

Police Department Quarterly Crime Report

**Third Quarter
01 July 2022 to 30 September 2022**

Presentation to the
Public Safety Committee
December 12, 2022

Police Areas and Community Policing Beats

Citywide Crime Stats – Year-to-Date Comparison

Part 1 Crimes <i>All totals include attempts except homicides</i>	01-01-2021 through 09-30-2021	01-01-2022 through 09-30-2022	Year-to-Date % Change 2021 vs. 2022	3-Year Year-to-Date Average	YTD 2022 vs. 3-Year YTD Average
Homicide - 187(a)	96	94	-2%	88	7%
• Homicide - all other *	8	2	-75%	5	-60%
Subtotal - 187(a) + all other	104	96	-8%	93	3%
Aggravated Assault	2,780	2,400	-14%	2,529	-5%
• With Firearm	469	361	-23%	387	-7%
Rape	113	135	19%	140	-4%
Robbery	1,999	2,078	4%	1,926	8%
Burglary Total	7,266	8,765	21%	7,743	13%
• Auto	5,821	6,813	17%	5,944	15%
• Residential	788	783	-1%	855	-8%
• Commercial	461	959	108%	746	29%
• Other/Unknown	196	210	7%	198	6%
Motor Vehicle Theft	6,756	7,225	7%	6,905	5%
Larceny	4,520	5,267	17%	4,849	9%
Arson	138	132	-4%	138	-5%
Total Part 1 Crimes	23,676	26,098	10%	24,323	7%

This report is hierarchy based. Crime totals reflect one offense (the most severe) per incident.

These statistics are drawn from the Oakland Police Dept. database. They are unaudited and not used to figure the crime numbers reported to the FBI's Uniform Crime Reporting (UCR) program. This report is run by the date the crimes occurred. Statistics can be affected by late reporting, the geocoding process, or the reclassification or unbounding of crimes. Because crime reporting and data entry can run behind, all crimes may not be recorded.

PNC = Percentage not calculated — [Percentage cannot be calculated.](#)

* Justified, accidental, foetal, or manslaughter by negligence. Traffic collision fatalities are not included in this report.

Homicides sourced from the Crime Analysis Section homicide log. All other data sourced via Coplink Analytics.

Area 1 Homicides – All Investigated Incidents

01 January to 30 September

Police Area 1- Captain Clay Burch

- Homicides, shootings, robberies, and burglaries remain priorities of focus.
 - Measurable gang and group violence in West Oakland decreased from Q2 into Q3 in collaboration with preventative patrols and intelligence led patrol strategies, Ceasefire, Department of Violence Prevention, and OPD's Violent Crime Operations Center (VCOC). Those strategies continue.
 - Robbery in Police Beat 3 has declined in correlation with continued preventative patrols, collaborative community efforts, and focused enforcement and investigations. Those strategies continue.
- Problem solving projects continue into Q4 to address public safety issues and crimes committed in the violence concentrated gang areas. These projects emphasize prevention and conflict resolution through community partnerships.

Area 2 — Capt. Robert Rosin

Part 1 Crimes <i>All totals include attempts except homicides</i>	01-01-2021 through 09-30-2021	01-01-2022 through 09-30-2022	Year-to-Date % Change 2021 vs. 2022	3-Year Year-to-Date Average	YTD 2022 vs. 3-Year YTD Average

Homicides sourced from the Crime Analysis Section homicide log. All other data sourced via Coplink Analytics.

Area 2 Homicides – All Investigated Incidents

01 January to 30 September

Police Area 2- Captain Robert Rosin

- Shootings are a main focus for Police Area 2.
- There have been three homicides in Police Area 2 this year, all occurred in Q3 (two separate incidents, one was a double murder).
- In Q2 & 3, Patrol teams were directed to conduct focus on serious and violent crime incidents:
 - Thorough preliminary investigation, video canvassing recovery, dissemination, partnering with VCOC, and working with DVP and Ceasefire strategies
 - Shooting rates have decreased overall in Area 2 as a whole: 3 murders in 2022 Jan-Sep vs Six in 2021
- CRO Projects:
 - While Area 2 CRO numbers continued to attrite, project work was limited.
 - In order to supplement the efforts to the CRO teams, the Area 2 Captain worked with BID leaders and developed overtime patrols in order to reduce violence in areas targeted by robbery crews.

