RESOLUTION RECOGNIZING THE DEVASTATING EFFECT OF THE FORECLOSURE CRISIS ON LOCAL COMMUNITIES, APPRECIATING THE CITY OF RICHMOND'S LEADERSHIP IN EFFORTS TO ASSIST HOMEOWNERS AT RISK OF FORECLOSURE TO REMAIN IN THEIR HOMES.

WHEREAS, the financial crisis has devastated local communities as nine million Americans have lost their jobs, 10 million families have owed more on their mortgages than their homes are worth, and state and local governments have faced crippling budget crises; and

WHEREAS, over 12,000 households in Oakland have been displaced as a result of mortgage foreclosure between 2007 and September 2013, with 1 in 14 households losing their home to foreclosure and 1 in 7 households at risk of foreclosure; and

WHEREAS, defaulted and foreclosed properties throughout the city continue to significantly impact our neighborhoods by attracting trespassers and transient occupants that foster and enable criminal activities including theft, vandalism, prostitution and the sale and use of narcotics and other controlled substances; and

WHEREAS, defaulted and foreclosed properties throughout the city continue to be a significant and unnecessary discourager to economic development and contributor to the decline of property values in neighborhoods; and

WHEREAS, defaulted and foreclosed properties impose additional financial burdens on neighbors, prospective purchasers and the business community in Oakland; and

WHEREAS, residents and workers in the City of Oakland continue to have difficulty accessing capital to purchase or refinance their homes; and

WHEREAS, the City of Richmond, California was particularly hard hit by the foreclosure crisis, where roughly half of all homeowners with mortgages in the City are

underwater, meaning the homeowner owes more on his or her mortgage than the home is worth; and

WHEREAS, homeowners who are severely underwater on their mortgages are 150% to 200% more likely to default on their mortgages; and

WHEREAS, the foreclosure prevention efforts that have been implemented thus far at the local, state, or federal levels have failed to adequately address the crisis; and

WHEREAS, the City of Oakland has been working with community groups and lenders and servicers on foreclosure prevention and principal reduction strategies, including the development of new efforts to assist larger numbers of residents, now, therefore, be it

RESOLVED: That City Council of the City of Oakland, appreciates the City of Richmond's leadership in efforts to assist homeowners at risk of foreclosure to remain in their homes. And supports the City of Richmond and any other city or community that attempts to save homes and save neighborhoods; and be it

FURTHER RESOLVED: That the Oakland City Council calls on **Wall Street** banks, and other financial institutions to stop threatening our communities with reprisals and litigation and instead work with them to negotiate principal reduction for underwater mortgages to current market values in order to the stop the housing crisis, strengthen local economies and help keep families in their homes; and be it

FURTHER RESOLVED: That the Oakland City Council requests that lenders and servicers to continue or begin to work with City staff and community partners on achieving principal reduction outcomes for eligible Oakland homeowners and requests State and Federal support for these efforts.
