Oakland City Council
Oakland, California

President Brunner and Members of the City Council:

RE: Receive an Informational Report on the Complete List of Stimulus Grant Opportunities for which the City of Oakland has applied and the List of Grant Opportunities which received no applications from the City of Oakland with all Due Dates for all Grant Opportunities

The City of Oakland has applied for all stimulus grant opportunities for which it is eligible. Updated information on grant applications are provided on the City's stimulus website: www.oaklandstimulus.com. A print out of the grants matrix from the website is attached. Additional information is also available on the website.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Dan Lindheim", written over a horizontal line.

City of Oakland Stimulus Grants • American Recovery & Reinvestment Act of 2009

This chart includes grants for which the City of Oakland is eligible.
For a complete list of Recovery Act opportunities, please visit [http://www.oaklandca.gov](#) or [http://www.recoveryact.gov](#)

Grant	Type	Amount Applied For	Deadline	Agency	Estimated Jobs Generated ^[1]
		Amount Received		Purpose	
Assistance to Firefighters Fire Station Construction Grant	Competitive	Applied for \$15,000,000	7/10/09	U.S. Department of Homeland Security (DHS) Federal Emergency Management Agency (FEMA)	217
		Not Pending		This grant may be used for construction of new fire stations or modifications to existing fire stations.	
Broadband Technology Opportunities Program	Competitive	Applied for \$4,901,619	8/14/09	U.S. Department of Commerce (DOC) National Telecommunications and Information Administration (NTIA)	80
		--		This grant would fund Get Connected Oakland, a public private partnership utilizing broadband technology to solve problems of access to broadband, education, healthcare, and employment opportunities, serving 174,386 residents in 38 public and community computer centers.	
Brownfields Assessment	Competitive	Applied for \$600,000	4/20/09	U.S. Environmental Protection Agency (EPA)	3 jobs retained
		Awarded \$600,000 on 5/8/09		EPA has selected the City of Oakland for 3 Brownfields Assessment Grants: 1) a \$200,000 community-wide petroleum assessment grant for West Oakland; 2) a \$200,000 community-wide hazardous substances assessment grant for West Oakland; and 3) a \$200,000 environmental assessment and soil and groundwater evaluations grant for a two-acre site at Foothill Boulevard and Seminary Avenue. The two-acre site has 11 parcels that have been used for various commercial activities, including a dry cleaner, printer, and auto repair garage. Grant funds will also be used to support community outreach activities.	
Brownfield Cleanup Revolving Loan Fund (BCRLF) Supplemental Request	Competitive	Applied for \$1,000,000 on 2/12/09; \$3,750,000 on 4/30/09	1st Grant: 2/12/09 2nd Grant: 5/1/09	U.S. Environmental Protection Agency (EPA)	Through the leveraging and revolving nature of the fund, could result in an estimated 2,807 jobs in soil excavation and removal; in-situ soil & groundwater treatment; and construction ^[2]
		Awarded \$400,000 on 6/26/09 from the EPA program that combined ARRA and non-ARRA funds		The BCRLF funding allows the City of Oakland to act as a partner to the EPA to provide low-interest loans and or grants to eligible parties for the cleanup of contaminated properties. The EPA guidelines require that projects contribute to the creation of jobs, and the program requires the ongoing documentation of job creation through environmental jobs (cleanup activities), construction jobs, and/or permanent jobs. The City of Oakland anticipates applying these funds towards the remediation of sites that will be used for housing, transit-oriented projects, parks and green industry. NOTE: This grant is available only to previous grant awardees. Oakland is a previous grantee and has used BCRLF funds towards projects such as restoration of Willow Park and 26 affordable housing units on a former industrial site (Habitat for Humanity).	
California Clean Energy Workforce Training Program	Competitive	City of Oakland partnered with Laney	9/16/09	State of California Energy Commission, Workforce Investment Board, Employment Development Department, California Labor and Workforce Development Agency	TBA

