REASON FOR SUPPLEMENTAL

At the Community and Economic Development Committee on September 10, 2024, Housing and Community Development Staff made the following corrections to the original staff report:

- In **Table 1** on page 7 of the report (“Five Year Summary of HCDD Competitive Capital Funding Awards, 2019-Present”), the total non-bond funding awarded to the NC NOFA in 2023 was \$20,000,000, not \$10,000,000, and the total non-bond funding awarded 2019-2024 was \$177,866,183, instead of \$167,866.183. The overall spending totals were accurate in the original report.
- On page 8 of the report, the first paragraph notes a first tranche of Measure U bonds of \$78,000,000; the correct amount was \$68,000.000.

ACTION REQUESTED OF THE CITY COUNCIL

Staff Recommends That The City Council accept these corrections to the report.
