OAKLAND CITY COUNCIL

RESOLUTION No. 85305 C.M.S.

Introduced by Councilmember _____

A RESOLUTION EXTENDING UNTIL DECEMBER 31, 2015 THE EXPIRATION DATE OF PERMITS ISSUED UNDER THE AUTHORITY OF TITLE 17 OF THE OAKLAND MUNICIPAL CODE (PLANNING CODE), CREEK PROTECTION PERMITS ISSUED UNDER THE AUTHORITY OF CHAPTER 13.16 OF THE OAKLAND MUNICIPAL CODE, AND DEVELOPMENT-RELATED TREE PROTECTION PERMITS ISSUED UNDER THE AUTHORITY OF CHAPTER 12.36 OF THE OAKLAND MUNICIPAL CODE THAT OTHERWISE WOULD EXPIRE ON OR PRIOR TO JANUARY 1, 2015 OR DURING 2015, UPON REQUEST AND PAYMENT OF THE ADMINISTRATIVE FEE

WHEREAS, the extraordinary economic downturn, housing market decline, and difficulty in obtaining loans has resulted in construction projects being stalled, despite having completed the planning approval process which often entails substantial costs and time; and

WHEREAS, the City Council wishes to encourage investment and revitalization activities in our neighborhoods and corridors and encourage the improvement of vacant or underutilized land and deteriorated buildings; and

WHEREAS, Senate Bill 1185, approved by the Governor on July 15, 2008, provided one year extension to approval of tentative subdivision maps, which allows cities to preserve development applications that are set to expire and that cannot be processed presently due to prevailing adverse economic conditions in the construction industry; and

WHEREAS, on July 15, 2009, the Governor signed AB333, which further extended by 2 years the life of vesting tentative and tentative maps that had not already been expired and that otherwise would have expired before January 1, 2012; and

WHEREAS, on July 15, 2011, the Governor signed AB208, which extends the expiration of tentative maps and vesting tentative maps that would have expired between the bill's passage date and January 1, 2014 and also applies to projects that were extended pursuant to AB333; and

WHEREAS, on July 11, 2013, the Governor signed AB116, which extends the expiration of tentative maps and vesting tentative maps that were approved after January 1, 2000 and unexpired as of July 11, 2013 by a period of 2 years, and

WHEREAS, the economic downturn has showed some signs of recovery in Oakland, but not to the extent that smaller projects have pulled, or will pull, building permits in 2013; and

WHEREAS, extending the validity of planning related approvals granted by the city would help retain investment in the City of Oakland at no cost to the City; NOW, THEREFORE, BE IT

RESOLVED, that the expiration date of permits issued under the authority of the Oakland Municipal Code (OMC) Title 17 (planning Code), Creek Protection Permits issued under the authority of OMC Chapter 13.15 and Development Related Tree Protection Permits issued under the authority of Chapter 12.36 expiring on or before January 1, 2015 or during 2015 is hereby extended through December 31, 2015, upon timely request and payment of administrative extension fee in the Master Fee Schedule (Ordinance No. 12880 CMS), except as provided below; and be it

FURTHER RESOLVED, That this extension shall not apply to properties that (a) have been issued an administrative citation under OMC Chapters 1.08 (“Civil Penalties”) and/or 1.12 (“Administrative Citation”); or (b) are the subject of any civil litigation/lawsuits by the city to abate blight, nuisances and/or enforce codes/standards unless (i) the project sponsor has abated the blight, nuisance and/or violations of codes or standards, and paid any and all outstanding fines and penalties prior to the end of the one- year extension time period or in accordance with an approved Compliance Plan, whichever is earlier and or (ii) such violations or penalties are under timely appeal. Furthermore, in the event that a property included in a permit that has been extended to this resolution receives a new notice of violation for blight, nuisance or violation of codes/ standards, an administrative citation, civil penalty or is involved in litigation as stated above that is not timely corrected and no timely appeal is filed, the City may terminate said extension; and be it

FURTHER RESOLVED, that this extension shall only apply to active permits – those which work has been initiated and diligently pursued or that have not otherwise expired at the time of the extension request – provided however the request for extension was received by the planning and Building Department on or prior to January 31, 2015; and be it

FURTHER RESOLVED, that the decision to grant an extension is ministerial, but that the appeal section contained in Oakland Municipal Code Chapter 17.132 applies to the administrative determination and interpretations made pursuant to this resolution (with respect to payment of fee, validity of permit and blight status); and be it

FURTHER RESOLVED, that any projects/applications which are seeking extensions, shall be subject to, agree to and pay any development impact fees that are eventually adopted by the City Council unless a vested right is obtained prior to the impact fee adoption date and such project is diligently pursued toward completion, as reasonably determined by the Planning Director or designee.
