27. Equal Benefits Ordinance

If the contract amount of this Agreement is equal to or greater than \$25,000, this

Agreement is subject to the City's Equal Benefits Ordinance ("EBO"), Title 2, Chapter 2.32 of the Oakland Municipal Code and its implementing regulations, which prohibits the City from contracting with entities that discriminate in the provision of employee benefits between employees with spouses and employees with domestic partners, and/or between domestic partners and spouses of such employees. The EBO only applies to those portions of a contractor's operations that occur (1) within the City of Oakland; (2) on real property outside the City if the property is owned by the City or if the City has a right to occupy the property, and if the contractor's presence at that location is connected to a contract with the City; and (3) elsewhere in the United States where work related to a city contract is being performed. Under Ordinance No. 11478 C.M.S., it is the City's policy to minimize the expenditure of City funds on goods and services produced by nuclear weapons makers and Contractor is urged to comply with this policy in making purchases and subcontracts. The City may abandon or indefinitely postpone the project or the services for any or all of the projects under this Agreement at any time. In such event, the City shall give Contractor thirty (30) days written notice of such abandonment and termination of Agreement. In the event of abandonment prior to completion of the final drawings, if applicable, and cost estimates, Contractor shall have the right to expend a reasonable amount of additional time to assemble work in progress for the purpose of proper filing and closing the job. Prior to expending said time, Contractor shall present to the City a complete report of said proposed job closure and its costs, and the City may approve or reject all or any part of said proposed costs. Such additional time shall not exceed ten percent (10%) of the total time expended to the date of notice of termination. All charges thus incurred and approved by the City, together with any other charges outstanding at the time of termination, shall be payable by the City within thirty (30) days following submission of a final statement by Contractor. Each party to this Agreement acknowledges that no representations, inducements, promises, or agreements, orally or otherwise, have been made by any party, or anyone acting on behalf of any parties, which are not contained in this Agreement, and that no other agreement, statement or promise not contained in this Agreement will be valid or binding.

Within thirty (30) days of completion of the performance under this Agreement, Contractor shall make a determination of any and all final costs due under this Agreement and shall submit a requisition to the City for such final and complete payment (including without limitations any and all claims relating to or arising from this Agreement).