Grant	Type	Amount Applied For	Deadline	Agency	Estimated Jobs Generated ⁽¹⁾
		Amount Received		Purpose	
<u>Clean Cities Fiscal Year 2009 (FY09) Petroleum Reduction Technologies Projects for the Transportation Sector</u>	Competitive	Community College's application for \$1,000,000	5/29/09	<p>Utilizing ARRA and non-ARRA funds, the State of California is investing \$23 million to fund workforce training in clean energy industries. This grant seeks to train low income, unskilled, and dislocated workers in "green" skills and develop career pathways in energy efficiency and renewable energy sectors. Laney Community College is serving as the lead agency in partnership with the City of Oakland, Oakland WIB, and community-based organizations. The project will provide training opportunities for 125 to 150 residents in energy efficiency, renewable energy, and renewable transportation technology.</p> <p>U.S. Department of Energy (DOE) National Energy Technology Laboratory (NETL)</p> <p>The City of Oakland is part of a regional application for this grant and-along with the City and County of San Francisco and City of San Jose-is an "anchor" partner. The Bay Area Air Quality Management District (BAAQMD) will serve as the region's lead agency. Funds from this grant will be used towards (i) supporting purchase of 3 Toyota Prius gasoline-electric hybrid vehicles as replacements for City's fleet; (ii) supporting purchase of 2 Toyota Prius gasoline-electric hybrid vehicles that will be converted, post-purchase, into plug-in electric vehicles (PHEVs); (iii) purchase of 2 medium-duty diesel-electric hybrid utility vehicles to replace 2 overaged traffic maintenance vehicles; and (iv) upgrade of 3 existing electric vehicle charging stations in the City.</p>	12 job hours
		Application awarded \$1,000,000 on 10/1/09			
		Applied for \$272,000			
		Regional application not awarded			
<u>Clean Water State Revolving Fund (CWSRF) - Rain Barrel Program</u>	Competitive	Applied for \$1,300,000	4/30/09	<p>U.S. Environmental Protection Agency (EPA) and California Environmental Protection Agency State Water Resources Control Board (CA SWRCB)</p> <p>Pursuant to The City of Oakland's 25-year Regional Water Quality Control Board mandated Compliance Plan, applications were submitted for rehabilitation of sanitary sewers and structures in various Oakland sub-basins. Funds from this grant will provide rain barrels, rebates, and technical guidance to allow Oakland's residents to mitigate stormwater impacts to local and regional water resources and to re-use rainwater for irrigation purposes. The program will monitor rain barrel use patterns, user satisfaction, user education, and effectiveness.</p>	TBA
		Awarded \$1,300,000 on 9/22/09			
<u>Clean Water State Revolving Fund (CWSRF) - Stormwater Treatment Projects</u>	Competitive	Applied for \$3,450,000	4/30/09	<p>U.S. Environmental Protection Agency (EPA) and California Environmental Protection Agency State Water Resources Control Board</p> <p>To install stormwater separators, inlet inserts, inlet screens, booms and sea curtains to directly and effectively reduce nonpoint source pollutants at Lake Merritt and the Oakland Estuary.</p>	TBA
		Awarded \$3,450,000 on 8/10/09			
<u>COPS (Community Oriented Policing Services)</u>	Competitive	Applied for \$67,746,788	4/14/09	<p>U.S. Department of Justice (DOJ) Office of Community Oriented Policing Services (COPS)</p> <p>Funds will be used to hire 41 law enforcement officers, thereby generating additional jobs for the local economy, enhancing crime prevention and economic growth throughout Oakland, and raising further tax revenue. The funds will cover the entry level salary and benefits of police officers for 36 months. The grant requires that thereafter, the City of Oakland, at its sole expense, must retain the hired officer(s) for at least 1 subsequent local budget cycle after expiration of the 36-month grant term.</p>	41
		Awarded \$19,747,117 on 7/1/09			
<u>Community Development Block Grant</u>	Formula Allocation	-	6/5/09	<p>U.S. Department of Housing and Urban Development (HUD)</p> <p>Building upon existing City housing rehabilitation loan programs, the City is developing a new weatherization revolving loan fund that will provide for up to \$30,000 in loans to eligible low to moderate income homeowners. Loan terms include 0% to 3% interest payable upon resale, title transfer or refinancing. Community benefits include weatherization retrofits and energy cost savings for low to</p>	108
		Received \$2,259,921 on 8/25/09			