Area 3 — Capt. Michael Beaver

Part 1 Crimes <i>All totals include attempts except homicides</i>	01-01-2021 through 09-30-2021	01-01-2022 through 09-30-2022	Year-to-Date % Change 2021 vs. 2022	3-Year Year-to-Date Average	YTD 2022 vs. 3-Year YTD Average
Homicide - 187(a)	19	16	-16%	15	9%

* Justified, accidental, foetal, or manslaughter by negligence. Traffic collision fatalities are not included in this report.

Homicides sourced from the Crime Analysis Section homicide log. All other data sourced via Coplink Analytics.

Area 3 Homicides – All Investigated Incidents

01 January to 30 September

Police Area 3- Captain Michael Beaver

- Homicides have reduced by 16% year to date (19 in 2021 vs 16 in 2022)
- Our focus is to safely reduce gun-related violence, robberies, and human trafficking through collaborative efforts with the Vice Crimes Unit, Alameda County Sheriff's Office, United States Marshals Service, and the Community to conduct intelligence-based policing and an increased presence.
- Special Resource Section 3 continued to conduct investigations with community assistance targeting dozens of illegal gambling shacks in the area associated with shootings and robberies.
- Beat 19x continues to be a focal point of public safety and community concern.

Area 4 — Capt. Jake Bassett

Part 1 Crimes <i>All totals include attempts except homicides</i>	01-01-2021 through 09-30-2021	01-01-2022 through 09-30-2022	Year-to-Date % Change 2021 vs. 2022	3-Year Year-to-Date Average	YTD 2022 vs. 3-Year YTD Average
Homicide - 187(a)	14	19	36%	16	19%
• Homicide - all other *	1	0	-100%	1	-100%
Subtotal - 187(a) + all other	15	19	27%	17	14%
Aggravated Assault	677	357	-47%	473	-25%
• With Firearm	70	45	-36%	51	-11%
Rape	13	12	-8%	17	-31%

Arson	22	17	-23%	20	-16%
Total Part 1 Crimes	3,806	3,197	-16%	3,599	-11%

This report is hierarchy based. Crime totals reflect one offense (the most severe) per incident.

These statistics are drawn from the Oakland Police Dept. database. They are unaudited and not used to figure the crime numbers reported to the FBI's Uniform Crime Reporting (UCR) program. This report is run by the date the crimes occurred. Statistics can be affected by late reporting, the geocoding process, or the reclassification or unbounding of crimes. Because crime reporting and data entry can run behind, all crimes may not be recorded.

