SUBJECT: Reason for Supplemental: Change of Order of Agenda Items on
April 2, 2013 Special City Council Meeting

The purpose of this Supplemental Memo is to advise the public and the City Councilmembers that I plan to call the items on the April 2 Special City Council Meeting agenda in a different order than they are listed on the agenda. Following Item 4, we will go to Item 6, then take Items 7, 8 and 5 together for purposes of presentation and public comment. However, each item will be approved by a separate motion and public speakers will be entitled to as many minutes as they would have had if the items were heard separately as noticed. Grouping the items for presentation will enable everyone to receive a comprehensive picture of the financial status quo as well as a forecast of revenue and expenditures prior to engaging in comment and discussion.

Please note a supplemental report for Item 5 is referred to as "Attachment B" in the materials for Item 7.

Respectfully submitted,

Patricia Kemighan
City Council President