Grant	Type	Amount Applied For	Deadline	Agency	Estimated Jobs Generated ^[1]
		Amount Received		Purpose	
<u>Community Services Block Grant (CSBG)</u>	Formula Allocation	—	5/11/09	U.S. Department of Health and Human Services (DHHS)	153
		Receiving \$1,200,000		<p>moderate income homeowners, stimulating demand for green sector employment, neighborhood blight reduction, and reduction of carbon foot print.</p> <p>In response to the federal grant guidelines, the Oakland Community Action Partnership (OCAP) plans to pilot an intensive training and transitional employment program designed to create some 153 employment opportunities for Oakland's hard-to-serve low-income residents, thereby stimulating the City's economy. Pursuant to the Recovery Act's requirement that projects be "shovel-ready" in order to receive funding, the proposed OCAP training and employment plan will use existing resources while expanding and establishing new linkages to ensure that challenges or gaps identified by providers and participants are addressed in a timely manner. In order to ensure optimal use of the grant funds and adhere to the relevant federal guidelines, program partners and participants will continue to utilize the existing Oakland Private Industry Council (PIC) One-Stop Career Center and the Bay Area's 211 system. OCAP's comprehensive plan will also enable providers to benefit from the wide range of collaborative efforts around workforce development (WIB, EDD), community development (CDGB), Alameda County Social Services Agency (GA, TANF), Earned Income Tax Credit, Bank on Oakland, Oakland's Families Building Wealth IDAs, Oakland's Food Stamp enrollment program, and Oakland's Measure Y Violence Prevention and Intervention Initiative. Specifically, the proposed training programs will focus on low-skill employment opportunities in Green Jobs/Weatherization, Building Trades/Home Rehabilitation and Logistic/Warehousing.</p> <p>More information is available at OCAP's website.</p>	
<u>Early Head Start (COLA & Quality Improvement Only)</u>	Formula Allocation	—	5/13/09	U.S. Department of Health and Human Services (DHHS)—Administration for Children and Families (ACF)	TBA
		Received \$150,771 on 6/30/09		<p>To help improve staff compensation and training, upgrade Head Start centers and classrooms, increase hours of operation and enhance transportation services. Funds will also help to bolster coordination between Head Start, Early Head Start and state-run early childhood care and education programs by providing grants to states to establish advisory councils on early childhood education and care.</p> <p>Note: These funds are only for cost-of-living adjustments (COLA) and Quality Improvement. There will be separate funding for Program Expansion (details forthcoming).</p>	
<u>Early Head Start (Expansion)</u>	Competitive	Applying for \$5,000,000+	7/9/09	U.S. Department of Health and Human Services (DHHS)—Administration for Children and Families (ACF).	25
		AWARDED 12/1/09		The Oakland Early Head Start Program will, directly and through contract agreements and MOUs with strategic community partners, provide Early Head Start services to approximately 96 families, including pregnant women, infants and toddlers, in Oakland, during the program year that begins September 1, 2009 through August 31, 2011.	
<u>Edward Byrne Memorial Justice Assistance Grant (JAG)-Competitive</u>	Competitive	Applied for \$15,463,498	4/27/09	U.S. Department of Justice (DOJ) Office of Justice Programs (OJP), Bureau of Justice Assistance (BJA)	TBA
		Not awarded		The City of Oakland applied under 3 of the Byrne grant categories: i) Category I-Prevent and Reduce Violent Crime; ii) Category IV-Hire Civilian Support Personnel in Law Enforcement (training staff, analysts, dispatch staff, etc.); and iii) Category V-Enhance Forensic and Crime Scene Investigators. The Byrne competitive grant will be applied towards, among other things, restorative justice programming, expanding street outreach services in Oakland's highest "stressor" police beats, enhancing the Neighborhood Services Division (NSD) by hiring 4 new Neighborhood Services Coordinators, hiring 2 new Police Services Technicians, establishing programming to decrease ethnic minority male high school student	

