Hello Mayor, Council and Staff,

As a five-year resident of West Oakland, and a member of the Wood Street Community Action Group and Prescott Neighborhood Council, I'm writing to express full support for the **City of Oakland Encampment Management Policy**. Looking forward to this long-overdue policy being enacted swiftly and enforced consistently, especially these plan elements forbidding encampments:

- In vehicular traffic lanes, bike lanes, and sidewalks where there is not at least six (6) feet of contiguous clearance up to the length of a City block. (example 11th Street)

- Within 150 feet of a school. (example Prescott Elementary)

- Within 50 feet of a protected waterway.

- Within 50 feet of a residence or business. (example Parcel 7/ 1707 Wood Street)

- Within 50 feet of a playground or tot lot. (example Willow Park)

- Within 50 feet of a public park, soccer field, baseball field, basketball court, tennis court, and/or golf course. (example Raimondi)

- Within 150 feet of a school. (example Prescott Elementary)

- Within 50 feet of a protected waterway.

- Within 50 feet of a residence or business. (example Parcel 7/ 1707 Wood Street)

- Within 50 feet of a playground or tot lot. (example Willow Park)

Thank you!

Sincerely,

Nancy Rielle
