**WHEREAS**, group violence and gender-based violence (GBV) impacting high school students in the Oakland Unified School District (OUSD), both at school and in the community, is unacceptably high; and

**WHEREAS**, during the 2022-2023 School Year, OUSD suspended high school students for violence over 600 times, and two shootings took place on high school campuses; and

**WHEREAS**, the Department of Violence Prevention (DVP), in partnership with OUSD and community-based organizations, implemented the School Violence Intervention and Prevention (VIP) Program at seven high schools in OUSD during the 2022-2023 School Year to support students impacted by violence in order to reduce trauma and future violence; and

**WHEREAS**, the School VIP Program involves placing three individuals – one violence interrupter, one GBV specialist, and one life coach (school VIP team) – at each school, and funding from the DVP allowed seven life coaches, five violence interrupters, and four GBV specialists to serve the seven school sites during the 2022-2023 School Year; and

**WHEREAS**, in May 2023, the DVP submitted an application to the Office of Juvenile Justice and Delinquency Prevention (OJJDP)'s Fiscal Year 2023 Enhancing School Capacity To Address Youth Violence grant program to fund three additional violence interrupters for the School VIP Program so that each school has their own violence interrupter, with one school receiving two; and

**WHEREAS**, the application submitted by the DVP included funding for 0.10 Full-Time Equivalent (FTE) for a Health and Human Services Program Planner position to perform grant administration activities in an amount not to exceed Seventy-One Thousand Seven Hundred Fifty Four Dollars (\$71,754); and

**WHEREAS**, the application submitted by the DVP stated that Youth ALIVE!, which already employs two violence interrupters for the School VIP Program, would hire two violence interrupters funded through OJJDP, and Communities United for Restorative Youth Justice (CURYJ), which already employs one violence interrupter for the School VIP Program, would hire one violence interrupter funded through OJJDP; and

**WHEREAS**, Youth ALIVE! and CURYJ were originally selected to hire violence interrupters funded by the DVP for the School VIP Program during the 2022-2023 School Year through a competitive request for qualifications (RFQ) that was released on December 10, 2021, and received eighty-two (82) responsive applications from over seventy (70) agencies, with only one (1) agency receiving points for the city's Local/Small Local Business Enterprise contracting program; and

**WHEREAS**, based on results from the RFQ process, the City entered into grant agreements with seven non-profit organizations, including CURYJ and Youth ALIVE!, to

implement the School VIP Program for the term of July 1, 2022, to September 30, 2023, using funding from Measure Z and the General Purpose Fund, following review and approval by the Safety and Services Oversight Commission and City Council (Resolution No. 89273 C.M.S., Resolution No. 89462 C.M.S., Resolution No. 89796 C.M.S.); and

**WHEREAS**, on June 26, 2023, City Council adopted the Biennial Budget for Fiscal Years 2023-25 (Resolution No.89803 C.M.S.), which allocated general purpose funds to the DVP for that time period; and

**WHEREAS**, on September 19, 2023, City Council approved new grant agreements with the same non-profit organizations selected through the original RFQ to implement the School VIP Program for the term of October 1, 2023, to September 30, 2025 (Resolution No. 89899 C.M.S.); and

**WHEREAS**, on September 25, 2023, the DVP was notified that its grant application to OJJDP was selected for funding, with the requirement that the DVP execute a memorandum of understanding (MOU) with OUSD and all community-based organizations funded to implement the School VIP Program as a condition of the grant; now, therefore, be it