Grant	Type	Amount Applied For	Deadline	Agency	Estimated Jobs Generated ^[1]
		Amount Received		Purpose	
<u>Edward Byrne Memorial Justice Assistance Grant (JAG)-Formula</u>	Formula Allocation	--	--	drop-out rates with tutorial, mentoring and case management services, establishing a communications network with junior high and high school age students regarding crime, violence and prevention strategies, and more.	TBA
		Received \$3,212,330 on 3/1/09		Department of Justice (DOJ) Office of Justice Programs (OJP), Bureau of Justice Assistance (BJA) Funds will be used to prevent and control crime and improve public safety in the City of Oakland. These include officer training, crime analysis (including Compstat), special enforcement, tactical and operational equipment, technology, the 911 Recorder, and accountancy services.	
<u>Energy Efficiency & Conservation Block Grant (EECBG)</u>	Formula Allocation	--	6/25/09	U.S. Department of Energy (DOE) Office of Energy Efficiency and Renewable Energy (EERE), Office of Weatherization and Intergovernmental Programs (WIP)	39 jobs (22,210 job hours)
		Received \$3,919,200 on 8/31/09		Provides funds to develop and implement projects to improve energy efficiency and reduce energy use and fossil fuel emissions in their communities.	
<u>Energy Training Partnership Grant</u>	Competitive	Applying for \$4,992,546	9/4/09	U.S. Department of Labor	TBA
		--		The grant was a regional application submitted by California State University, East Bay in partnership with the City of Oakland, other cities, workforce investment boards, community colleges, labor and community-based organizations, and employers. The grant would fund the East Bay Green Careers Initiative which seeks to serve dislocated workers including from the construction, auto, and Port industries, as well as veterans in re-training into emerging green sectors of residential building retrofit and transportation engineering/construction. Training courses and professional certifications would be offered at the community colleges.	
<u>Head Start</u>	Formula Allocation	--	5/13/09	U.S. Department of Health and Human Services (DHHS), Administration for Children and Families (ACF)	TBA
		Received \$744,625 on 6/30/09		<u>Note:</u> These funds are only available for cost-of-living adjustments (COLA) and Quality Improvement. There will be separate funding for Head Start Program Expansion (details forthcoming). This grant will help to ensure that compensation is adequate to attract and retain qualified staff for Head Start programs. In addition to improving staff qualifications, the funds will help to implement career development programs for staff that support ongoing improvement of skills and expertise. The grant will enable teachers to complete postsecondary coursework, become certified bilingual education teachers, and become certified to teach and provide services to children with disabilities. Any remaining funds shall be used to support further staff training, child counseling, and other services necessary to address the challenges of children from immigrant, refugee and asylee families, homeless children and children in foster care, and other underserved children.	
<u>Homelessness Prevention Fund</u>	Formula Allocation	--	5/18/09	U.S. Department of Housing and Urban Development (HUD)	5.5
		Received \$3,458,120 on 5/1/09		Funds will be used towards a coordinated system for homelessness prevention and rehousing services. Activities to be funded include costs of direct payment for housing costs both to rapidly re-housed persons who have lost their housing or are temporarily and precariously housed, as well as towards keeping people in housing that they have. Funding will also be used for rental assistance which includes rental arrears and rental subsidies, moving costs and hotel vouchers for shelter diversion. The grant will also be used to fund case management, outreach, housing locators, legal services, and credit repair. The City of Oakland will also invest these funds into our county-wide Homeless Management Information System (HMIS) so that new providers are brought into the systems; development of a housing assessment tool that will interface with HMIS data and be completed in real time; and tracking and analyzing utilization patterns of households requesting and receiving HPRP assistance.	

Grant	Type	Amount Applied For	Deadline	Agency	Estimated Jobs Generated ^[1]
		Amount Received		Purpose	
Homelessness Prevention Fund	Competitive	Applied for \$900,000	7/30/09	(Note: these funds must serve persons whose incomes do not exceed 50% of area median income). State of California Department of Housing and Community Development (HCD)	4
		--		Funds will be used to support housing placement and financial assistance for transition aged youth (18-24) who are homeless or at risk of homelessness. The grant would serve 148 individuals and 59 families, all under 25% of area median income. Partners on the grant application include First Place for Youth, Covenant House Oakland, and East Oakland Community Project.	
<u>National Surface Transportation System - Federal Highway Administration</u>	Formula Allocation	--	--	U.S. Department of Transportation (DOT), Federal Highway Administration (FHWA)	36 jobs (72,230 hrs)
		Received \$7,223,000 from 2 rounds of funding on 3/31/09 and 6/16/09	Funds from this grant will be used to resurface up to 11 Federal Aid Urban (FAU) eligible streets (primarily arterials and collectors), install ADA-compliant curb ramps in approximately 200 locations and repair sidewalk damage caused by City-owned street trees at an additional 175 locations, and perform preventive maintenance on FAU-eligible streets city-wide along FAU-eligible streets.		
<u>National Surface Transportation System - Federal Highway Administration</u>	Formula Allocation	--	--	U.S. Department of Transportation (DOT), Federal Highway Administration (FHWA)	11 jobs (22,000 hrs)
		Received \$1,300,000 on 9/22/09	Funds from this grant will be used to complete the 7th Street/West Oakland Streetscape Project		
<u>National Surface Transportation System Investment Generating Economic Recovery (TIGER)</u>	Competitive	Application 1: \$19,950,000	9/15/09	U.S. Department of Transportation	TBA
		Application 2: Supporting the Port of Oakland's application for \$56,000,000		Application 1: Support transit-oriented development for the Fruitvale Village Phase II project that will create 275 housing units. Application 2: A joint application with the Ports of Oakland, Stockton, and West Sacramento to fund ship diesel-emissions reduction technology at the Port of Oakland and the development of a marine highway between the 3 Ports.	
<u>Neighborhood Stabilization Program (NSP2)</u>	Competitive	Applying for \$25,000,000	7/17/09	U.S. Department of Housing and Urban Development (HUD) Community Planning and Development	1,740
		--		The Oakland Neighborhood Recovery Project is a strategic approach to ensure short-term stabilization of Oakland's neighborhoods most impacted by the foreclosure crisis by transferring 500 units of abandoned, vacant or foreclosed properties quickly to new homeowners and tenants, and also long-term and equitable community stabilization. The Project will preserve existing multi-unit family rental housing; provide permanent affordable homeownership opportunities for low to moderate income residents through the land trust model; affordable homeownership for moderate income residents through a faith-based organizing and development model; and establishing a neighborhood energy	

