Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

I currently serve as the Chair of Oakland's Landmarks Preservation Advisory Board and have had an incredible experience on the board. Being able to listen to community input and to utilize their perspective along with my own to provide feedback to applicants and city staff has been enriching. I would be excited to apply the skills I have learned on the board to the Planning Commission. I have a passion for community building with a lens of equity. I think every project, regardless of size or use, should benefit Oaklanders for the long term.
