RE: **Resolution Of Intention To Levy An Annual Assessment For Fiscal Year 2010/11 For The Montclair Business Improvement District, Approving The Annual Report Of The Montclair Business Improvement District Advisory Board, And Scheduling A Public Hearing For November 17, 2009**

---

### SUMMARY

Pursuant to Streets and Highways Code Section 36500 *et seq.* and the City of Oakland's Neighborhood Business Improvement District Program a resolution of intention has been prepared to authorize the levy of an annual assessment for the Montclair Business Improvement District (BID) for the upcoming 2010/11 fiscal year, approving the annual report for the Montclair BID and scheduling a public hearing for November 17, 2009.

State law requires that business-based BIDs receive City Council's approval before levying the upcoming fiscal year's assessment. Therefore, to enable the Montclair BID to collect its FY 2010/11 assessment City Council must adopt the above resolution and schedule a related public hearing. The City Council will take final action regarding the proposed levy at the public hearing which must take place no less than 10 days and no more than 30 days after the adoption of the above resolution of intention.

### FISCAL IMPACTS

No fiscal impact is anticipated to the City. The Montclair BID is a self-funded, self-administered entity. It will pay all of its own operating costs and will be cost neutral to the City budget.

If the levy is approved, the City will conduct a special billing to collect the assessment and will remit the amount collected (minus the City's costs of collection) to designated BID administrators.

Until disbursed, BID assessments will be held in a special trust fund established by the Financial Management Agency on behalf of the Montclair BID. The trust fund number for the Montclair BID is: Miscellaneous Trusts Fund (7999)/NCR & SDS Org (88569)/Pass Thru Assessments Account (24224)/Undetermined Project (0000000).

## **BACKGROUND**

On November 9, 1999, the City Council approved Resolution No. 75323 C.M.S. which initiated a City of Oakland Neighborhood Business Improvement District (NBID) Program. This program is authorized by Section 36500 of the California Streets and Highway Code which allows for the establishment of local business improvement districts throughout the state. Pursuant to the above legislation Ordinance No. 12378 C.M.S. was passed by City Council November 27, 2001 to establish the Montclair BID.

The BID model for economic development is also being used in the Rockridge (established 2000), Fruitvale (established 2001 and renewed in 2006), Lakeshore/Lake Park (established 2002), Temescal (established 2004), Laurel (established 2005), Koreatown/Northgate (established 2007), Lake Merritt/Uptown (established 2008), and the Downtown Oakland (established 2008) districts and in other commercial neighborhoods throughout the country.

BIDs seek to create a stable cash flow and incorporate all of the members of a business community into a productive and proactive entity representing the interests of that community.

Revenues generated by BIDs are applied to a variety of local improvements and services beyond those already provided by existing municipal services. Examples of BID-funded services include, but are not limited to, enhanced maintenance services, safety and security, marketing and promotions, special events, and related capital improvements. These types of enhanced services are intended to support increased sales and business tax revenues as well as increased job opportunities and to improve the vitality of affected commercial neighborhoods.

## **KEY ISSUES AND IMPACTS**

There is no anticipated adverse impact associated with the authorization to levy FY 2010/11 assessments for Montclair BID.

In terms of positive impacts, authorizing the continued collection of assessments for the district will provide the Montclair BID an on-going private funding source for enhanced safety and security, beautified physical appearance, and organized economic development and marketing activities within the district. This model for economic development has been successfully used in other commercial neighborhoods throughout the country. Accordingly, reauthorization of assessments for the Montclair BID will enable the district to serve as an on-going effective self-help model for other Oakland business districts.

## **PROGRAM DESCRIPTION**

The Montclair BID encompasses approximately 218 businesses located in and around the Montclair commercial area and estimates an annual budget of approximately \$101,050 of which \$80,000 represents projected assessments to be collected in FY 2010/11.

City Council  
November 3, 2009

If Council approves the FY 2010/11 levy for the Montclair BID, assessments will be levied in accordance with the district management plan on file with the Office of the City Clerk and the attached Annual Report (*Exhibit A* to the Resolution of Intention) submitted by the Montclair District Association, the district's City Council appointed advisory board. The annual report and district management plan set forth actions that will serve to attract business and improve the commercial climate within the district. Key aspects of these documents include, but are not limited to, enhanced safety and security, beautified physical appearance, special events and other organized economic development and marketing activities within the district as further outlined in *Exhibit A* to the attached resolution of intention.

The annual report indicates no changes in the boundaries of the business improvement district or in any benefit zones in the area. There is also no change in the original method and basis of levying the assessment.

### **SUSTAINABLE OPPORTUNITIES**

**Economic:** The proposed levy will fund activities which are intended to support the eventual increase of property, sales, and business tax revenues as well as increased job opportunities and economic development of the Montclair commercial district.

**Environmental:** The proposed levy will enable the Montclair BID to continue its efforts to strengthen and beautify the physical image of the existing neighborhood commercial area through the use of enhanced sidewalk, street cleaning and maintenance. Attractive new banners, directional signage and holiday decorations will also uplift and unify the district's appearance.

**Social Equity:** BIDs incorporate all members of a business community into a productive and proactive entity representing the interests of that community. Administration of the cash flow generated by the district itself contributes to local merchant self-empowerment and provides enhanced services for the overall physical and economic betterment of the district.

### **DISABILITY AND SENIOR ACCESS**

The reauthorization of assessments for the district has no direct implications for disability and senior access. However, the district's efforts toward revitalization may encourage businesses to continue to abide by applicable state, federal and local codes and legislation regarding disability and senior access. Improved public safety and security provided by the BID could also serve to make the area safer and more accessible to all visitors, including senior citizens and disabled persons.

### **RECOMMENDATION(S) AND RATIONALE**

Adoption of the attached resolution of intention will support continued operations in the Montclair BID and the delivery of related special services outlined in the district's Annual Report (*Exhibit A* to the attached Resolution of Intention). Such business improvement districts represent a proactive effort on the part of neighborhood business owners to improve the conditions and image of their area which assists in the economic revitalization and physical maintenance of the district.

Item: \_\_\_\_\_  
City Council  
November 3, 2009

Additionally, because BIDs are self-initiated, self-funded, and self-administered entities, there are no anticipated fiscal impacts for the City associated with continuance of the Montclair BID. Consequently, the Montclair BID should be viewed as a positive self-help model for other neighborhood commercial areas. Accordingly, staff recommends that the City Council adopt the resolution of intention to levy an annual assessment for fiscal year 2010/11 for the Montclair Business Improvement District, approving the annual report for the Montclair Business Improvement District and scheduling a public hearing for November 17, 2009 during which City Council must take final action regarding the proposed levy.

**ACTION REQUESTED OF THE CITY COUNCIL**

The action requested of the City Council is to adopt The Resolution Of Intention To Levy An Annual Assessment For Fiscal Year 2010/11 For The Montclair Business Improvement District, Approving The Annual Report Of The Montclair Business Improvement District Advisory Board, And Scheduling A Public Hearing For November 17, 2009.
