Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

I am a recent graduate of CSEBU MBA program. I have an interest in how cities and counties address the needs around housing, rent control, property management and landlord/tenant rights. I am an investor and landlord of 2 properties in Oakland. I would like to learn about how I can best serve and advocate for Oakland residents, while finding a common ground that is beneficial to landlords as well.
