WHEREAS, on February 6, 2007, the City Council adopted Urgency Ordinance No. 12785 C.M.S. establishing an emergency 45-day moratorium on the establishment of any new activity or facility selling tobacco or tobacco or related products or paraphernalia.

WHEREAS, the 45-day moratorium will expire on March 22, 2007.

WHEREAS, the legislative process by which any proposed permanent amendments to the City's regulations can be adopted requires public hearings before the Planning Commission, the Community and Economic Development Committee, as well as two readings before the full City Council, the completion of which cannot occur until no earlier than September 20, 2007.

WHEREAS, the City of Oakland's Community and Economic Development Agency is in the process of studying proposed amendment's to the City's regulations on tobacco establishments and it is expected that the proposed regulations will be presented to the City Council on or around September 18, 2007.

WHEREAS, due notice of the hearing requesting this extension of the moratorium has been given as required by law; and

WHEREAS, the City of Oakland has an overriding interest in planning and regulating the use of property within the City. Implicit in any plan or regulation is the City's interest in maintaining the quality of urban life and the character of the City's neighborhoods. Without stable, well-planned neighborhoods, sections of the City can quickly deteriorate, with tragic consequences to social, environmental and economic values; and

WHEREAS, the proliferation of establishments that sell or display smoking, drug/and or tobacco paraphernalia, and other items promoting the use of tobacco products or

promoting the use of illegal drugs or controlled substances and characterizing such paraphernalia as intended for use with tobacco products, may adversely affect the City's ability to attract and retain businesses and shoppers to the City; and

WHEREAS, permitting the sale of smoking, drug and/or tobacco paraphernalia may adversely affect the City's economic vitality, may promote the illegal consumption and purchase of illegal drugs by children and minors by increasing their exposure to drug paraphernalia, may result in high concentration of illegal drug-related uses in certain neighborhoods, may result in a threat to public health, safety and welfare and may not be compatible with existing and potential uses of similarly zoned businesses ; and

WHEREAS, it is the City's intent, in consideration of other existing and potential uses within the City, to assure a degree of compatibility between the location of establishments selling and displaying smoking, drug and/or tobacco paraphernalia and surrounding commercial properties. This intent will be effectuated by a comprehensive study possibly resulting in additional revisions to the Planning Code; and,

WHEREAS, an updated Land Use and Transportation Element of the Oakland General Plan was adopted by the Oakland City Council in March, 1998 to guide future land use and development in the city; and

WHEREAS, the Land Use and Transportation Element and the Estuary Policy Plan contain goals, objectives, and policies that promote: maintaining and enhancing the vitality of existing neighborhood commercial areas - Objective I/C1.1 Attracting New Business; Policy N1.6 Reviewing Potential Nuisance Activities; Policy 5.1 Environmental Justice; and

WHEREAS, the continued establishment of may result in potential conflict with some of the policies and objectives of the Land Use and Transportation Element of the General Plan; and

WHEREAS, the City Council hereby requests that the Planning Department continue the review of the regulatory mechanisms available to regulate activities or facilities selling tobacco or tobacco related products with the goal of adopting needed changes to the current regulations, including changes to the Planning Code to protect the public health, safety, and welfare from the negative effects of smoke shops. During the period of time that it undertakes this task, the City is concerned that absent the adoption of an emergency moratorium, activities and facilities that conflict with contemplated changes to the City's regulatory schemes could be established in the City thereby frustrating the realization of the goals of that study; and

WHEREAS, until such time that the City concludes its review and adopts new land use controls over such activities or facilities selling tobacco or tobacco related products, the community is in jeopardy that such businesses could be instituted, modified, or expanded prior to the imposition of new controls necessary for the protection of public health and welfare; and

WHEREAS, issuance or approval of any building, planning or other permit for activities or facilities selling tobacco or tobacco related products /paraphernalia prior to the City's completion of such investigation would result in a current and immediate threat to the public health, safety or welfare; and

WHEREAS, pursuant to Government Code Section 65858 a city, including a charter city, may adopt an interim ordinance prohibiting any uses that may be in conflict with a contemplated general plan or zoning proposal that the legislative body is considering or intends to study within a reasonable time; and

WHEREAS, for the reasons set forth above and in Ordinance No. 12785 C.M.S., this ordinance is declared by the Oakland City Council to be necessary for preserving the public peace, health, or safety and to avoid a current, immediate and direct threat to the health, safety, or welfare of the community, and the "Whereas" clauses above taken together constitute the City Council's statement of the reasons constituting such necessity and urgency.
