WHEREAS, in addition to the Federal funding, the State of California supports the eight (8) California US&R Task Forces with funding through the California Specialized Training Institute (CSTI) or State of California identified training center that facilitates Mobilization Exercises and conducts other pertinent trainings, in preparation for response to disasters such as earthquakes, wildfires, flooding, and terrorist attacks; and

WHEREAS, the cumulative FY 2020 FEMA US&R grant award allocation award is not to exceed one million, three hundred fourteen thousand, five hundred and forty-nine dollars (\$1,314,549) and the period to accept the grant funds is September 1, 2020 to August 31, 2023; now, therefore, be it
