RE: **A Report And A Resolution Granting Montgomery Realty Investors I LLC A Conditional And Revocable Permit to Allow Existing Portions Of A Building Located At 902 Center Street To Encroach Into The Public Right-Of-Way Along Center Street and 9th Street**

SUMMARY

A resolution has been prepared granting the property owner, Montgomery Realty Investors I LLC, a conditional and revocable permit (EMNJ 10053) to allow existing portions of an apartment building constructed in 1896 to encroach approximately eighteen (18) inches into the public rights-of-way.

FISCAL IMPACT

Staff costs for processing the proposed encroachment permit are covered by fees set by the Master Fee Schedule and have been paid by the developer and were deposited in the special revenue Development Service Fund (2415), Engineering Services organization (88432), Encroachment Permits account (42314), Engineering and Architectural Plan Approval (PS30). The standard conditions of the encroachment permit require the property owner to maintain liability and property damage insurance and to include the City as a named insured.

KEY ISSUES AND IMPACTS

The two (2) story building was originally constructed in 1896 on a corner lot (APN 004-0065-020-00) located at the intersection of Center Street and 9th Street. The owner recently filed an application (PM09840) to convert two (2) residential rental units to condominium ownership. The required boundary survey for the subdivision map indentified that a second story oriel window, utility meter, and wood fence encroach approximately eighteen (18) inches into the public rights-of-way. Oakland Municipal Code Section 12.08.030 requires that these types of encroachments receive approval of the City Council.

The adjoining sidewalks are approximately twelve (12) feet wide. The encroachments have not interfered with pedestrian access or buried utilities for more than one-hundred and fourteen (114) years. The City Council has previously approved similar encroachments throughout Oakland.

SUSTAINABLE OPPORTUNITIES

Economic

The condominium conversion will provide home ownership opportunities for Oakland residents.

DISABILITY AND SENIOR CITIZEN ACCESS

Condominium conversions are not required to conform to State requirements for handicapped accessibility.
