AGENDA MEMORANDUM

Date: November 4, 2021
To: Oakland City Councilmembers
From: Councilmember Loren Taylor
Subject: Honoring California Retired Teachers

Colleagues on the Council:

Teachers touch the lives of everyone in our community and we all have memories of educators who have inspired us and had a profound impact on our lives. Therefore, it is fitting that we honor our retired educators this month by recognizing November 7-13, 2021 as California Retired Teachers week. I had the privilege to be raised by a former teacher, my mother Linda Taylor, who was a career educator in Oakland and instilled in me and my brothers a love of learning. As a product of Oakland public schools and father of OUSD students I understand and appreciate the hard work and sacrifices of our teachers as well as the impact they have on generations of students and their families.

I, respectfully request your support of this Resolution that recognizes California Retired Teachers Week and pays tribute to the contributions of our past, present, and future teachers.

Yours in service of Oakland,

Loren Taylor
