KEY ISSUES AND IMPACTS

The requirements for the Academy Recruit Training Officer Course are specified by POST and include foundational information about Basic Academy Training and POST laws and regulations.

All Recruit Training Officers throughout the state must attend the course within one year of appointment to the position. The City of Oakland has been the sole presenter of the Recruit Training Officer Course for the State of California since 1991.

PROGRAM DESCRIPTION

The key topics covered in the training are:

- Legal/Liability Issues
- Roles of the Academy Recruit Training Officer
- POST Physical Conditioning Program
- Adult Learning Theory and Instructional Techniques
- Leadership, Ethics and Professionalism

SUSTAINABLE OPPORTUNITIES

The benefit of having certified Recruit Training Officers is the assurance that new officers who attend the Oakland Police Academy are provided with current industry standard instruction and training, which increases public safety, officer safety, and service to the City. Officers who are well trained are better prepared to perform their duties as public servants and add to the quality of life throughout the community.

DISABILITY AND SENIOR CITIZEN ACCESS

There are no ADA or senior access issues contained in this report.

RECOMMENDATION

Accept this report and approve the resolution to execute an agreement with POST to present the Academy Recruit Training Officer Course up to three times during the period of July 1, 2005 through June 30, 2006, and receive up to \$9,307.98 in reimbursement funds.
