## Billie Wooldridge

I have been a resident/homeowner in Oakland for over 20 years. Reading is my hobby. Literacy has long been a focus in my family and several of us have been tutors in schools and Second Start. In addition to frequent trips to the library I have membership in five book clubs. I share books with friends and family and donate many books to the library each year.

Family projects and activities are at the top of my agenda yet I make time for community programs. At present I am a member of Friends of the Eastmont Library and oversee the book sale that is ongoing.

I also enjoy working with the National Council of Negro Women (Life Member) which has provided leadership training and participation in programs locally, nationally and internationally. I have been involved in programs sponsored by the UN with NGO forums. I am a member of the Military Officers Association of America, working to support families as I am a Vietnam era widow.

My last place of employment was with the Webster Orthopedic Medical Group as Medical Assistant for Dr. Peter Slabaugh. During the ten years there I had many continuing education opportunities as a member of the American Association of Office Nurses.

My academic background is in Biology/Health Science and Rehabilitation Counseling. I have been retired for ten years, and have had the pleasure of lots of travel. I can always take a book or two along.

I am a staunch supporter of library services and programs that benefit the community in which I live and would like the opportunity to be more closely involved.