Grant	Type	Amount Applied For	Deadline	Agency	Estimated Jobs Generated ⁽¹⁾
		Amount Received		Purpose	
Pathways Out of Poverty	Competitive	Applying for \$4,000,000	9/29/09	retrofit revolving loan fund made available to other low to moderate income residents. The strategy of utilizing revolving loan funds will enable resources to be sustained beyond the funding period. Partners include Urban Strategies Council and the Oakland Community Land Trust, Allen Temple Housing & Economic Development Corporation, East Bay Asian Local Development Agency, and Resources for Community Development.	375
		-		U.S. Department of Labor The Oakland Green Careers Pathway Initiative will train and place low-income residents and develop career pathways in energy efficiency and renewable energy sectors with a focus in weatherization, green construction, and solar installation. The Initiative seeks to develop sustainable employment opportunities for participants through academic literacy development, certification through community college coursework, on the job training, and partnership with union apprenticeship programs. Through partnerships with public entities that have energy related projects, employers, and labor associations we will align training with specific employment opportunities and leverage community-wide supportive services to ensure participant success. Partners include: City of Oakland, Community and Economic Development Agency, Parks and Recreation, Department of Human Services • Oakland Housing Authority • Oakland Workforce Investment Board • Oakland Private Industry Council • Alameda County Departments of Public Health, Social Services Agency, Probation • Building and Trades Council of Alameda County • Unity Council • Growth Sector • East Bay Green Corridor • United Indian Nations • Swords to Ploughshares • Laney Community College • Urban University • Cypress Mandela • Civicorps • Allen Temple Housing & Economic Development Corporation • Men of Valor • SEE Green • Regional Technical Training Center • Alliance for West Oakland Development • PG&E • Webcor • Turner Construction • Swinerton Builders • All Day Electric Co. • Sun's Free Solar • JC3 & Co. • Fidelity Roof Company • Spectrum Inc. • Green Way Building Group.	
Port Security Grant Program	Competitive	The City of Oakland partnered with the Port of Oakland's application for \$5,000,000	6/29/09	Federal Emergency Management Administration (FEMA)	17
		Awarded \$2,900,000 on 9/23/09		The ARRA Port Security Grant Program (PSGP) is an important part of the national administration's broader, coordinated effort to strengthen homeland security preparedness, including the security of the country's critical infrastructure. ARRA PSGP funds will support increased individual port-wide risk management; enhanced domain awareness; and strengthen capabilities to prevent, detect, respond to and recover from attacks involving improvised explosive devices and other non-conventional weapons. Together, the Oakland Fire Department (OFD), OFD's Office of Emergency Services (OES), the Port of Oakland and the Oakland Police Department (OPD) plan to utilize ARRA PSGP funds to establish a Joint Port-OPD-OFD-OES Domain Awareness Center ("Center"). The Center's key objectives will include interoperability (integrating efforts between regional security partners) and a focus on domain awareness, situational awareness and improved response capabilities.	
Senior Community Service Employment Program (SCSEP) - Senior Service America, Inc.	Formula Allocation	- Received \$277,120 on 2/17/09		U.S. Department of Labor Employment and Training Administration This grant will allow the City of Oakland to enroll low-income seniors 55 years of age and older in the SCSEP, a work-based training program, and place them into subsidized part-time community service positions.	N/A
State Coastal Conservancy and	Competitive	Applied for \$1,500,000	4/6/09	U.S. Department of Commerce National Oceanic and Atmospheric Administration (NOAA) - State Coastal Conservancy	N/A

