RE: Resolution Initiating the Fiscal Year 2011-12 Assessment Process for the City of Oakland Landscaping and Lighting Assessment District and Authorizing the City Administrator to Order a Preliminary Engineer's Report Pursuant to the California Streets and Highways Code

SUMMARY

In compliance with the California Streets and Highways Code, Section 22622, a resolution has been prepared initiating the annual assessment process of the Landscaping and Lighting Assessment District (LLAD) for the FY 2011-12 property tax roll. The resolution describes any proposed new improvements or substantial changes in existing improvements, and authorizes the City Administrator to order the District Engineer to prepare and file a Preliminary Engineer's Report for this district with the City Clerk.

FISCAL IMPACT

This report is for the purpose of initiating the annual assessment process for the LLAD. Per Resolution No. 81740 C.M.S., the contractual agreement with Francisco & Associates, Inc. can be extended for two years through December 31, 2012. The contract extension is currently being finalized by the Department of Contracting and Purchasing and includes the service and cost of preparing the Annual Report. No additional funding is requested.

BACKGROUND

The California Landscaping and Lighting Act of 1972 (California Streets and Highways Code Sections 22500-22679) allows local government agencies to form assessment districts for the purpose of financing the costs and expenses of landscaping and lighting public areas, among other things. The City of Oakland formed a Landscaping and Lighting Assessment District and established the current assessment rates on June 23, 1989. In 1993, Oakland voters reconfirmed its existence. The LLAD, utilizing a direct benefit assessment, provides a funding source for city parks, grounds and medians, open space, pools, and custodial services at 25 Park and Recreation centers and Field Restrooms. The LLAD also supports activities outside the Public Works

Agency such as community gardens, ball field maintenance, and museum landscape maintenance.

In addition, the LLAD supports the ongoing maintenance of all Park and Recreation facilities including the structures and accessory uses such as the 76 tot lots, water fountains, bleachers, park furniture, and many other outdoor features. The LLAD funds the utility costs for the City's street lights and all park and field-related water use.

The California Streets and Highways Code, Sections 22620-22631, applies to all assessments that are to be levied and collected for a fiscal year, within an existing assessment district. The code describes the requirements for levying assessments as follows:

1. Request a preliminary engineer's report describing any proposed new improvements, or any substantial changes in existing improvements. (This step is the subject of this City Council report and resolution.)
2. Approve the Engineer's Report and adopt a resolution of intention. The resolution of intention declares the City Council's intention to levy and collect assessments within the LLAD for the fiscal year. It also states whether the assessment is proposed to change from the previous year and sets a date, hour, and place for a public hearing.
3. Conduct the public hearing affording all interested parties the opportunity to hear and be heard. The public hearing is scheduled to occur at 6:30 p.m. on June 7, 2011.
4. Adopt a resolution confirming the information in the Engineer's Report and the levy of the assessment within the LLAD for the fiscal year.

The City of Oakland collects the LLAD assessment through the County of Alameda property tax bill. Upon fulfillment of the requirements for the LLAD, the City of Oakland must submit the assessments to the Alameda County Auditor for inclusion in the FY 2011-12 property tax roll by August 10, 2011.

KEY ISSUES AND IMPACTS

The purpose of this report and resolution is to initiate the FY 2011-12 assessment process of the LLAD. For inclusion in the FY 2011-12 property tax roll, detailed assessment data for all affected properties are due to the Alameda County Auditor-Controller Agency by August 10, 2011. The proposed resolution orders the preparation of a preliminary Engineer's Report, which will set forth the findings and engineering analyses for the LLAD.

Fund Balance

The LLAD Fund is projected to have a negative fund balance of \$3.8 million at the end of FY2010-11. On October 21, 2008, the City Council adopted to address the negative fund balance through one-time revenues from land sales. However, on May 19, 2009, the City Council reallocated those revenues in balancing measures to address projected deficits in the General Purpose Fund. The LLAD negative fund balance was identified in the Financial Management Agency Report of March 23, 2010 as "negative funds requiring one-time revenues". No new plan to eliminate the negative fund balance has been proposed at this time.

Operating Costs

Preliminary FY2010-11 Third Quarter Revenue and Expenditure figures indicate that revenues will exceed expenditures by \$0.9 million. This projected year end savings is mainly due to under-spending of the personnel services budget and fleet reduction in the Public Works Agency.

In addition, a 39% reduction in Tree Services has left personnel in an emergency response mode. All routine tree pruning was eliminated leading to increased after-hours calls, which are responded to through the use of overtime. Service responses are purely reactive to hazardous tree abatement and limb removal which pose emergency health and safety concerns.

SUSTAINABLE OPPORTUNITIES

There are no direct economic, environmental, or social equity opportunities or impacts associated with the City Council action requested in this report.

DISABILITY AND SENIOR CITIZEN ACCESS

There is no direct impact to people with disabilities or to seniors associated with the City Council action requested in this report.

RECOMMENDATION(S) AND RATIONALE

Staff recommends that the City Council approve the proposed resolution.

ACTION REQUESTED OF THE CITY COUNCIL

Staff requests that Council authorize the City Administrator to order a preliminary LLAD Engineer's Report pursuant to the California Streets and Highways Code.

OAKLAND CITY COUNCIL

Resolution No. _____ C.M.S.

RESOLUTION INITIATING THE FY 2011-12 ASSESSMENT PROCESS FOR THE CITY OF OAKLAND LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT AND AUTHORIZING THE CITY ADMINISTRATOR TO ORDER A PRELIMINARY ENGINEERS'S REPORT PURSUANT TO THE CALIFORNIA STREETS AND HIGHWAYS CODE

WHEREAS, the City of Oakland Landscaping and Lighting Assessment District (LLAD) was established on June 23, 1989 under the authority of the California Streets and Highways Code Section 22500, et seq., known as the Landscaping and Lighting Act of 1972; and

WHEREAS, the City desires to initiate the FY 2011-12 LLAD assessment for properties within the district boundaries; and

WHEREAS, the California Streets and Highways Code Section 22622 requires that the City Council adopt a resolution describing any proposed new improvements, or any substantial changes in existing improvements, and order the District Engineer to prepare and file a report with the City Clerk for further submission to the City Council; now, therefore be it

RESOLVED: That the existing boundaries of the LLAD remain the same as those described in the FY 2010-11 Engineer's Report approved by the City Council, Resolution No. 82807 C.M.S., on June 01, 2010; and be it

FURTHER RESOLVED: That regular capital improvements to existing facilities and amenities within the LLAD are necessary to maintain and enhance these assets and are performed as funding is available to support these improvements; and be it

FURTHER RESOLVED: That the City Council initiates the annual assessment process for the City of Oakland Landscaping and Lighting Assessment District for FY 2011-12; and be it

FURTHER RESOLVED: That the City Council authorizes the City Administrator to order a Preliminary Engineer's Report for FY 2011-12 for the City of Oakland Landscaping and Lighting Assessment District; and be it

FURTHER RESOLVED: That the Preliminary Engineer's Report shall be filed with the City Clerk for submission to the City Council for further action.