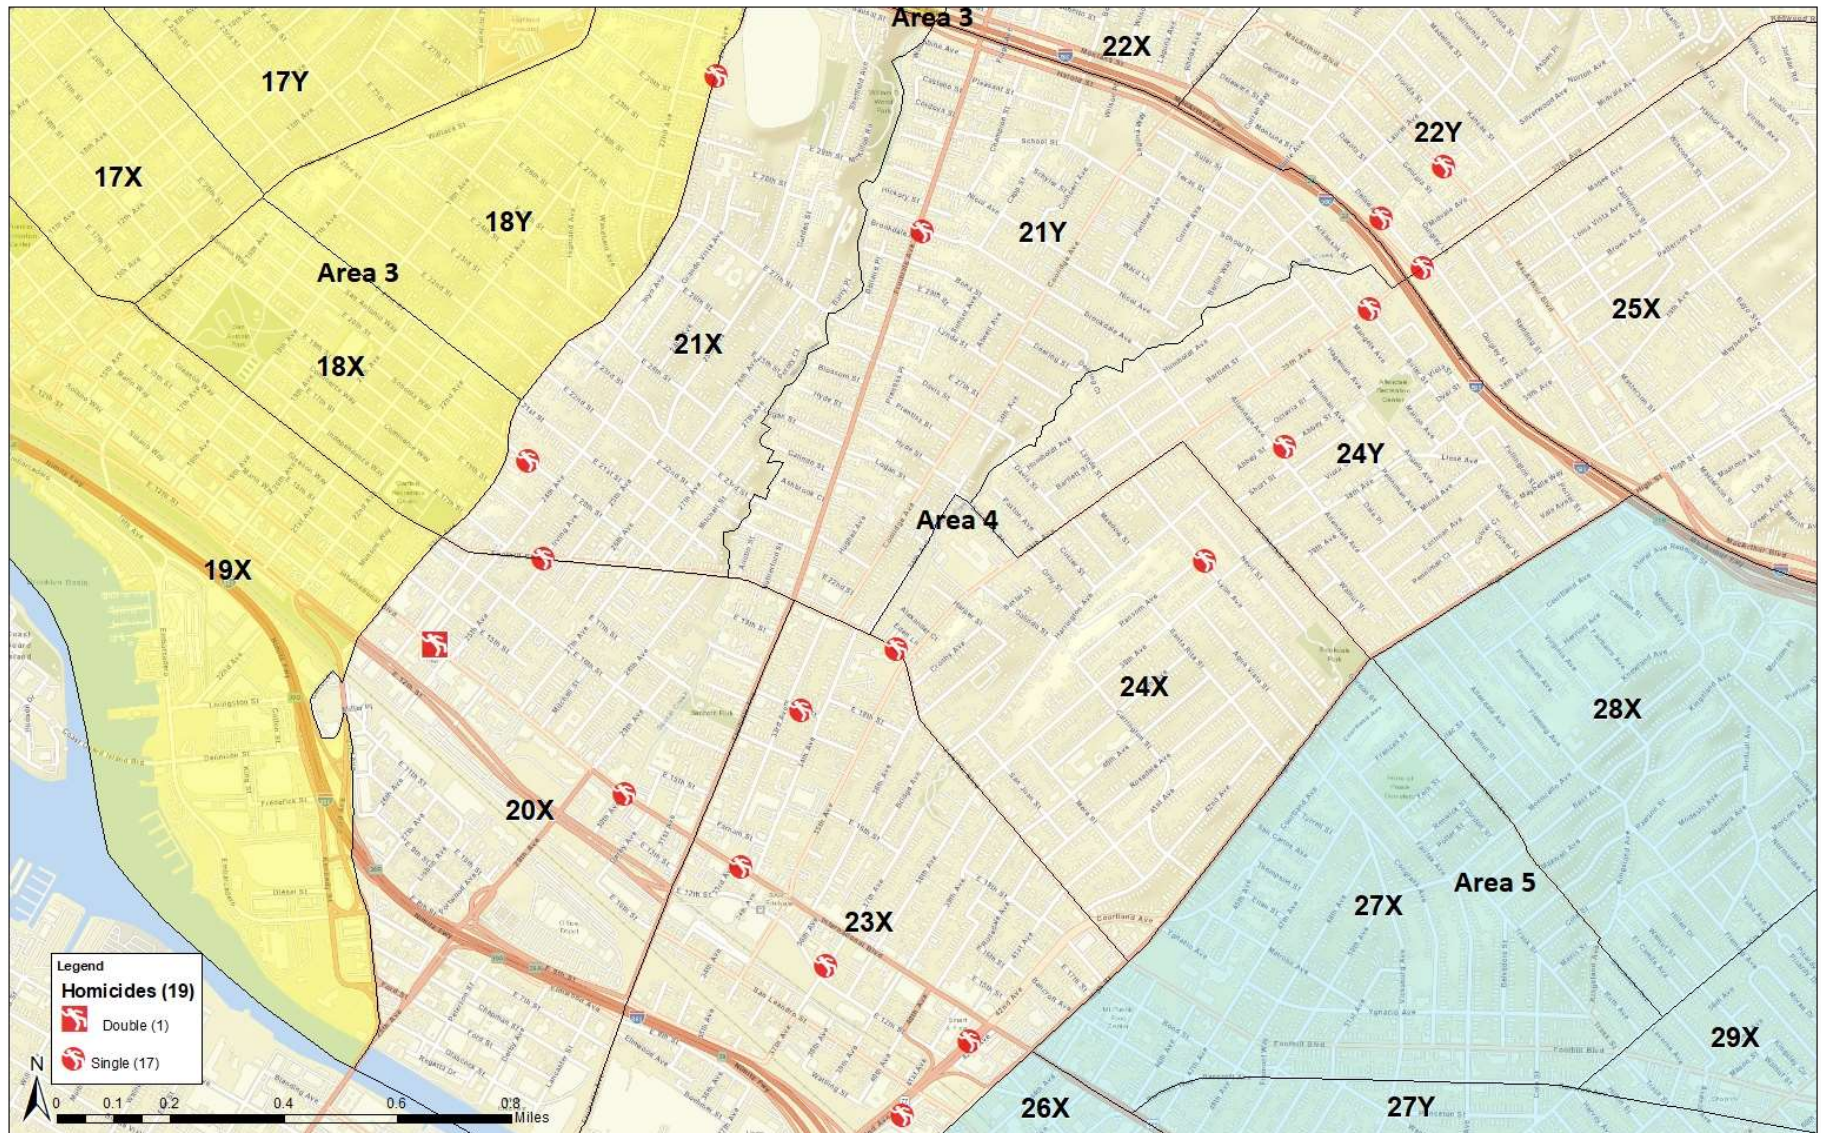

PNC = Percentage not calculated — [Percentage cannot be calculated.](#)

* Justified, accidental, foetal, or manslaughter by negligence. Traffic collision fatalities are not included in this report.

Homicides sourced from the Crime Analysis Section homicide log. All other data sourced via Coplink Analytics.

Area 4 Homicides – All Investigated Incidents

01 January to 30 September

Police Area 4 – Captain Jake Bassett

Aggravated firearm assaults – 36% decrease

Robberies – 1% decrease

Area 4 Command implemented the following strategies to address the violent crime decrease:

- Provided intelligence to Patrol Commanders to direct available resources to those areas most affected by violent crime.
- Prioritized patrol and supplemental presence during times, days, and locations where offenses were trending.
- Developed a ShotSpotter detail focusing on crime analysis of where to direct resources on a bi-weekly basis.
- Collaborated with the Department of Violence Prevention (DVP) on victims of violent crime with attention to the mitigation of retaliatory violence.

Area 5 — Capt. Anthony Tedesco

Part 1 Crimes <i>All totals include attempts except homicides</i>	01-01-2021 through 09-30-2021	01-01-2022 through 09-30-2022	Year-to-Date % Change 2021 vs. 2022	3-Year Year-to-Date Average	YTD 2022 vs. 3-Year YTD Average
Homicide - 187(a)	22	14	-36%	19	-28%

Arson	25	20	-20%	22	-10%
Total Part 1 Crimes	3,427	3,255	-5%	3,405	-4%

This report is hierarchy based. Crime totals reflect one offense (the most severe) per incident.

These statistics are drawn from the Oakland Police Dept. database. They are unaudited and not used to figure the crime numbers reported to the FBI's Uniform Crime Reporting (UCR) program. This report is run by the date the crimes occurred. Statistics can be affected by late reporting, the geocoding process, or the reclassification or unbounding of crimes. Because crime reporting and data entry can run behind, all crimes may not be recorded.

