- 4. Estimate of the cost of providing the improvements and activities for upcoming fiscal year. See attached budget
- 5. Method and basis of levying the assessment.

 The method and basis of levying the assessment has not changed from the adoption of the original

ordinance; however, the Montclair Village Association (MVA) Board is recommending a 5% increase across all categories beginning January 1, 2024 (unanimously approved at the January 18, 2023, MVA Board meeting). Increases to the assessment of up to 5% per year are allowable per the "Annual Assessment Adjustments" section (page 7) of the "Final Management District Plan For Montclair Business Improvement District" dated August 1, 2001 as follows:

"Since Montclair Village is, for all intents and purposes, built out, there will probably not be any significant commercial expansion in the village, Therefore, the only way to have the district keep up with the cost of inflation is to make such a provision with the plan. Only the Management Corporation Board of Directors shall have the option to exercise and recommend an increase in assessments annually, not to exceed 5% of the previous year's assessments."

Extra funds are necessary to keep up with rising costs and inflation; costs of expenses, paid labor and contracted work have increased. The funds will be used to pay market rate contractors. Therefore the Montclair Village Association (MVA) Board has approved a 5% increase across all categories beginning January 1, 2024. Please refer to the updated Assessment Table dated 2024 for rates (attached).

Budget categories below reflect the original terminology of the Montclair Business Improvement District Final Management District Plan Exhibit C to read: Economic Restructuring, Promotions & Design Committees, Organization/Administration Committee

6. Surplus or Deficit for 2023 to be carried over from previous calendar year

There is no projected carryover.

See attached budget.

7. The amount of any contributions to be made from sources other than assessments levied.

Other than assessments levied, funds will be generated from fundraiser events, Pacific Fine Arts
Festivals, and from management of the Montclair Village Parking Garage, fundraiser events like the
Montclair Beer, Wine & Music festival, and funds from the Associate Member program, started in
mid-2010, and are estimated to be approximately \$55,000
