INTRODUCED BY COUNCILMEMBER _____

OAKLAND CITY COUNCIL
ORDINANCE NO. 13370 C.M.S.

ORDINANCE AMENDING OAKLAND MUNICIPAL CODE CHAPTER 5.80, MEDICAL CANNABIS DISPENSARY PERMITS, TO ALIGN WITH CALIFORNIA'S MEDICAL MARIJUANA REGULATION AND SAFETY ACT AND ADOPTING CEQA EXEMPTION FINDINGS

WHEREAS, in 1996, California voters approved Proposition 215 (codified at Health and Safety Code section 11362.5 and titled the "Compassionate Use Act of 1996"), which provides criminal immunity for patients and primary caregivers for the cultivation and possession of cannabis if a doctor has recommended the cannabis for medical purposes; and

WHEREAS, in 2004, Senate Bill 420 was enacted (codified at Health and Safety Code section 11362.7 *et seq.* and titled the "Medical Marijuana Program Act") to clarify the scope of the Compassionate Use Act of 1996. The Medical Marijuana Program Act allows cities and other governing bodies to adopt and enforce laws consistent with its provisions; and

WHEREAS, neither the Compassionate Use Act of 1996 nor the Medical Marijuana Program Act provided an effective statewide regulatory system for the medical cannabis industry, and this lack of uniform regulation created uncertainty about the legality of medical cannabis activities and endangered the safety of end users, who have not had the benefit of a monitored supply chain for medical cannabis, quality control, testing or labeling requirements; and

WHEREAS, in 2004, the Oakland City Council adopted Ordinance No. 12585 C.M.S. to establish citywide medical cannabis dispensary regulations (codified at Oakland Municipal Code ("OMC") Chapter 5.80), consistent with the Medical Marijuana Program Act, to protect the peace, health, safety and welfare of patients and the community as a whole; and

WHEREAS, the City of Oakland's medical cannabis dispensary regulations were subsequently amended in 2010 through Ordinance No. 13049 C.M.S., and in 2011 through Ordinance No. 13086 C.M.S.; and

WHEREAS, the purpose of citywide regulation of medical cannabis dispensaries is to regulate the sale and distribution of cannabis in the interest of patients who qualify to obtain, possess and use cannabis for medical purposes under state law, and to provide safe medical cannabis product and inventory; and

WHEREAS, in 2011, Assembly Bill 2650 was enacted (codified at Health and Safety Code section 11362.768). This law affirms that cities can adopt ordinances that restrict the location and establishment of medical marijuana collectives, cooperatives, and dispensaries; and

WHEREAS, in *City of Riverside v. Inland Empire Patients Health and Wellness Center, Inc.* (2013) 56 Cal.4th 729, the California Supreme Court concluded that nothing in the Compassionate Use Act or the Medical Marijuana Program Act precludes a local jurisdiction from regulating or prohibiting facilities that distribute medical marijuana; and

WHEREAS, in 2015, Assembly Bills 243 and 266 and Senate Bill 643 were enacted (codified at Business and Professions Code section 19300 *et seq.* and titled the "Medical Marijuana Regulation and Safety Act"). These bills also amended provisions of the Medical Marijuana Program Act related to the cultivation of medical marijuana; and

WHEREAS, the Medical Marijuana Regulation and Safety Act establishes a long-overdue comprehensive regulatory framework for medical cannabis in California (including production, transportation and sale of medical cannabis), requires establishment of uniform state minimum health and safety standards, testing standards, mandatory product testing, and security requirements at dispensaries and during transport of the product, and provides criminal immunity for licensees; and

WHEREAS, the Medical Marijuana Regulation and Safety Act preserves local control in a number of ways: (1) by requiring medical cannabis businesses to obtain both a state license and a local license or permit to operate legally in California, (2) by terminating the ability of a medical cannabis business to operate if its local license or permit is terminated, (3) by authorizing local governments to enforce state law in addition to local ordinances, if they request that authority and it is granted by the relevant state agency, (4) by providing for civil penalties for unlicensed activities, and continuing to apply applicable criminal penalties under existing law, and (5) by expressly protecting local licensing practices, zoning ordinances, and local actions taken under the constitutional police power; and

WHEREAS, the Medical Marijuana Regulation and Safety Act authorizes medical cannabis businesses to vertically integrate their business and hold multiple state licenses if they are located in jurisdictions that adopted a local ordinance, prior to July 1, 2015, allowing or requiring qualified businesses to cultivate, manufacture, and dispense medical cannabis or medical cannabis products; and

WHEREAS, the City of Oakland's medical cannabis regulations have allowed and will continue to allow an individual qualified business to cultivate, manufacture, and dispense medical cannabis or medical cannabis products; and

WHEREAS, the City of Oakland wishes to amend OMC Chapter 5.80 to continue and expand citywide regulation of medical cannabis activities in a manner that protects the public health, safety and general welfare of the community, and in the interest of patients who qualify to obtain, possess and use marijuana for medical purposes, consistent with the Compassionate Use Act of 1996, the Medical Marijuana Program Act, and the Medical Marijuana Regulation and Safety Act; and

WHEREAS, the City of Oakland has a compelling interest in protecting the public health, safety, and welfare of its citizens, residents, visitors and businesses by developing and implementing strict performance and operating standards for dispensaries; and

WHEREAS, it is the City of Oakland's policy in the permitting of medical cannabis facilities to encourage the hiring of high unemployment groups, including Oakland residents that were formerly incarcerated; and

WHEREAS, communities of color have been negatively and disproportionately impacted by disparate enforcement of cannabis laws; and

WHEREAS, police arrest data reported to the Cannabis Regulatory Commission reflect disproportionately higher arrests for cannabis offenses in certain police beats; and

WHEREAS, individuals arrested or previously incarcerated for cannabis related offenses face significant barriers to obtaining employment, financial aid, public housing, and other economic opportunities; and

WHEREAS, the City of Oakland seeks to provide equity in ownership in the cannabis industry through the incorporation of a Dispensary Equity Permit Program; and

WHEREAS, as part of its efforts to develop comprehensive amendments to the existing citywide medical cannabis regulations, staff conducted extensive public outreach, including public presentations to the City's Cannabis Regulatory Commission in February, July, and October 2015; and

WHEREAS, after duly noticed public meetings on February 9, 2016, and April 26, 2016, the Public Safety Committee voted to recommend the proposal to the City Council with the inclusion of an equity component that requires 50% of all new cannabis permits be issued to applicants who reside in police beats negatively and disproportionately impacted by enforcement of cannabis laws; and

WHEREAS, the City Council held a duly noticed public hearing on May 3, 2016, to consider the proposed amendments and all interested parties were provided an ample opportunity to participate in said hearing and express their views; and

WHEREAS, nothing in this Ordinance shall be deemed to conflict with federal law as contained in the Controlled Substances Act, 21 U.S.C. § 841 or to license any activity that is prohibited under said Act except as mandated by State law; and

WHEREAS, nothing in this Ordinance shall be construed to (1) allow persons to engage in conduct that endangers others or causes a public nuisance; or (2) allow the use of cannabis for non-medical purposes; or (3) allow any activity relating to the sale, distribution, possession or use of cannabis that is illegal under state or federal law; and compliance with the requirements of this Ordinance shall not provide a defense to criminal prosecution under any applicable law; now, therefore