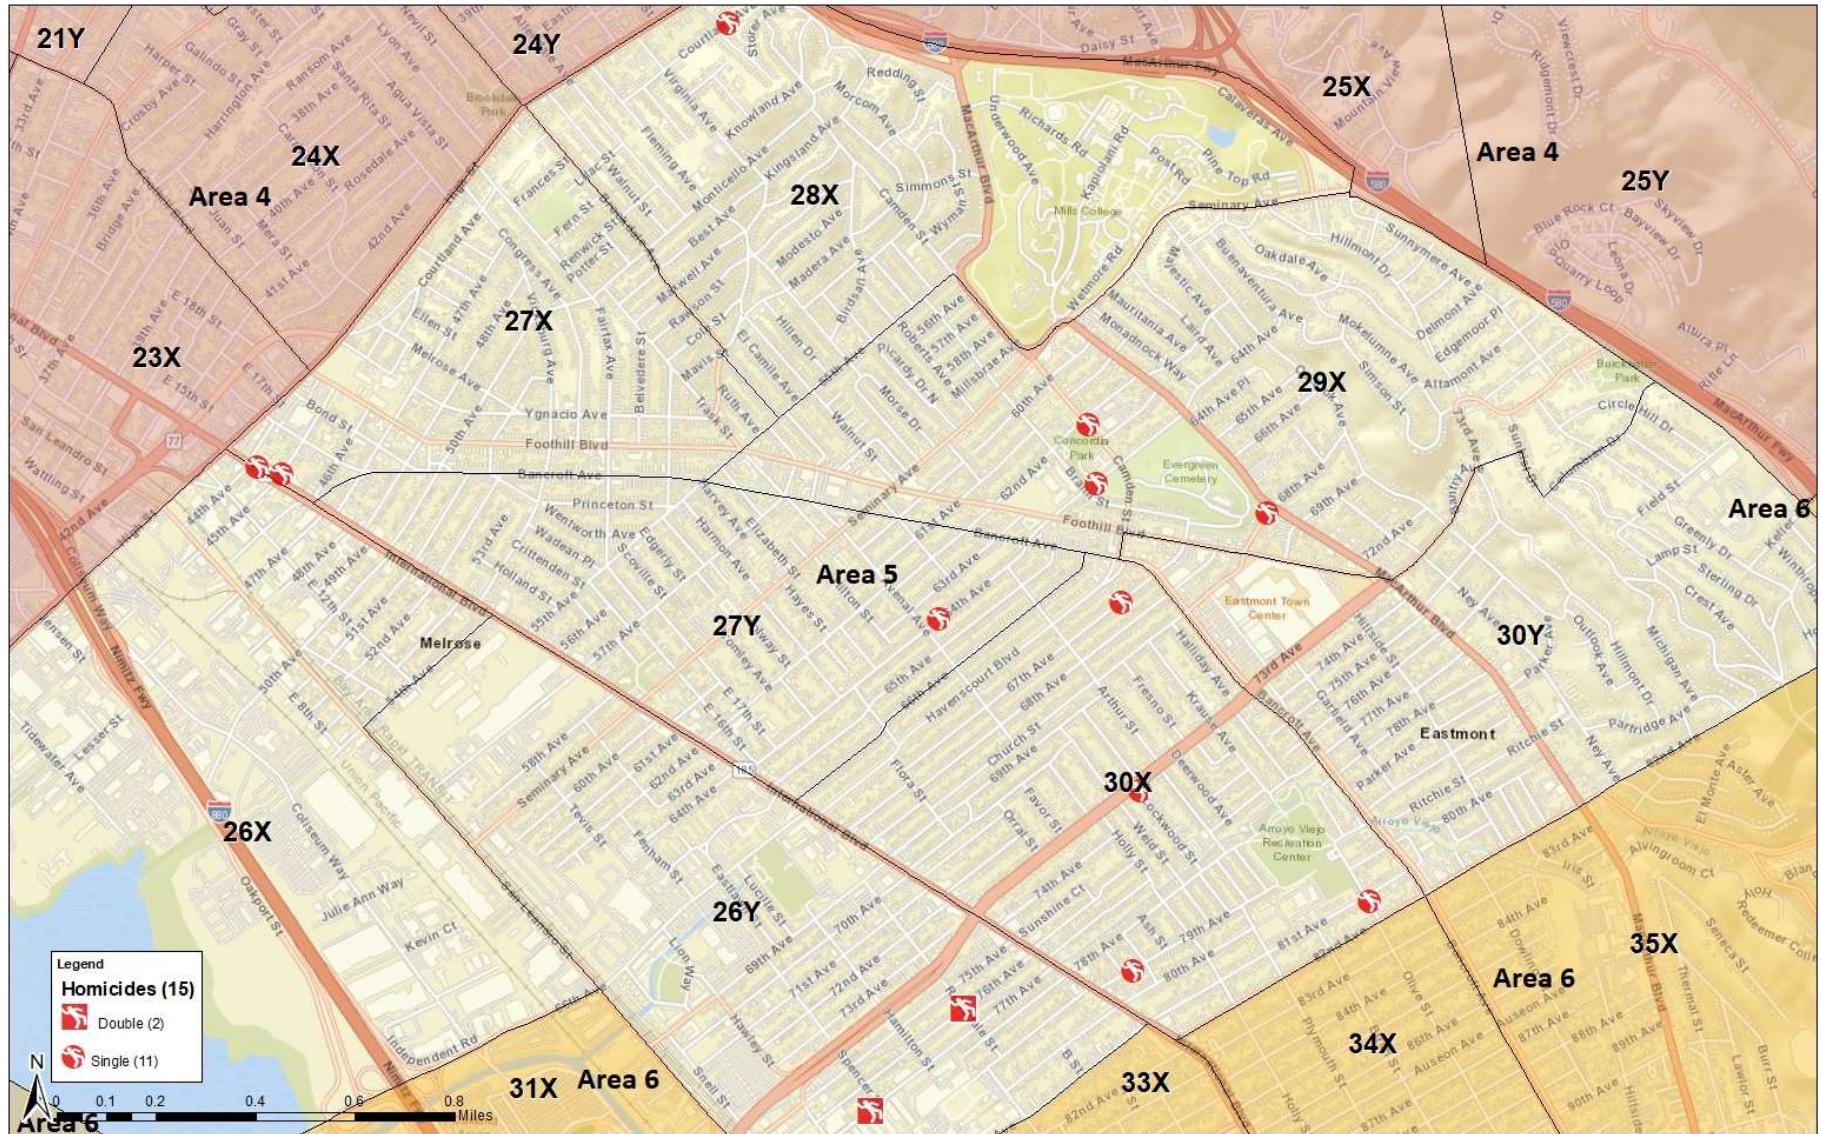

PNC = Percentage not calculated — [Percentage cannot be calculated.](#)

* Justified, accidental, foetal, or manslaughter by negligence. Traffic collision fatalities are not included in this report.

Homicides sourced from the Crime Analysis Section homicide log. All other data sourced via Coplink Analytics.

Area 5 Homicides – All Investigated Incidents

01 January to 30 September

Police Area 5- Captain Anthony Tedesco

- **Area 5 Part 1 crimes for Q3** from Apr to Sep 2022: the largest increase was the following:
 - **Homicides** with a 25% increase.
 - **Burglary Unknown** at a 650% increase.
 - **Aggravated assaults** were reduced to 0% which was a 30% reduction from Q1.
- In response, Area 5 staff deployed the following measures in an attempt to continue to reduce the increase in homicides.
 - Continued intelligence briefings to identify possible groups or gangs escalating violence.
 - Continued Patrol briefings to ensure all stakeholders have timely and relevant information of the conflicts driving the violence in Area 5.
 - Reviewed ShotSpotter activity while gathering intelligence and deploying available resources to those areas.
 - Continued Violence Suppression operations that are laser focused on groups, gangs, and/or areas of known violence.

