## EXECUTIVE SUMMARY

Staff recommends the adoption of the proposed resolution (**Option 1**), which authorizes the levy of special assessments for delinquent trash fees, charges, and recording of said special assessments to the Alameda County Tax Collector and Auditor Controller **for inclusion on the next property tax roll, August 10, 2022**. The special assessments are made pursuant to the Mixed Materials & Organics Collection Services Contract (the Contract) executed on July 15, 2015 between the City of Oakland (the City) and Waste Management. All fees, charges, and due dates are detailed on customer invoices and delinquency notices. The action before the City Council pertains only to delinquent Waste Management accounts and does not include California Waste Solutions, Inc. (CWS) Push Rate charges. CWS Push Rate charges are billed

on a separate account as an ancillary charge and are not part of the normal Waste Management billing that is subject to the special assessment. Delinquent account holders have until July 31, 2022 to pay an outstanding bill prior to the assessment being rolled to the County for inclusion on the property tax roll.

### **BACKGROUND / LEGISLATIVE HISTORY**

Prior to July 1, 2015, the City purchased delinquent accounts receivable from Waste Management for trash collection services provided to residential properties. The City, as owner of the delinquent accounts, collected the delinquent trash fees and charges by placing liens against subject properties. The lien process is a mechanism to secure the debt owed to the City and avoid interruption of trash collection services to residential properties.

The process was changed under the new Waste Management contract; per the contract, the City no longer purchases delinquent accounts from Waste Management, nor does it place liens on subject properties. Instead, the City now places a special assessment levy on the annual property tax bill of the subject property, as a method to secure the City's mandatory refuse administrative fee as allowed under the Oakland Municipal Code (O.M.C.) Section 8.28.250 and Waste Management's delinquent trash collection service invoices.

Significant noticing dates of the Waste Management agreement are provided in **Table 1**, below.

**Table 1: Waste Management Agreement – Significant Noticing Dates**

<b>Dates</b>	<b>Noticing Action</b>
Day 1	Waste Management sends initial invoice to customer.
Day 45	Waste Management sends delinquency notice to customer and may apply late fees.
Day 61	Waste Management sends final delinquency notice to customer with a past due balance notifying them of the termination of service on 90 <sup>th</sup> day if account is not paid in full.
Day 91	The City subscribes on customer's behalf for the abatement of the trash nuisance and imposes a cost recovery administrative fee.
Day 100	The City sends a Special Assessment Notice to the subject property owner informing them of the City's subscription for garbage service on their behalf and notice of administrative and Council hearings. A list of subject properties is provided to the City Clerk for public viewing.

From the date of the initial Waste Management Invoice to the public hearing, property owners have approximately 190-195 days to resolve their delinquency.

In accordance with the contract, Waste Management provides the City with a list of accounts for which it will terminate service for non-payment. The list includes assessor's parcel number, service address, and the delinquent amount. Pursuant to O.M.C. Section 8.28.220, following an administrative hearing, a report of the proposed special assessments is submitted to the City

Council. Both a paper and an electronic copy of the delinquent accounts are furnished to the City Clerk for public viewing following each administrative hearing.

### **ANALYSIS AND POLICY ALTERNATIVES**

Waste Management notified the City of delinquent accounts for eight (8) periods: July 2021, August 2021, September 2021, October 2021, November 2021, and December 2021 (monthly), and October through December 2021 and January through March 2022 (quarterly).

On August 15, 2021 and November 15, 2021, Waste Management sent quarterly customers a delinquency notice advising of their unpaid invoices and potential late fees for the quarterly period of July through September 2021 and October through December 2021. For monthly customers, the delinquency notice was sent on the last day of the monthly billing cycle. On September 1, 2021 and on December 1, 2021, Waste Management sent a final delinquency notice to subject property owners advising them of termination of service on the 90<sup>th</sup> day if no payment was received, and subsequent subscription for garbage service by the City of their delinquent accounts. On October 16, 2021 and on January 18, 2022, the City sent a Special Assessment Notice to subject property owners advising them of the City's subscription for garbage service to their delinquent accounts.

On November 18, 2021, a postcard was mailed to delinquent property owners for the periods of October through December 2021 (quarterly), July 2021, August 2021 and September 2021 (monthly) that the public hearing scheduled for December 7, 2021 had been postponed. A postcard was mailed on February 22, 2022 to delinquent property owners notifying them of the new public hearing date of March 15, 2022.

Pursuant to O.M.C. Chapter 8.28.210 and the contract, the City held an administrative hearing, and each affected property owner was notified of the administrative hearing. The administrative hearings were held on November 2, 2021 and on February 1, 2022, to hear protests and resolve any inconsistencies or inequities regarding the delinquent mandatory trash fees prior to the public hearing before the City Council.

