**WHEREAS**, pursuant to Sections 22500 and following of the Act of 1972, the City took a series of actions preliminary to ordering the establishment of the Landscape and Lighting Assessment District ("District") and did establish such District of June 23, 1989; and

**WHEREAS**, Tuesday, June 4, 2013, at the hour of 6:30 p.m. was fixed and properly noticed as the day and hour for the City Council to hear and pass on said reports, together with any objections or protests which may be raised by any of the property owners liable to be assessed for the costs of certain public maintenance and improvements equitably only among those citizens and businesses benefiting from such city programs; and

**WHEREAS**, the Engineer's Report was prepared in accordance with the provisions of Article XIII of the California Constitution and state law; and

**WHEREAS**, the Engineer's Report, incorporated by this reference, provides for services of particular benefit to the properties located within the District (as more specifically identified in the Engineer's Report); now, therefore be it

**RESOLVED** by the Council of the City of Oakland, as follows:

1. The City Council finds that the City Clerk gave notice of these proceedings as required by Government Code Section 53753 and in compliance with state law, and Article XIII of the California Constitution, and gave all other notices and took all other actions required by law with regard thereto.
2. A Public Hearing was held on June 4, 2013, (at 6:30 p.m. in the City Council Chambers in City Hall, located at 1 Frank H. Ogawa Plaza, Oakland California) to hear all public comments, protests, and thereafter to take final action as to the annual assessment for the District.
3. At the hearing the testimony of all interested persons for or against the furnishing of the specified types of improvements or activities, and the imposition of the annual assessment for the District was heard. All protests, both written and oral, are overruled and denied, and the City Council finds that there is not a majority protest within the meaning of the law.

The City Council finds, determines and declares that the District and each parcel therein is benefited by the improvements, maintenance, and activities funded by the assessment to be levied, including all expenses incurred incidentally thereto, upon the lots and parcels of real property in proportion to the estimated benefits to be received as specified in the Engineer's Report.
5. The Engineer's Report for the District and the proposed assessment district boundary description, assessment roll and map is accepted and approved and the assessments shall be as provided for in the Engineer's Report and assessment roll.
