RESOLUTION AMENDING AND RESTATING RESOLUTION NO. 88765 C.M.S. AUTHORIZING THE CITY ADMINISTRATOR TO APPLY FOR, ACCEPT, AND APPROPRIATE UP TO \$5,000,000 IN FUNDS FROM THE CALIFORNIA DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT UNDER THE LOCAL HOUSING TRUST FUND PROGRAM AND TO ALLOCATE UP TO \$5,000,000 FOR AFFORDABLE HOUSING PRESERVATION AND PRODUCTION PROGRAMS, AND AMENDING RESOLUTION NO. 88213 C.M.S. TO ALLOCATE FUNDS TO THE LOCAL HOUSING TRUST FUND

Attachment 1

City of Oakland LHTF Program Application

- (1) One-hundred percent (100%) of the funds awarded through the State of California’s Department of Housing and Community Development’s Local Housing Trust Fund (LHTF) Program and the matching funds from the City of Oakland’s Affordable Housing Trust Fund (Fund 1870) will be committed to the City of Oakland’s New Construction of Multifamily Affordable Rental Housing Projects, as funded under the City’s 2021-2022 Notice of Funding Availability (“City New Construction NOFA”).

Under the City New Construction NOFA, eligible projects include the new construction of multifamily affordable rental housing developments, including permanent supportive housing and transitional housing intended for occupancy by lower income households. The City will take the following priorities into account for administering the funds:

- Readiness of new affordable rental housing developments to commence construction.
- Assistance for housing projects targeting people experiencing homelessness and extremely low-income households including Permanent Supportive Housing projects.
- Projects located in neighborhoods that are experiencing displacement and gentrification.
- Projects that include an “emerging developer”, as part of the development team (an “emerging developer” is defined as a developer who has less than five (5) years of experience as a developer and/or less than five completed projects).

Awarded funds will be used on eligible projects in a manner consistent and in compliance with the applicable LHTF Program’s Area Median Income (AMI) requirements, as well as the minimum affordability requirements established by the City New Construction NOFA. Taking the more restrictive requirements of the two, the AMI thresholds are as follows:

- a. One hundred percent (100%) of City-assisted units must be restricted to low-income households, with rents no greater than 30% of 60% of AMI for the Oakland area.
- b. Rents for affordable units must be the lessor of the designated restricted rent limit or ten percent (10%) below market rate rents within a one-mile radius of the project.

- c. A minimum of thirty percent (30%) of program funds and matching funds, after deducting administrative expenses, shall be expended on assistance to extremely low-income households, with rents no more than 30% of 30% of AMI for the Oakland area.
- d. No more than fifteen percent (15%) of unassisted affordable units may be designated for moderate-income households.

Priority will be given to projects that exceed the threshold affordability minimums.

- (2) All activities/projects will be delivered within the City of Oakland.
