COUNCIL DISTRICT: City-Wide

RECOMMENDATION

Staff recommends that the City Council adopt:

The Resolution Accepting and Confirming Reports of the City Administrator on the Costs Incurred by the City of Oakland for Delinquent Business Taxes and Confirming the Recordation of Liens, Administrative Charges and Assessment Charges as Necessary Pursuant to Title 5, Chapter 5.04 of the Oakland Municipal Code, and Directing the Notice of Lien and Assessment Charges to be Turned Over to the County Tax Collector for Collection.

OUTCOME

The liens will be recorded against two thousand four hundred eighty-nine (2,489) parcels. The parcels' delinquencies represent \$3,551,703.92 in past due Business Taxes. Failure to place liens to recover the delinquent taxes will result in a loss of \$3,676,153.92 in revenues to the General Purpose Fund. The additional revenues of \$124,450 are derived from the \$50 administrative fee per lien for the two thousand four hundred eighty-nine (2,489) properties.

BACKGROUND/LEGISLATIVE HISTORY

Pursuant to Chapter 5.04 of the Oakland Municipal Code, staff cross-referenced Alameda County Assessor data with the Business Tax System data to identify potential non-compliant/delinquent business operators owning various types of properties. During a review and assessment process, two thousand eight hundred ninety-two (2,892) property owners were notified to address delinquent Business Taxes determined to be owed to the City. An administrative hearing for delinquent Business Taxes was held on May 6, 2015 to hear protests

and to resolve any inconsistencies or inequities raised by the property owners regarding the non-payment of Business Taxes. Property owners were given the opportunity to appeal their cases in this administrative process. Four hundred and three (403) properties were deleted from the list through the administrative hearing process, payments and/or account closures. The remaining two thousand four hundred eighty-nine (2,489) non-responders were notified of the City's intent to record a lien against their property; these remaining parcels are subject to lien.

Following the administrative hearing, the Tax Administrator filed with the City Administrator a written notice of those persons on whom the City will file liens for unpaid taxes, penalties, interest and other charges. If these amounts remain unpaid or unresolved after the public hearing by the City Council, the City Council shall authorize by resolution the recordation of liens on the subject properties for costs incurred for delinquent Business Taxes and added administrative and assessment charges. The delinquent charges and assessments shall constitute a special assessment against said property, and shall be collected at such time as is established by the County Assessor for inclusion in the next property tax assessment.

The public hearing is scheduled for June 16, 2015. A resolution is prepared confirming the placement of liens on two thousand four hundred eighty-nine (2,489) properties and authorizing the subsequent assessment for all fees and charges.

ANALYSIS

Property owners owe delinquent Business Taxes and administrative fees to the City for accounts not resolved at the June 16, 2015 administrative hearing as shown in the *Attachment 1*. If the City fails to place liens to recover the delinquent taxes, the General Purpose Fund may potentially lose estimated revenues totaling \$3,551,703.92 and administrative fees totaling \$124,450.00, creating a grand total of \$3,676,153.92 for this period.

PUBLIC OUTREACH/INTEREST

Administrative hearings for delinquent Business Taxes were held on May 6, 2015 to hear protests and resolve any inconsistencies or inequities raised by property owners regarding the non-payment of Business Taxes.

COORDINATION

In coordination with the Office of the City Attorney and Controller's Bureau, the agenda report, resolutions, and supporting items attached to this report have been reviewed and/or approved for form and legality.
