THE COUNCIL OF THE CITY OF OAKLAND DOES ORDAIN AS FOLLOWS:

SECTION 1. The Municipal Code is hereby amended as set forth below, additions are indicated by underscoring and deletions are indicated by ~~strike-through type~~; portions of ordinances not cited or not shown in underscoring or strike-through type are not changed.

10.36.010 Parking meter defined

For purposes of this chapter, the term "parking meter" means any coin receptacle, instrument, device, indicator or machine which upon the deposit therein such coin of the

United States or other form of payment as may be required by this title shows, indicates, registers, displays or permits legal parking in the parking meter zone wherein or adjacent to which such ~~coin~~ receptacle, instrument, device, indicator or machine is situated. A parking meter as defined herein may or may not be a self-contained timing device; it may be manually adjusted, automatically or manually controlled, or otherwise operated either externally or internally, so as to show, indicate, register, display or permit legal parking upon the deposit of coin of the United States or other form of payment as required by this title.

10.36.015 Acceptable Card and Pay-and-display meter defined

For the purpose of this chapter, the term "acceptable card " means any payment card authorized and accepted by the City Administrator as a valid form of payment.

For the purpose of this chapter, the term "pay-and-display meter" means an electronic pay station installed within or upon the curb or sidewalk area within a designated parking zone for the purpose of controlling the period of time of occupancy of a space by a vehicle. A "pay-and-display space" means the space controlled by a pay-and-display meter.

10.36.020 Parking meter installation--Painting of lines.

A. Parking meters, other than pay-and-display meters, shall be installed upon the street, parkway, curb, sidewalk or municipal parking lot area immediately adjacent to the individual parking spaces designated as herein prescribed.

The Traffic Engineer shall cause to have lines or markings painted or otherwise designated as herein prescribed.

The Traffic Engineer shall cause to have lines or markings painted or otherwise designated upon the parkway, curb, sidewalk, street or municipal parking lot area adjacent to each parking meter in such manner as to identify the parking space with each respective parking meter. It is unlawful to park or leave standing any vehicle across any such line or marking or in any position other than within the parking area so designated. (Prior traffic code § 121)

B. Pay-and-display meters shall be installed upon the curb or sidewalk area within any designated meter zone.

10.36.030 Deposit of Coins, credit card, debit card and acceptable card - Amount of time corresponds to value of coins, credit card, debit card and acceptable card

A. When any vehicle shall be parked in any parking space adjacent to which a coin operated parking meter is located in accordance with the provisions of this chapter, the operator of said vehicle upon so parking shall, and it is unlawful to fail to, deposit immediately one or more coins of the United States in such parking meter and,

when required by the directions on the parking meter, the operator of such vehicle, after deposit of the proper coin or coins of the United States, shall also set in operation the timing mechanism, if any, on such parking meter, and failure to deposit such proper coin or coins and to set the timing mechanism, if any, in operation when so required shall be unlawful. Any such operator who, upon so parking, deposits coins in such parking meter in an amount greater than is legally required does so at his or her own convenience, and the city shall not be liable for any refund therefor.

B. Pay-and-display meters. When a vehicle shall be parked at a pay-and-display meter space, the operator of the vehicle shall, if required by the time and date restrictions for the space, locate the nearest pay-and-display meter on the block, and deposit immediately one or more coins of the United States, credit card, debit card or an acceptable card in such pay-and display meter and make selections in accordance with the instructions posted on the face of the pay-and-display meter. Upon obtaining the printed receipt from the pay-and display meter, the operator of the vehicle shall immediately place the valid printed receipt face up on the vehicle's dashboard where the expiration time and date are readily visible from the vehicle exterior.

C. Parking meter fees shall be established annually in the City of Oakland Master Fee Schedule Ordinance.

10.36.050 Parking meter indication that space is illegally in use

A. It is unlawful for any person to park or leave standing any vehicle in any parking meter zone on any street at any time during which the parking meter shows, indicates, registers, or displays that the parking space is illegally in use except during the time necessary to deposit United States coins in said parking meter so as to show, indicate, register, display, or permit legal parking and excepting also during the time from six p.m. to eight a.m., and excepting also all holidays as defined in Section 10.36.090 when indicated by appropriate signs located on the parking meter. When five-hour meters are installed, such meters shall show, indicate, register, display, or permit legal parking during a twenty-four (24) hour period, seven days a week, when indicated by appropriate signs located on the parking meters.

B. Pay-and-display meter. It is unlawful for any person to park or leave standing any vehicle in any pay-and-display space on any street for a period of time in excess of parking time limits designated on the receipt issued from pay-and-display meter controlling the space.