Police Area 5- Captain Anthony Tedesco (continued)

- In response, Area 5 staff deployed the following measures in an attempt to continue to reduce the increase in homicides.
 - Proactive collaboration with DVP (Department of Violence Prevention) who assist with reaching out to involved parties to prevent further violence.
 - Worked closely with the VCOC and Ceasefire which will continue to focus on individuals driving the violence.
 - Conduct weekly meeting with all stakeholders, law enforcement partners and city leaders to include local Councilmember's.
 - Prioritized Ceasefire strategies and referrals with requests for outreach and prevention.
 - Ensure quality preliminary investigations are being completed in the field and in partnership with CID (Criminal Investigations Division).
 - Developed a plan to increase and fund the Cannabis Regulation unit to help decrease cannabis burglaries which led to increased burglaries in Area 5.

Area 6 — Capt. Casey Johnson

Part 1 Crimes <i>All totals include attempts except homicides</i>	01-01-2021 through 09-30-2021	01-01-2022 through 09-30-2022	Year-to-Date % Change 2021 vs. 2022	3-Year Year-to-Date Average	YTD 2022 vs. 3-Year YTD Average
Homicide - 187(a)	24	18	-25%	21	-13%
• Homicide - all other *	5	0	-100%	3	-100%
Subtotal - 187(a) + all other	29	18	-38%	23	-23%

Area 6 Homicides – All Investigated Incidents

01 January to 30 September

Police Area 6- Captain Casey Johnson

Part 1 crimes for Q3 from 2021 to 2022: The largest increases and decreases:

- Commercial Burglary 168% increase from 2021.
- Homicides 26% decrease from 2021.
- Violent Crime Index 14% decrease from 2021

Police Area 6- Captain Casey Johnson

- In response, Area 6 staff deployed the **following measures** in an attempt to continue to reduce this rise in violence:
 - Continued Data intelligence to identify possible groups or gangs escalating violence
 - Increased partnership with DVP (Department of Violence Prevention) who assist with reaching out to involved parties to prevent further violence.
 - Worked closely with the VCOC and Ceasefire which will continue to focus on individuals driving the violence.
 - Conduct weekly meetings with all stakeholders, law enforcement partners and city leaders to include Councilmembers Reid and Taylor.

Police Area 6- Captain Casey Johnson

- In response, Area 6 staff deployed the **following measures** in an attempt to continue to reduce this rise in violence:
 - Prioritized Ceasefire strategies and referrals with requests for outreach and prevention.
 - Reviewed ShotSpotter activity while gathering intelligence and deploying available resources to those areas.
 - Run overtime details such as ShotSpotter and Violence Suppression Units to focus on identified locations with increased firearm-related aggravated assaults.
 - Continue to enforce thorough preliminary investigations (Patrol Officers) while working with our Criminal Investigations Division on follow-up request.
 - Run anti-burglary operations focused on Beat 31 where a majority of our burglaries occur.

CEASEFIRE

- Ceasefire added six (6) officers, increasing to three (3) teams. Unit is still down eight (8) officers.
- Ceasefire has hosted four (4) Call-In meetings with one (1) more planned for 2022.
- Ceasefire has engaged in direct communication with 199 at risk individuals and offered services: 140 custom notifications and 59 individuals at call-ins year to date.
- Ceasefire has conducted 24 operations targeting gangs year to date.
- Noted an increase of juveniles associated with criminal street gangs and engaged in violent crime.
- Gang/ Group dynamics account for over 50% of non-fatal shootings.

VCOC- Captain Roland Holmgren

- CGIC is operational 7 days a week, disseminating real-time criminal intelligence/information to Patrol, CID, and VCOC Operations Teams.
- CGIC tracks/analyzes violent crime & gang trends throughout the Bay Area, that directly affects the City of Oakland.
- CGIC collaborates with Ceasefire and external partners (FBI, USMS, DVP, CBOs) to prevent, interrupt, and solve violent crime.

***Miscellaneous includes offenses not categorized as violent felony offense arrests. This includes firearms arrests, probation/parole violations, and other offenses and/or warrants. Some of the arrestees within the miscellaneous categories may have also been witnesses to violent crimes where the investigator needed to speak to them.*
