Dear Mr. Ho,

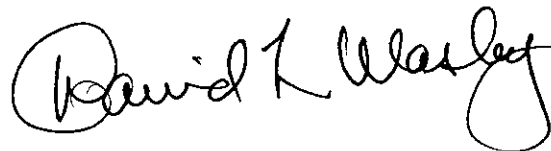

Enclosed please find a petition to remove from the Residential Permit Parking program the block of Hudson St. between Boyd Ave. and Lawton Ave.

There are 18 residential units in the 11 buildings with frontage on this block of Hudson St. We provided information about the RPP to residents of all units as well as pros and cons of the RPP program in our area. The enclosed petition contains signatures representing 10 of those units. Seven units never contacted us and one declined to sign the petition.

Please let me know when we should expect to learn the results of this petition.

Thank you again for your help, and patience, in this matter.

Sincerely,
