Councilmember Guillén made a 4th substitute motion, seconded by Councilmember Kalb, to approve the ordinance as amended as follows:

A) Revise the following Sections to read as follows:

1) SECTION 3. Discontinuance of Rent Exemption for Owner-Occupied Duplex and Triplex Properties. The exemption from the Rent Adjustment Program for owner-occupied properties of two- to three-units (Oakland Municipal Code section 8.22.030A.8) is discontinued; provided, however, that any legal rent increase for which a notice to the tenant was properly given prior to April 5, 2016 shall be permitted.

2)SECTION 5. Rent Increase Moratorium; Petition for Relief. From the effective date of this Ordinance no owner or manager of a residential unit regulated by Oakland's Residential Rent Adjustment Ordinance (Section 8.22.010 et seq.) may serve or give notice of a rent increase that exceeds the CPI Rent Adjustment, as defined in Section 8.22.020 of the Residential Rent Adjustment Ordinance, for the twelve (12) months preceding the increase. The moratorium on rent increases above the CPI Rent Adjustment provided for in this Ordinance shall not apply to any rent increase for which a notice to the tenant was properly given prior to April 5, 2016. Any owner or manager of a residential unit who claims that the allowable rent under the moratorium is insufficient to provide a fair return based on maintaining the property's net operating income may file a petition with the Rent Program requesting relief from the moratorium by way of a rent increase in excess of the CPI Rent Adjustment necessary to provide a fair return. The City Administrator shall provide a working definition of "maintaining the property's net operating income."

3) SECTION 8. Administrative Remedies. For violations of the rent increase limitations set out in this ordinance, the City Administrator may issue an administrative citation pursuant to Oakland Municipal Code section 1.12 for a first and second violation by a property owner and a Civil Penalty pursuant to Oakland Municipal Code section 1.08 for three or more violations by a property owner which shall constitute a major violation. Prior to issuing a first

administrative citation, the City Administrator must have given the property owner a warning notice of a potential violation. If the City Administrator determined the violation contained in the warning notice was not timely cured, the City Administrator may issue a citation based on the failure to cure the violation. After a property owner has been given a warning letter, all subsequent violations for any other unit of that property owner may be cited.

B) Add the following: Section 10. Award of Housing Enforcement Funds. The City Council reaffirms its commitment to increase outreach and education for the Tenant Protection Ordinance and Just Cause for Eviction Law. To that end, the City Administrator is directed to release the Request for Proposal (RFP) in the amount of \$100,000 which was previously voted upon and approved by Council to increase education and outreach for the Tenant protection Ordinance and Just Cause for Eviction law within 21 days; and the City Administrator shall report back to the Council no later than May 17, 2016 on the status of awarding the contract(s).