Grant	Type	Amount Applied For	Deadline	Agency	Estimated Jobs Generated ^[1]
		Amount Received		Purpose	
<u>State & Local Law Enforcement and Assistance: Combating Narcotics Activity</u>	Competitive	Application not awarded	4/17/09	For Water Shed Management projects to eliminate trash in local waterways including installation of a storm water separator at the Rotary Nature Center, replacement of the sea curtain at the Coliseum Slough (in partnership with Alameda County), installation of 200 inlet inserts throughout the City, and a public outreach campaign.	TBA
		Applied for \$700,000		U.S. Department of Justice (DOJ) Office of Justice Programs (OJP), Bureau of Justice Assistance (BJA)	
		Application not awarded		The Oakland Police Department applied on behalf of the Northern California High Intensity Drug Trafficking Area (HDTA) for the purpose of supplementing local and regional Crime Suppression Task Force operations focusing on narcotics trafficking, inclusive of eliminating the production, manufacture, transportation, distribution, and chronic use of illegal drugs and money laundering. Funds will be used towards the following activities: i) reduce the levels of narcotics trafficking, gang activity and drug-related crimes throughout Oakland; ii) through community policing efforts, reduce number of locations considered "hot spot" drug sales and in turn reduce violence associated with turf battles; iii) through a joint federal/local law enforcement group/task force, develop a cohesive strategy to suppress narcotics trafficking and violence in our communities; and iv) through a joint federal/local law enforcement task force, decrease gun possession, gun crime and violent crime throughout Oakland and Alameda County.	
<u>Workforce Investment Board: 25% Rapid Response</u>	Formula Allocation	--	--	U.S. Department of Labor (DOL) Employment and Training Administration (ETA) and California Employment Development Department (EDD)	TBA
		Receiving \$536,709	Funds from this grant are to be used for planning and delivering immediate services to assist employers and groups of workers affected by mass layoffs, permanent business closures, or natural or other disasters.		
<u>Workforce Investment Board: Adults</u>	Formula Allocation	--	--	U.S. Department of Labor (DOL) Employment and Training Administration (ETA) and California Employment Development Department (EDD)	TBA
		Receiving \$1,220,952	The federal guidelines require that funds received from this grant must be contracted out for the purpose of providing comprehensive education, training, employment and support services for unemployed adults and youth. To that end, the City of Oakland will allocate these funds to the Oakland Private Industry Council, Inc. (PIC) to fund the following service providers: Oakland PIC One-Stop Career Center, The English Center, The Unity Council, ASSETS Senior Employment Opportunities Program, and Lao Family Community Development, Inc. The federal guidelines also require that funds from this grant be used to provide necessary services to adults to support their entry or reentry into the job market. This grant may also be used to help workers who may need to up-skill or re-skill to compete for limited career opportunities. Training services may include occupational skills training, on-the-job training, programs that combine workplace training and related instruction, entrepreneurship training, job readiness training, adult education and literacy training, and customized training. Funds may also be used to support adult basic education training, including English as a second language.		
<u>Workforce Investment Board: Summer Youth Employment Program</u>	Formula Allocation	--	--	U.S. Department of Labor (DOL) Employment and Training Administration (ETA) and California Employment Development Department (EDD)	TBA
		Received \$2,739,596	Funds from this grant are to be applied towards developing the potential of Oakland's youth as citizens and leaders in the community. This includes teaching our young people the values needed to lead a responsible life and maintain appropriate relationships, not only at work and school, but also in the home environment. A particular focus will be placed on training youth in "green" jobs (i.e., solar, weatherization, wind power design and the use of environmentally-friendly building materials in construction).		

