The Resident Engineer will prepare the Contractor Performance Evaluation and submit it to the Supervising Civil Engineer. The Supervising Civil Engineer will review the Contractor Performance Evaluation to ensure adequate documentation is included, the Resident Engineer has followed the process correctly, the Contractor Performance Evaluation has been prepared in a fair and unbiased manner, and the ratings assigned by the Resident Engineer are consistent with all other Resident Engineers using consistent performance expectations and similar rating scales.

The Resident Engineer will transmit a copy of the Contractor Performance Evaluation to the Contractor. Overall Ratings of Outstanding or Satisfactory are final and cannot be protested or appealed. If the Overall Rating is Marginal or Unsatisfactory, the Contractor will have 10 calendar days in which they may file a protest of the rating. The Public Works Agency Assistant Director, Design & Construction Services Department, will consider a Contractor's protest and render his/her determination of the validity of the Contractor's protest. If the Overall Rating is Marginal, the Assistant Director's determination will be final and not subject to further appeal. If the Overall Rating is Unsatisfactory and the protest is denied (in whole or in part) by the Assistant Director, the Contractor may appeal the Evaluation to the City Administrator, or his/her designee. The appeal must be filed within 14 calendar days of the Assistant Director's ruling on the protest. The City Administrator, or his/her designee, will hold a hearing with the Contractor within 21 calendar days of the filing of the appeal. The decision of the City Administrator regarding the appeal will be final.

Contractors who receive an Unsatisfactory Overall Rating (i.e., Total Score less than 1.0) will be allowed the option of voluntarily refraining from bidding on any City of Oakland projects within one year from the date of the Unsatisfactory Overall Rating, or of being categorized as non-responsible for any projects the Contractor bids on for a period of one year from the date of the Unsatisfactory Overall Rating. Two Unsatisfactory Overall Ratings within any five year period will result in the Contractor being categorized by the City Administrator as non-

responsible for any bids they submit for future City of Oakland projects within three years of the date of the last Unsatisfactory overall rating.

Any Contractor that receives an Unsatisfactory Overall Rating is required to attend a meeting with the City Administrator, or his/her designee, prior to returning to bidding on City projects. The Contractor is required to demonstrate improvements made in areas deemed Unsatisfactory in prior City of Oakland contracts.

The Public Works Agency Contract Administration Section will retain the final evaluation and any response from the Contractor for a period of five years. The City shall treat the evaluation as confidential, to the extent permitted by law.
