RE: **Ordinance Authorizing A Fiscal Year 2010-11 Increase To A Special Tax Imposed For Paramedic Emergency Services In Accordance With The Paramedic Services Act Of 1997 (Measure N) And Setting June 1, 2010 As The Date For A Public Hearing**

SUMMARY

Attached for City Council consideration is an ordinance authorizing a FY 2010-11 adjustment, consistent with the Consumer Price Index (CPI), to the special parcel tax for paramedic emergency services in accordance with the Paramedic Services Act of 1997.

In June 1997, the electorate of Oakland passed, by more than a two-thirds majority, the Paramedic Services Act of 1997 (Measure N). The measure imposed a special parcel tax for the purpose of raising revenue necessary to increase, enhance and support paramedic emergency services in the City of Oakland. The Measure N legislation authorizes the City Council to increase the tax rates by a cost-of-living factor after the third year of its imposition (FY 2000-01) and continuing each fiscal year thereafter. A 0.7 percent increase to Measure N special parcel tax rates is proposed for FY 2010-11, in line with the CPI increase for the San Francisco Bay Area during 2009.

A public hearing on the proposed ordinance to increase the Measure N special parcel tax is scheduled for June 1, 2010 at 6:30 p.m.

FISCAL IMPACT

The FY 2010-11 estimated revenue from Measure N (Fund 2250) is \$1.4 million, including the proposed rate increases. The proposed annual rate increase of 0.7 percent translates to approximately \$10,138 of the total FY 2010-11 estimated revenue.

BACKGROUND

Beginning FY 2000-01 and continuing each fiscal year thereafter, the Measure N legislation allows the City Council to adjust the tax rates in accordance with the CPI for the immediate San Francisco Bay Area. At no time, however, may the rates be increased by more than 5.0 percent of the tax rates imposed by ordinance during the immediate preceding fiscal year.