Grant	Type	Amount Applied For	Deadline	Agency	Estimated Jobs Generated ¹
		Amount Received		Purpose	
<u>Workforce Investment Board:</u> <u>Dislocated Workers</u>	Formula Allocation	—	—	The City of Oakland issued a RFP on April 13, 2009 with proposals due on May 1, 2009.	TBA
		Received \$1,805,371		U.S. Department of Labor (DOL) Employment and Training Administration (ETA) and California Employment Development Department (EDD)	
				The federal guidelines require that funds from this grant be used to provide the necessary services to dislocated workers to support their reentry into the recovering job market. Funds must be directed towards supporting dislocated workers in training and job search activities.

		Amount Received		Purpose	
<u>Brownfields Remediation Job Training</u>	Competitive	The City of Oakland supported the application of Cypress Mandela Training Center	4/20/09	U.S. Environmental Protection Agency (EPA)	TBA
		Awarded \$500,000		To provide environmental job training projects that will facilitate job creation in the assessment, remediation, or preparation of brownfields sites for sustainable reuse.	
<u>Diesel Emissions Reduction Competitive Grant & Loan</u> ^[3]	Competitive	The City of Oakland supported the application of BAAQMD	4/28/09 5/5/09	U.S. Environmental Protection Agency (EPA) National Clean Diesel Campaign	TBA
		Awarded \$2 million		The City of Oakland and Port of Oakland jointly supported the application of the Bay Area Air Quality Management District (BAAQMD) for this grant. If awarded, this grant will be used to retrofit and replace on-road and drayage trucks at the Port under the National Clean Diesel Funding Assistance Program. Specifically, the funding will help to address one of the key goals of the Maritime Air Quality Improvement Plan (MAQIP), a master plan that the Oakland Board of Port Commissioners devised to reduce diesel particulate emissions (DPM) in the West Oakland community surrounding the Port. The Port and BAAQMD have already committed \$5 million each towards the MAQIP's goal of reducing emissions earlier than required by regulations.	
<u>Green Jobs Corps - State Stimulus Funds</u>	Competitive	--	5/26/09	U.S. Department of Labor (DOL) & CA Employment Development Department (EDD)	TBA
		The Oakland Green Jobs Corps was part of a regional application led by Peralta Community College District, which received an award of \$937,511		The California Green Jobs Corps pilot program was created to train at-risk youth for technical, construction and other skilled jobs in eco-friendly industries expected to help fuel economic recovery. The funding for this grant is made available by the California Employment Development Department (EDD) and California Volunteers. This grant provides the City with unique opportunities to effectively utilize stimulus funds while also helping to "green" our City while assisting at-risk young people to develop job skills for the emerging green economy. Funds from this grant will enable immediate employment of at-risk Oakland youth, enable youth to continue their education and continue to contribute to their community through community service activities, and fulfillment of youth job training and job placement needs. The City supported the regional application of Peralta Community College District, which served as the Lead Agency in this grant.	
<u>On the Job Training Support Services</u>	Competitive	The City of Oakland supported the application of Cypress Mandela	5/26/09	U.S. Department of Transportation (DOT)	TBA
		Awarded \$55,000		The grant would supplement federal training programs and support the training programs of state departments of transportation for highway construction contractors, apprentices and trainees. The OJT/SS program encourages completion of training programs and promotes training opportunities for minorities and women in skilled and semi-skilled crafts.	
<u>Port Security Grant Program</u>	Competitive	The City of Oakland is supporting the Port of Oakland's application for \$5,000,000	6/29/09	U.S. Department of Homeland Security (DHS)--Federal Emergency Management Agency (FEMA)	17
		--		The ARRA Port Security Grant Program (PSGP) is an important part of the national administration's broader, coordinated effort to strengthen homeland security preparedness, including the security of the country's critical infrastructure. ARRA PSGP funds will support increased individual port-wide risk management; enhanced domain awareness; and strengthen capabilities to prevent, detect, respond to and recover from attacks involving improvised explosive devices and other non-conventional weapons. <u>Public Housing Capital Fund - Formula</u>	Formula Allocation	--	--	Department (OFD), OFD's Office of Emergency Services (OES), the Port of Oakland and the Oakland Police Department (OPD) plan to utilize ARRA PSGP funds to establish a Joint Port-OPD-OFD-OES Domain Awareness Center ("Center"). The Center's key objectives will include interoperability (integrating efforts between regional security partners) and a focus on domain awareness, situational awareness and improved response capabilities.	284
		The Oakland Housing Authority is receiving \$10,575,376		Department of Housing and Urban Development Funds from this grant are to be used for energy efficient modernization and renovation of Oakland's critical public housing inventory. The federal guidelines further state that local housing authorities must give priority consideration to projects that rehabilitate vacant rental units and to capital projects that are already underway.	
<u>State Fiscal Stabilization Fund - Education Stabilization Fund (Round 1) & Government Services Fund (Round 2)</u>	Competitive	Supported Application of the OUSD	Round 1 5/4/09 (submitted by OUSD) Round 2 Not Yet Released By Federal Agency	U.S. Department of Education (DOEd) and California State Board of Education Round 1 of this grant was intended to avert layoffs of teachers, professors, and other personnel and to further education reform in the key areas of teacher quality, standards and assessments, using longitudinal data to improve instruction, and supporting struggling schools. While specific guidelines have not yet been released for Round 2, the grant funds may be used to support the modernization, renovation, and repair of school and college facilities. In addition, Round 2 funds provide governors with significant resources to support education, public safety, and other government services. According to the federal guidelines, the Governor of California has discretion over how these funds will be spent. To date, the Governor of California has indicated that these funds will be used exclusively for public safety. Note: The City of Oakland was not eligible to apply for the formula dollars available under this grant. Instead, the City supported the application of the Oakland Unified School District and anticipates continuing to support OUSD in its application for Round 2 of the funding.	TBA

