SUMMARY

Staff has prepared a report and proposed resolution authorizing the City Administrator to accept and appropriate reimbursement funds from the U.S. Department of Justice, Drug Enforcement Administration (DEA) operating within the Organized Crime Drug Enforcement Task Forces (OCDETF) to the Oakland Police Department (OPD) in an amount not to exceed \$10,000 in overtime reimbursement funds for the participation of eight police officers and one police sergeant during an organized crime investigation being conducted by the DEA for the period of October 1, 2009 through September 30, 2010.

FISCAL IMPACT

Approval of this resolution will authorize the City Administrator to accept and appropriate reimbursement funds from the OCDETF to the Oakland Police Department for overtime expenditures incurred by the Police Department as result of officers working with the OCDETF during the period of October 1, 2009 through September 30, 2010. Overtime reimbursement funds shall be appropriated and receipts posted to the General Fund (1010), Intelligence Division Organization (101140), Sworn Overtime Account (51214), Special Operation Program (PS12) and Project number to be determined. Officers assigned to this OCDETF investigation are funded through the Police Department's baseline budget. There are no additional costs to the City as this investigation will be conducted exclusively on the basis of reimbursable overtime, and will therefore not affect any regular patrol or investigative functions carried out by the officers working on the Task Force.

KEY ISSUES AND IMPACTS

OCDETF investigations have been effective in eliminating narcotic trafficking organizations by using undercover officers, informants, surveillance, and wire tap resources. OCDETF investigations have been effective in developing probable cause for arrests of known gang members and effecting longer sentences by securing federal prosecutions in the City of Oakland and throughout the country.

BACKGROUND

OPD has a long history of cooperating with Federal Law Enforcement Agencies during criminal investigations which impact the quality of life for the citizens of Oakland. Two recent examples are the 2008 “Nutcracker” investigation which resulted in the prosecution of over 50 violent gang members and the seizure of dozens of weapons. In 2007, Operation “Peace Out” which was conducted jointly by the OPD, FBI, and DEA, resulted in over 30 federal prosecutions, seizure of over four pounds of heroin, and the dismantling of a Drug Trafficking Operation (DTO) which was importing nearly 100 pounds of heroin into Oakland on a monthly basis.

PROGRAM DESCRIPTION

The DEA is conducting a criminal investigation related to an organized crime group operating within the City of Oakland, and has requested the assistance of Oakland police officers who are experienced in organized crime investigations and enforcement. The DEA received authorization from the United States Department of Justice to conduct the investigation utilizing OCDETF, which pays overtime for local law enforcement officers, and shares in asset forfeiture with participating agencies. While participating in this OCDETF investigation, local law enforcement officers may be deputized as federal agents, extending their jurisdiction and allowing for federal prosecution.

This DEA sponsored OCDETF investigation is designed to investigate all aspects of an organized crime group operating within the City of Oakland. Anticipated results include the arrest and prosecution of individuals involved in the organized crime group, the seizure of assets, and the disbandment of the organization.

In addition to crime reduction, the Department’s participation in this task force allows the City to share in the forfeiture of drug related proceeds including U.S. currency, vehicles, and property.

SUSTAINABLE OPPORTUNITIES

Economic: Proactive crime prevention activities will enhance the City’s efforts to reduce crime, increase the quality of life, and provide a climate in which economic development can flourish.

Environmental: There are no environmental opportunities associated with this report.

Social Equity: Enforcement efforts that address organized crime groups can increase public safety, improving the quality of life of the citizens of Oakland.

DISABILITY AND SENIOR CITIZEN ACCESS

There are no ADA or senior citizen issues associated with this report.

RECOMMENDATION / RATIONALE

Staff recommends acceptance of this report and approval of the proposed resolution authorizing the City Administrator, or his designee to accept and appropriate reimbursement funds in an amount not-to-exceed \$10,000 in federal funds from the Department of Justice, Drug Enforcement Administration (DEA) operating within the Organized Crime Drug Enforcement Task Forces (OCDETF) to the Oakland Police Department (OPD) in overtime costs for eight police officers and one sergeant, for the period of October 1, 2009 through September 30, 2010 for work associated with an OCDETF investigation.