Due to the Alameda County Shelter in Place Order issued on March 16, 2020, the City of Oakland mailed to the affected property owners an Administrative Hearing Questionnaire that allowed for written protest of and to resolve any inconsistencies and inequities regarding the delinquent mandatory trash fees prior to the public hearing before the City Council. Administrative hearings were conducted via Zoom on November 2, 2021 and February 1, 2022, for all affected property owners who submitted a questionnaire or requested a hearing via telephone. **Attachment A** provides a listing of all properties subject to the special assessment levy by the County Assessor.

Of the original list of 9,440 delinquencies, 479 cases were resolved and removed. A resolution has been prepared confirming and authorizing the special assessment levy for all fees and charges should they remain unpaid at the time of submission or transfer of recording to or by the County Assessor. These delinquent accounts do not include the CWS Push Rate charges. The list of delinquent accounts subject to the special assessment levy has been filed with the City Clerk in both paper and electronic format.

The special assessment process ensures that residential and commercial garbage is picked up, whether the garbage bill is paid to Waste Management or not, and ensures that the City of Oakland is in alignment with the Citywide Priority of **holistic community safety**.

**Table 2** below reflects the Waste Management billing periods, service fees and City Administrative Charges.

Property owners owe Waste Management delinquent trash collections services totaling \$2,655,385.20 and owe City Administration Fees totaling \$1,057,186.56 for these service periods. In accordance with O.M.C. Chapter 8.28, the City will levy all unpaid charges and fees on the Alameda County Property Tax Roll, and deposit all payments received through the property tax roll in the City's Mandatory Trash Fund (1700).

<sup>1</sup> Quarterly Waste Management billings comprise three (3) months of service for residential customers.

### **FISCAL IMPACT**

If the City fails to collect or recover its cost covering administration fees, the City's Mandatory Trash Fund (1700) may lose a total of \$1,057,186.56, and the Fund will become negative. As a result, the General Purpose Fund will need to cover the costs associated with this program until such time as the City Council authorizes the special assessments and the cost covering administrative fee is recovered from the delinquent property owners.

### **PUBLIC OUTREACH / INTEREST**

Property owners were notified and an administrative hearing for delinquent mandatory trash bills was held on November 2, 2021 and on February 1, 2022, to hear protests and resolve any inconsistencies or inequities raised by property owners regarding the non-payment of delinquent trash charges. Property owners were afforded the opportunity to complete an Administrative Hearing Questionnaire to protest and resolve any inconsistencies or inequities by November 1, 2021 and January 28, 2022, however submission of the questionnaire was not mandatory. As a result of the administrative hearing process, 479 cases were removed from the list.

The public hearing is considered the time at which the City Council formally opens the hearing and ends when the City Council formally closes the hearing during a City Council meeting. At the public hearing, the Council will hear the City Administrator's report on delinquent trash service fees and proposed assessments, along with any objections or protests which may be raised by any of the property owners or other interested persons regarding the delinquent charges for trash services rendered.

## **COORDINATION**

In coordination with the Revenue Management Bureau, Budget Bureau, Oakland Public Works, and Department of Race and Equity, this agenda report, resolutions, and supporting documents have been reviewed and/or approved for fiscal implications.

## **SUSTAINABLE OPPORTUNITIES**

***Economic:*** The collection of delinquent trash charges has no economic impact.

***Environmental:*** There are no environmental opportunities resulting from the recordation of special assessments.

***Race & Equity:*** An abbreviated race and equity analysis was performed for this item. The race and equity indications are as follows: The mandatory nature of trash collection applied to all homeowners is inherently regressive. A regressive fee will have a disproportionate effect on the lower social economic groups. Council Districts 6 and 7 have higher delinquency rates and these districts have more disparate social economic indicators. However, a direct correlation cannot be made that the mandatory trash fee and collection process exacerbates the disparity. Several additional factors can influence the final determination. Those factors are the number of repeat delinquent accounts, the ratio of owner-occupied accounts versus landlord-tenant accounts, a homeowner or tenant's ability to stop service or initiate service, the economic incentives and disincentives to allow an account to become delinquent and matriculate through the collections process.

Even without a full determination of the impact, the current processes for handling delinquent trash collections have several mitigating factors. The delinquent account holder is provided with continuous trash service and there is no threat of service stoppage. There is a 5 to 12-month window to resolve the delinquency prior and up to the assessment being placed on the tax bill. The Public Hearing functions as a "final appeal" option for delinquent account holders to have individual consideration from the City Council. Finally, the assessment is not a tax lien, the City cannot take possession of the property for non-payment.

**ACTION REQUESTED OF THE CITY COUNCIL**

Staff Recommends That The City Council Adopt A Resolution Accepting And Confirming Reports Of The City Administrator For Delinquent Trash Service Fees With Administrative And Special Assessment Charges As Necessary Pursuant To Chapter 8.28 Of The Oakland Municipal Code, And Directing The Notice Of Special Assessment Charges Be Turned Over To The County Tax Collector For Collection For The Monthly Periods Of July, August, September, October, November, December 2021, Quarterly Periods Of October-December 2021 and January-March 2022.