<u>Transportation Electrification</u>	Competitive	The City of Oakland is supporting the applications of organizations that sought support letters including A Better Place, and Nissan Motors	5/13/09	U.S. Department of Energy (DOE) Energy The Department of Energy (DOE) National Energy Technology Laboratory (NETL), on behalf of the Office of Energy Efficiency and Renewable Energy's (EERE) Office of Vehicle Technologies (OVT) Program, seek to fund development, demonstration, evaluation, and education projects to accelerate the market introduction and penetration of advanced electric drive vehicles. DOE's goal is for the vehicles and electric technologies to achieve a fast market introduction and reach high volume production. One key objective of the OVT program is to accelerate development and production of various electric drive vehicle systems to substantially reduce petroleum consumption. One of the electric drive technologies emphasized in this project is the Plug-in Hybrid Electric Vehicles (PHEV), which directly supports the President's goal to Get One Million Plug-In Hybrid Cars on the Road by 2015. This grant will also aide in the nation's economic recovery by creating U.S.-based jobs as outlined in the Recovery Act.	TBA

Violence Against Women- Transitional Housing Grant	Competitive	The City of Oakland is supporting the application of Building Futures with Women and Children and the Family Violence Law Center --		<p>Peralta Community Colleges is applying to train dislocated workers, including Port of Oakland truck drivers, NUMMI plant workers, and veterans in clean transportation training pathways including Clean Diesel retrofit, hybrid automotive technology, and water borne automotive painting systems. This project would serve 500 individuals over 3 years. Led by the Unity Council, the proposed Healthcare Sector Career Initiative will train low-income and unemployed bilingual/bicultural adults for careers in the Allied Health Care Sector working with Merritt College and 6 community health clinics (La Clinica de la Raza, Native American Health Center, Asian Health Services, Tiburcio Vasquez Health Center, Lifelong Medical Center, and UC Berkeley Tang Center) to create a skilled workforce to meet the health care needs of a linguistically, culturally diverse, and aging population.</p> <p>U.S. Department of Justice (DOJ) Office on Violence Against Women (VAW)</p> <p>Founded in 1986, Building Futures is a full continuum agency that provides shelter and emergency and support services to Alameda County's battered women and their children who are concurrently dealing with issues of homelessness, substance abuse, and/or mental illness. The Family Violence Law Center operates the Family Justice Center, a multi-service domestic violence support center. The City of Oakland is a key partner in the Family Justice Center, including the provision of Measure Y funding support.</p>	TBA

Estimated Number of Jobs Generated" refers to the number of employment opportunities created, retained, and/or projected to be created or retained by the stimulus grant in question, based on a standard FTE-annualized calculation. These numbers do not necessarily reflect only new employment opportunities, but also employment opportunities that the stimulus grant enabled to be retained.

2,807 = 58 direct environmental cleanup jobs per cycle (175 jobs over a 15-year period); 1,848 post-cleanup construction employment opportunities; 721 permanent, post-construction employment opportunities. Note: these calculations are estimates.

National Clean Diesel Campaign's portion of ARRA funds will be distributed through four different programs. More info available at
